A People's History of Poverty in America Stephen Pimpare,2011-06-07 Tens of millions of Americans currently live in poverty more and more of them in extreme poverty But the words we use to describe them tend to obscure rather than illuminate the human lives and real life stories behind the statistics A sympathetic social history that allows poor people past and present to tell their own remarkably similar stories Booklist A People's History of Poverty in America movingly brings to life poor people's everyday battles for dignity and respect in the face of the judgment control and disdain that are all too often the price they must pay for charity and government aid Through prodigious research Stephen Pimpare has unearthed poignant and often surprising testimonies and accounts that range from the early days of the United States to the complex

social and economic terrain of the present A work of sweeping analysis A People's History of Poverty in America reminds us that poverty is not in itself a moral failure though our failure to understand it may well be **A People's History of the Vampire Uprising** Raymond A. Villareal, 2017-05-09 In this ambitious and wildly original debut part social political satire part international mystery a new virus turns people into something a bit more than human upending society as we know it This panoramic fictional oral history begins with one small mystery the body of a young woman found in an Arizona border town presumed to be an illegal immigrant disappears from the town morgue To the young CDC investigator called in to consult with the local police it's an impossibility that threatens her understanding of medicine Then more bodies dead from an inexplicable disease that solidified their blood are brought to the morgue only to also vanish Soon the U S government and eventually biomedical researchers disgruntled lawmakers and even an insurgent faction of the Catholic Church must come to terms with what they're too late to stop an epidemic of vampirism that will sweep first the United States and then the world With heightened strength and beauty and a steady diet of fresh blood these changed people or Gloamings rapidly rise to prominence in all aspects of modern society Soon people are beginning to be re-created willingly accepting the risk of death if their bodies can't handle the transformation As new communities of Gloamings arise society is divided and popular Gloaming sites come under threat from a secret terrorist organization But when a charismatic and wealthy businessman recently turned runs for political office well all hell breaks loose Told from the perspective of key players including a cynical FBI agent an audacious campaign manager and a war veteran turned nurse turned secret operative A People's History of the Vampire Uprising is an exhilarating genre-bending debut that is as addictive as the power it describes To 1865 Stanley I. Kutler, 1979 PRIMARY RESOURCE MATERIAL IN AMERICAN HISTORY *Voices of a People's History of the United States, 10th Anniversary Edition* Howard Zinn, Anthony Arnove, 2014-12-23 Selected testimonies to living history speeches letters poems songs offered by the people who make history happen but are often left out of history books women workers nonwhites Featuring introductions to the original texts by Howard Zinn New voices featured in this 10th Anniversary Edition include Chelsea Manning speaking after her 35 year prison sentence Naomi Klein speaking from the Occupy Wall Street encampment in Liberty Square a member of Dream Defenders a youth organization that confronts systemic racial inequality members of the Undocumented Youth movement who occupied marched and demonstrated in support of the DREAM Act a member of the Day Laborers movement Chicago Teachers Union strikers and several critics of the Obama administration including Glenn Greenwald on governmental secrecy **A People's History of American Higher Education** Philo A. Hutcheson, 2019-06-19 This pathbreaking textbook addresses key issues which have often been condemned to exceptions and footnotes if not ignored completely in historical considerations of U S higher education particularly race ethnicity gender and class Organized thematically this book builds from the ground up shedding light on the full diverse range of institutions including small liberal arts schools junior and community colleges black and white women's colleges black colleges and state

colleges that have been instrumental in creating the higher education system we know today

A People's History of American Higher Education surveys the varied characteristics of the diverse populations constituting or striving for the middle class through educational attainment providing a narrative that unites often divergent historical fields The author engages readers in a powerful revised understanding of what institutions and participants beyond the oft cited elite groups have done for American higher education

A People's History of American Higher Education focuses on those participants who may not have been members of elite groups yet who helped push elite institutions and the country as a whole

Hutcheson introduces readers to both social and intellectual history providing invaluable perspectives and methodologies for graduate students and faculty members alike

This essential history of American higher education brings a fresh perspective to the field challenging the accepted ways of thinking historically about colleges and universities

A People's History of World War II Marc Favreau, 2011-09-20

The most destructive war in human history World War II continues to generate an astonishingly rich trove of historical material writings and first person recollections which are essential to any appreciation of this most pivotal of historical events

A People's History of World War II brings the full range

of human experience during World War II to life through some of the most vivid accounts and images available anywhere. This concise and accessible volume includes first person interviews by Studs Terkel, rare archival photographs from the Office of War Information collection, propaganda comics from Theodore Geisel (Dr. Seuss), narratives of wartime experiences from writers including historian Howard Zinn, civil rights activist Robert L. Carter, and celebrated French author Marguerite Duras, and selections from the writings of some of the world's leading historians of the war, including John Dower, Philip Burrin, David Wyman, and Eric Hobsbawm. *A People's History for the Classroom* Bill Bigelow, Howard Zinn, 2008. Presents a collection of lessons and activities for teaching American history for students in middle school and high school. **Canada**

Since 1960: A People's History Cy Gonick, 2016-04-18. When Winnipeg's Cy Gonick started the magazine *Canadian Dimension* in 1963 to provide a home for the thinking and analysis of mostly young leftists engaged in Canadian economic, social, cultural, artistic, and political issues, he had no grand plan. But *Canadian Dimension* was welcomed by intellectuals, scholars, and students, and it proved enduring. Hundreds of Canada's leading figures of the left have contributed to its pages over the years, writing about every major topic in Canadian public life. This book offers an account of the most important developments in Canadian history from the sixties until today, as seen and interpreted by scholars and writers on the pages of *Dimension*. Each chapter reviews a major theme, such as Canada's relationship to the U.S., the development of our health care system, the dynamics of Aboriginal and non-Aboriginal relations, and the role of Canadian cultural work in shaping Canadian society. Taken together, the book provides a unique and broad perspective on virtually every significant event and development in recent Canadian history. Readers who know the magazine will find this book a compelling summary of how Canada changed in the past five decades and how the Left saw those changes and challenged them. Readers who discover *Canadian Dimension* through this book will find a multitude of compelling voices who challenge the dominant neoliberal thinking of mainstream Canadian intellectual life. The twenty-seven contributors from every part of the country are Greg Albo, Brenda Austin, Smith Chris Bailey, Evan Bowness, Mordecai Brienburg, Elizabeth Comack, Angela Day, Bryan Evans, Alvin Finkel, Peter Graefe, Judy Haiven, Larry Haiven, Trevor Harrison, Henry Heller, David Hugill, Peter Kulchyski, Andrea Levy, James McCorrie, James Naylor, Bryan Palmer, Denis Pilon, Joe Roberts, Stephanie Ross, Arthur Schafer, Frank Tester, John Warnock, and Chris Webb. **American History Unbound** Gary Y. Okihiro, 2015-08-25. *American History: Asians and Pacific Islanders* is a survey history of the United States from its beginnings to the present, as revealed by Asian American and Pacific Islander history. As such, this textbook is a work of history and anti-history, a narrative and an account at odds with most standard versions of the nation's past. When seen from its margins, the U.S. is an island and an outcome of oceanic worlds, a periphery and a center, a nation and a nation among nations. Asian and Pacific Islander history transforms fundamentally our understanding of American history. Provided by publisher.
