Long Road To Teatime:

I, Clodia, and Other Portraits Anna Jackson, 2015-02-01 *I Clodia* is the story of Clodia Metelli poet and lover and her relations with her far away paramour Catullus her husband Metellus Celer her brother Publius Clodius and her accuser Cicero By giving Clodia the Lesbia of Catullus's famous love poetry her own first person narration Anna Jackson upends and reinvigorates the beloved classical sequence with biting wit and tender attention Who was Clodia and what did she think about the affair the gossip the scandal the poems Jackson honors and subverts her source material in lines that are a marvel of ventriloquism The book's second section *The Photographer's Secret* furthers this superb exploration of voice and portrayal The photographer in this sequence reads writes gives presents and considers the art of portraiture But who is examining and who is being examined Above all else Anna Jackson takes us within and without a range of characters in her characteristically witty style sometimes mock breathless sometimes dryly pointed and always clever stylish and emotionally engaging

Pasture and Flock Anna Jackson, 2018-03-08 Uneasy nights out with dead Russian poets dalliances with German gasfitters and emotionally fraught games of badminton are brought together for the first time along with a brand new body of work in this time spanning selection of Anna Jackson's poetry Local gothic suburban pastoral and answerings back to literary icons are all enhanced by Jackson's light hand and sly humour Pastoral yet gritty intellectual and witty sweet but with stings in their tails the poems and sequences collected in *Pasture and Flock* are essential reading for both long term and new admirers of Jackson's slanted approach to lyric poetry

the hands of a woman she's never met Susan Marley faces a bleak Christmas on her own in Worthing The families she usually spends the holiday with are all busy doing other things this year She can share some of the joys of the season whilst looking after their children but this only serves to exacerbate her own loneliness Will Emily ever be reunited with her family again Or is she like Susan destined to be all alone for Christmas

Amongst Monkeys Narendran, Getting into one of the country's top management schools is hard Dreams are many Expectations are high So what happens when a budding leader from one of India's famous Public sector company ends up there hoping IIM A is all about leadership And then his dreams start to crumble There's probably no one who can narrate those feelings better than Naren a simple student at IIM Ahmedabad His journey through a fiercely competitive world that is the most premier management school in India is by turn thoughtful poignant and hilarious sometimes laced with sadness And it quickly becomes apparent that it is not what he was looking for And the pressure of memories of unrequited love and the expectations of everyone around make things that much harder The course is tough The hours are long Grades are hard to come by Is all lost Or is there a treasure left for Naren to take back
