The Incredible Survival of
Captain Scott's Lost Party

Longest Winter:

The Longest Winter Meredith Hooper, 2011-10-01 Through the eyes of the men involved Meredith Hooper recounts one of the greatest tales of adventure and endurance which has often been overshadowed by the tragedy that befell Scott. Their tents were torn, their food was nearly finished, and the ship had failed to pick up the members of Scott's Northern Party as planned. Gale force winds blew bitter with the cold of approaching winter. Stranded and desperate, Lieutenant Victor Campbell and his five companions faced disaster. They burrowed inside a snowdrift, digging an ice cave with no room to stand upright but space for six sleeping bags on the floor: the three officers on one side, the three seamen on the other. Circumstances forced them closer together; their roles blurred, and a shared sense of reality emerged. This mutual suffering made them indivisible, and somehow they made it through the longest winter. To the south, the men waiting at headquarters knew that Scott and his Polar party must be dead and hoped that another six lives would not be added to the death toll.

Working from diaries, journals, and letters written by expedition members, Meredith Hooper tells the intensely human story of Scott's other expedition.

The Long Dark Winter's Night Patrick Bergquist, 2010-01-01 Before Father Patrick Bergquist moved to Alaska, he imagined himself spending his free evenings wrapped in a warm quilt, reading a novel after a novel during the long arctic winters. Those idealized expectations were met with the unavoidable reality of winter's harshness: a pervasive darkness that made it neither realistic nor helpful to merely wait out the winter and hope for spring. And yet, says Bergquist, this is what we as a Catholic Church are tempted to do in the enduring darkness of the sexual abuse crisis: We want to wrap ourselves in the secure blanket of tradition and memory, thinking that this crisis too will pass or, worse still, that it has already passed. Bergquist admits he is but a simple parish priest, no saint and surely no scholar. But it is precisely his perspective as a parish priest that gives rise to his poetic and prophetic voice. He speaks from his heart, soul, and experience in a way few others have done. He names and validates the pain and fear, the hopes and dreams that so many of us share. **The Long Dark Winter's Night** is both realistic and helpful. Patrick Bergquist was ordained in 1990. He is a diocesan priest of the Missionary Diocese of Northern Alaska and has been pastor of St. Raphael Catholic parish in Fairbanks since 1998.

The Longest Winter Meredith Hooper, 2010-10-14 Scott's Northern Party played an integral role in his iconic last expedition, but how did they survive? Through the eyes of the men involved, Meredith Hooper recounts one of the greatest tales of adventure and endurance which has often been overshadowed by the tragedy which befell Scott. Their tents were torn, their food was nearly finished, and the ship had failed to pick them up as planned. Gale force winds blew bitter with the cold of approaching winter. Stranded and desperate, the six men of the Northern Party faced disaster. Searching out a snowdrift, they burrowed inside. Lieutenant Victor Campbell drew a line across the floor in the gloom to establish naval order: three officers on one side, the three seamen on the other. A birthday was celebrated with a carefully hoarded biscuit, and they sang hymns every Sunday, so what kept these men going? Circumstances forced them closer together; their roles blurred, and a shared sense of reality

emerged This mutual suffering made them indivisible and somehow they made it through the longest winter To the south the men waiting at headquarters knew that the Polar Party must be dead and hoped that another six men would not be added to the death toll Working from expedition diaries journals and letters written by expedition members Meredith Hooper tells the intensely human story of Scott's other expedition
