Everybody's Magazine ,1922 **A Real Emergency** Joanna Sokol,2025-06-03 Introspective richly layered and surprisingly hopeful A Real Emergency is a love letter from a paramedic to the best and worst parts of her career For fifteen years Joanna Sokol filled private notebooks with her confusion humor and anger toward the strange world of emergency street medicine As her career on the ambulance progressed she found herself taking notes on scraps of paper the backs of gloves and in the margins of EKG printouts She listened to her patients stories left food out for their pets and turned off the stove under their oxtail stews Once she read half a poem left in a dead woman's typewriter She learned about the history that brought ambulances into their current role as the caretakers of society's forgotten and spoke to her colleagues about their own experiences and perspectives Those reflections are collected here in a series of raw powerful essays about the state modern healthcare Sokol's life as a paramedic took her to three different counties the casinos and trailer parks of the Nevada desert the cozy beach town of Santa Cruz and eventually the crowded tenements of San Francisco's Tenderloin district There are no clear villains or heroes in Sokol's world only a group of patients and medics who are doing their best in a deeply broken system Combining impactful research compassionate reflections on her most memorable patients and the strong voices of her fellow paramedics Sokol takes readers deep into the everyday reality of 911 first responders offering insight empathy and a reminder of both the power and limitations of care Do I Look American? Gloria Mejia, In her book Gloria Mejia invites us to embark on a journey through history food language and the American dream exploring borders and shared humanity Each chapter begins with insights inspired by Maslow's hierarchy of needs and features reflections from diverse participants answering three key questions about what it means to be American As an immigrant she often pondered why American is primarily linked to the United States despite America being much broader Adapting to a new environment is

challenging for immigrants and their descendants This book aims to inspire you to embrace your cultural identity celebrate diversity and recognize our shared humanity **Analysis of English History** Charles William Adam Tait,1881 *In Search of Rain, From Motel Qu to Pittsburgh* Seyed Nourashrafeddin,2025-05-11 Imagine that you are a child who was born in a large family and during your childhood a revolution took place in your country and everything undergoes change and transformation and at the same time the country is involved in the longest war of the century and the worry and stress caused by the war has influenced everything so much that the next generation will call the children who spent their childhood in this era as the burnt generation Imagine that your mother is illiterate and your father is addicted to heroin and has been imprisoned and you have had to work for years of your childhood because of family problems In addition to these it gets to the point where you realize that you are suffering from vitiligo an incurable skin disease which gradually swallows your beauty and constantly bothers your soul What future did you imagine for yourself What happened to you after forty years **Congressional Record** United States. Congress,1981 *American Places* William Zinsser,2007 Setting out in the spring of 1990 to look for America when patriotic travel was suddenly back in fashion William Zinsser made first time pilgrimages to some of America s most cherished and visited historic sites Mount Rushmore Rockefeller Center Yellowstone National Park Pearl Harbor even the corny and obvious Niagara Falls At these and his other iconic destinations Zinsser unlearned cliché d assumptions and rediscovered fundamental truths about America Originally published in 1992 AMERICAN PLACES and the ideals that Zinsser discovers these places represent will never go out of fashion **The Dying Grass** William T. Vollmann,2015-07-28 The reading experience of a lifetime The Washington Post The National Book Award winner takes readers inside the epic fighting retreat of the Nez Perce Indians In this new installment in his acclaimed series of novels examining the collisions between Native Americans and European colonizers William T Vollmann tells the story of the Nez Perce War with flashbacks to the Civil War Defrauded and intimidated at every turn the Nez Perces finally went on the warpath in 1877 subjecting the U S Army to its greatest defeat since Little Big Horn as they fled from northeast Oregon across Montana to the Canadian border Vollmann s main character is not the legendary Chief Joseph but his pursuer General Oliver Otis Howard the brave shy tormented devoutly Christian Civil War veteran In this novel we see him as commander father son husband friend and killer Teeming with many vivid characters on both sides of the conflict and written in an original style in which the printed page works as a stage with multiple layers of foreground and background The Dying Grass is another mesmerizing achievement from one of the most ambitious writers of our time The Ladies' Repository ,1861 The idea of this women s magazine originated with Samuel Williams a Cincinnati Methodist who thought that Christian women needed a magazine less worldly than Godey s Lady s Book and Snowden s Lady s Companion Written largely by ministers this exceptionally well printed little magazine contained well written essays of a moral character plenty of poetry articles on historical and scientific matters and book reviews Among western writers were Alice Cary who contributed over a hundred

sketches and poems her sister Phoebe Cary Otway Curry Moncure D Conway and Joshua R Giddings and New England contributors included Mrs Lydia Sigourney Hannah F Gould and Julia C R Dorr By 1851 each issue published a peice of music and two steel plates usually landscapes or portraits When Davis E Clark took over the editorship in 1853 the magazine became brighter and attained a circulation of 40 000 Unlike his predecessors Clark included fictional pieces and made the Repository a magazine for the whole family After the war it began to decline and in 1876 was replaced by the National Repository The Ladies Repository was an excellent representative of the Methodist mind and heart Its essays sketches and poems its good steel engravings and its moral tone gave it a charm all its own Cf American periodicals 1741 1900
