Rittmann,S.M.

Perren,2012-12-06 The danger of infection remains the most serious drawback to internal fixation Prevention using all available prophylactic measures should be the central feature in every surgical department Though the infection rate may remain below the acceptable level of 2 % the infected patient derives little comfort from the large number of excellent results in other people We must discover the best way to offer these patients a favourable prognosis This should not be based on intuition but on clear proven guiding principles Planning the treatment for a patient whose internal fixation has become septic must decide between steps which may have advantages or disadvantages The disadvantage of the presence of a foreign body must be weighed against the advantage of rigidity The authors have taken up this challenge by planned animal experiments to study the healing of internally fixed fractures which have been infected with staphylococci They have shown that under stable conditions even massive infection did not destroy the healing process in cortical bone Even under these circumstances fracture union in the form of primary bone healing can occur even if with less regularity than in uninfected internal fixation **Prize Essays on Leprosy** John Ashburton Thompson,Sir James Cantlie,1897 Psychic Healing Sylvia Browne,2009-03-17 Sylvia Browne now gives us a marvelous book on self healing Largely made up of actual research trance transcripts from her guides this book is a must for those who have chronic physical problems but who cannot find relief from conventional medicine It s not meant to replace this type of treatment though but to augment it Sylvia also discusses her innovative and proven methods of healing relating to cell memory and morphic resonance Sylvia is one of the few deep trance mediums in the world today and the information that comes from her guides not only covers healing methods that give us the tools to heal ourselves and become more spiritual but also gives us insights into preventive methods that ensure health and well being so that we can live happier and healthier lives *New York Court of Appeals.
