Longing For God:

Longing for God Richard J. Foster, Gayle D. Beebe, 2009-03-11 Introduces key figures from Christian history Combines academic story and practical experience Offers spiritual application in each chapter Each chapter is sub divided into smaller sections for ideal devotions Experiencing the love of God gives us a taste of his goodness but often those moments are fleeting Our awareness and understanding fade while our longing to experience him again increases Here you can begin to fill that longing by developing your capacity to receive and respond to God's love Spiritual formation is the process through which one's inner self is opened to the work of the Holy Spirit who forms us into the image of the Son Here Richard Foster and Gayle Beebe both experienced leaders in spiritual formation introduce you to people from the past who have known God deeply Each person helps you to grasp one of the seven primary paths to intimacy with God that have been developed throughout Christian history Written in short segments each surrounding a key figure *Longing for God* is ideal devotional reading

The Furious Longing of God Brennan Manning, 2009-03-01 Imagine a stormy day at sea your ship yielding to a relentless wind pummeled by crashing waves subject to the awesome force of nature A force that is both fierce and majestic A power that is nothing short of furious Such is God's intense consuming love for His children It's a love that knows no limits and no boundaries A love that will go to any lengths and take any risks to pursue us Renowned author and ragamuffin Brennan Manning presents a love story for the brokenhearted For those who are burdened by heavy religion For those who feel they can never measure up It is a provocative and poignant look at the radical no holds barred love of our Heavenly Father It is a message that will forever change how you view God *Longing for God* Richard J. Foster, Gayle D. Beebe, 2009

How Long Is God's Nose? John Timmer, 1997 Just how long is God's nose anyway And why would that have anything to do with controlling your temper Why are you better off owning a dog or a cat than a pet walrus Is the Big Dipper just a constellation or a story of compassion written in starlight You'll find the answers in this delightful collection of children's sermons by storyteller John Timmer Bible story and fairy tale true life and myth Timmer shares each in turn in ninety jewel like messages that children ages 5-9 will take to heart and whose freshness and imagination youth workers teachers and parents will love **Alert for Signs: Seeing and Praying through Advent** Titus Presler, 2007 *Longing for God*

Paulsell, William O., 2021 A survey of the life and thought of Christian mystics from the time of Augustine of Hippo in the first centuries of the Church through mediaeval times and up to the middle of the twentieth century with Dorothy Day and Thomas Merton *Longing for God* Richard J. Foster, 2014-05-10 Richard Foster and Gayle Beebe both experienced leaders in spiritual formation introduce you to people from the past who have known God deeply Each person helps you to grasp one of the seven primary paths to intimacy with God that have been developed throughout Christian history *Furnace of the Heart* Sister Margaret Magdalen (CSMV.), 1998 Each of us is born with an innate longing for the God in whose image we are made This book explores the many facets of this longing beginning with the very nature of longing itself It challenges us to

enter into the pain and the joy of longing and to dare to respond to God's call to plunge into the abyss of love and share in the compassion of Christ. It draws on the wisdom of the Early Fathers, the Spiritual Classics as well as contemporary writers in spirituality. *Furnace of the Heart* will speak powerfully to all of us who are hungering after God. Uncharted John Paterson, 2020-07-13 This book takes over from where my first book left off. *WHERE ARE YOU?* Was about being able to know where you are on life's journey. This second book is very much about the journey itself, the inner journey which remains uncharted. Incarnate Michael Frost, 2014-02-10 The church is to be the hands and feet of Christ in the world, showing and telling the kingdom of God. But this incarnational mission is challenged by numerous excarnational forces pulling us ever inward and selfward. In this prophetic cultural study, missiologist Michael Frost helps us find our way back to the mission of God. *Meeting the Shadow on the Spiritual Path* Connie Zweig, 2023-05-23 A guide to rekindling spiritual inspiration after betrayal and disillusionment. Explains why we are drawn to charismatic leaders, what we unconsciously give away to them, and how to reclaim our inner spiritual authority. Explores how to recover from spiritual abuse or betrayal by a teacher or group, including breaking free of denial, projection, and dependency using psychology and shadow work. Extends MeToo into the spiritual domain and tells the stories of contemporary clergy and spiritual leaders who acted out their shadows in destructive ways, leaving their followers traumatized and lost. Within each of us is a spiritual longing that prompts us to unite with something greater than ourselves, to awaken to our unity with all of life. Yet no matter the spiritual path we choose, we inevitably encounter our own shadow, those unconscious aspects of ourselves that we suppress or deny, or the shadows of our teachers and their secret desires about money, sex, and power. Meeting the shadow can derail the journey, but according to Connie Zweig, Ph.D., we can learn to recover from loss of faith and move from spiritual naivete to spiritual maturity. Calling on us to expand our vision of religious and spiritual life and our vision of awakening to include the human shadow, Zweig examines the yearning that sets us on the spiritual path, showing how it can lead to ecstatic, transcendent experiences or to terrible suffering by projecting it onto an authoritarian teacher, priest, or guru who abuses power. She tells the stories of renowned teachers: Sufi poet Rumi, Hindu master Ramakrishna, and Christian saint Catherine of Siena, whose lives unfolded as they followed their spiritual yearning. And she tells the cautionary tales of contemporary teachers of Buddhism, Hinduism, and Catholicism who acted out their shadows in devastating ways, leaving their followers traumatized and lost. She explains how meeting the shadow is a painful but inevitable stage on the path to a more mature spirituality. She describes how to use spiritual shadow work to separate from abusive teachers, reclaim inner spiritual authority, and heal from betrayal. With guidance for both inspired and disillusioned seekers, the author explores how to navigate the narrow path through the darkness toward the light, rekindle the flame of longing, and once again engage in fulfilling spiritual practice. *The Cognitive Neuroscience of Religious Experience* Patrick McNamara, 2022-06-09 The Cognitive Neuroscience of Religious Experience, now updated and expanded in a new edition, updates key topics covered in the first edition, including decentering

and self transformation supernatural agent cognitions mystical states religious language ritualization and religious group agency It expands upon the first edition to include major findings on brain and religious experience over the past decade focusing on methodology future thinking and psychedelics It provides an up to date review of brain based accounts of religious experiences and systematically examines the rationale for utilizing neuroscience approaches to religion While it is primarily intended for religious studies scholars people interested in comparative religion philosophy of religion cultural evolution and personal self transformation will find an account of how such transformation is accomplished within religious contexts
