Wallmann, 1999 Wallmann s sweep through the western is a careful incisive and blessedly non theoretical examination of the implications of the western from the beginning to the present taking the reader deep into the heart of the subject and offering original and perceptive theories of how the western reflects the evolution of America **BOOK JACKET** **Hyderabad, British India, and the World** Eric Lewis Beverley, 2015-06-01 This examination of the formally autonomous state of Hyderabad in a global comparative framework challenges the idea of the dominant British Raj as the sole sovereign power in the late colonial period Beverley argues that Hyderabad s position as a subordinate yet sovereign minor state was not just a legal formality but that in exercising the right to internal self government and acting as a conduit for the regeneration of transnational Muslim intellectual and political networks Hyderabad was indicative of the fragmentation of sovereignty between multiple political entities amidst empires By exploring connections with the Muslim world beyond South Asia law and policy administration along frontiers with the

colonial state and urban planning in expanding Hyderabad City Beverley presents Hyderabad as a locus for experimentation in global and regional forms of political modernity This book recasts the political geography of late imperialism and historicises Muslim political modernity in South Asia and beyond *South Asian Borderlands* Farhana Ibrahim, Tanuja Kothiyal, 2022-02-03 This is an interdisciplinary volume exploring a range of historical anthropological and literary ideas and issues in South Asian Borderlands Going beyond the territorial and geo political imaginaries of contemporary borderlands in South Asia chapters in this book engage with the questions of sovereignty control policing as well as continuing affections across politically divided borderlands Modern conceptions of nationhood have created categories of legality and illegality among historically socially economically and emotionally connected residents of South Asian borderlands This volume provides unique insights into the interconnected lives and histories of these borderland spaces and communities *River of the World* Chaz Brenchley, 2008-03-25 The two cities of Maras and Sund are bound by an otherworldly bridge the Marasi used to conquer the Sundain With their own magic over the water diminished the Sundain's only hope for liberation lies with a man of limitless but untested power Possessing an affinity for water unparalleled by any of his people Issel has led a small band of resistance fighters across the river from Sund to Maras in an attempt to break the magic binding the lands But after taking refuge in the cistern network beneath the city Issel finds his abilities overwhelmed in the presence of so much water and threatening to tear him apart The rebels find an ally in Jendre the daughter of a general in Maras's army who has her own vendetta against the regime Her sister is held captive along with others whose life essences power the magical bridge between her land and Sund Under other circumstances they would have been enemies But in these extreme times Issel and Jendre are the last hope of their two suffering peoples Makes good use of its Arabian Nights like ambience to create a visually stunning background for a story of courage loyalty and great sacrifice Library Journal A lively adventure in which the paths to survival and morality frequently diverge Publishers Weekly
