THE THEA KOZAK MYSTERY SERIES in order: Chosen for Death, Death in a Funhouse, Mirror Death at the Wheel, An Educated Death, Death in Paradise, Liberty or Death, Stalking Death, Death Warmed Over. **Widow's Might** Sandra Brannan, 2012-08-28

The third Liv Bergen mystery picks up right where the second one left off: the murder of Liv's sister-in-law has been solved, but an older rancher has been bludgeoned to death in a style eerily reminiscent of a long inactive killer known only as the Crooked Man. FBI agent Streeter Pierce, still on assignment in Sturgis, South Dakota, must now turn his sights on tracking down the killer who happens to be his nemesis from ten years earlier. Pierce doesn't complain though he's falling in love with Liv Bergen and sets in motion an unconventional way to recruit her for the FBI's training camp in Quantico, Virginia, as they work the case together. But is Liv falling for the brilliant, exotic-looking agent Jack Linwood instead? Once again, Liv's vast knowledge of the Black Hills of South Dakota, the territory General Custer made famous, and the modern-day ranchers and environmentalists who live there leads her to unearth critical clues about the Crooked Man. Aided by her elfin sister with rainbow-colored hair, a sad-eyed bloodhound, and a terminally ill Norwegian widow, Liv ultimately identifies the deranged killer. But will her barrage of questions be enough to fend off a fatal blow from the very cane he used to crush the skulls of thirteen other victims?

Lot's Return to Sodom Sandra Brannan, 2011-06

The Sturgis Motorcycle Rally is no place for button-downed citizens unless they're trying to hide a murder. Sharp-witted Liv Bergen can't avoid becoming embroiled in murders; it seems. Her family's hometown of Sturgis, South Dakota, is quickly becoming the Sodom of the Black Hills during the dog days of summer as it hosts the infamous rally of grizzled, hard-core motorcycle bikers—half a million of them. Crime comes too close for comfort when Liv must solve the mystery of a beautiful young townie to clear her brother's name. Liv witnesses the vile death of another young woman, and during her investigation of both crimes, she attracts the unwanted attentions of the menacing leader of Lucifer's Lot, the baddest of the bad biker gangs. Her quick wit and pragmatic thinking are all that stands between her and certain elimination. FBI agent Streeter Pierce is back on the trail, working undercover to find the murderer and a shadow criminal called the Crooked Man. When he and Liv cross paths, sparks are flying literally. Fans of the amateur sleuth's adventures will find this second book in the Liv Bergen series, the sequel to *In the Belly of Jonah*, an even deeper mystery with greater consequences for their heroine.

Jeremiah's Revenge Sandra Brannan, 2018-06-05

Sandra Brannan has once again masterfully delivered on her latest compelling installment in the Liv Bergen Mystery Series. Liv has recently returned to work at the FBI from a forced leave of absence after witnessing the brutal murder of her boyfriend Jack Linwood. As she painfully emerges from her grief, Liv comes face-to-face with two facts: She did not truly love Jack, and she does love her long-time colleague and mentor Streeter Pierce. But she wonders if she can find the courage to let him know or just how much longer she can hide her feelings. As Streeter and Liv are drawn together and a tender relationship begins, a gritty and often

shocking set of events is unraveling around them And while fans of the series have long waited to know the truth about his past Streeter's honest revelations lead to nothing but fear and his worst nightmare where Liv is put within inches of losing her life The title of the book an evil twist referencing admonitions from the Bible's Book of Jeremiah sends a warning to the steadfast agent's fans they won't soon forget **Solomon's Whisper** Sandra Brannan, 2014-09-02 As Liv Bergen investigates the long ago murder of her niece she uncovers a well guarded secret and stumbles into one the most prolific killer she's faced yet Once an amateur sleuth Liv Boots Bergen has now found her footing as an official FBI agent It should be Liv's dream career she's working closely with a bureau legend Agent Streeter Pierce as well as the exotic Agent Jack Linwood with whom she shares a growing romance Liv has proven to be an adept agent and the whole office has been moved to a brand new state of the art facility in central Denver And yet doubt plagues her Liv is tormented by the knowledge that her work with the FBI could endanger her extended family and has almost resolved to leave the bureau as a result Agent Streeter Pierce who harbors an affection for Liv that sometimes transcends the professional comes up with an unorthodox plan to keep her around she can investigate a cold case that's especially important to her the kidnapping and murder of her ten year old niece Brianna Liv jumps at the chance but her focus on finding Brianna's killer is soon diluted Piece by piece the case reveals itself to be just one point in a harrowing series of murders Spanning decades and the country the web of crime Liv uncovers causes her to question everything including the integrity of her own colleagues www.sandrabrannan.com
