Lord And Christ The Implications Of Lordship For Faith And Life:

Lord and Christ Ernest C. Reisinger,1994 **E.W. Kenyon and His Message of Faith** Joe McIntyre,1997 **Ethics of Decision** George Forell,2002-10-04 The objective of this short introduction to Christian ethics is to help the reader come to a clearer understanding of the Christian life in our age For this reason Christianity is presented against the background and within the context of other present day efforts to understand the meaning of life Whether he likes it or not man must make decisions He cannot choose not to choose He must find some principle that will enable him to live coherent life an integrating principle that will determine his ethical code **Lost Truths: How Evangelical Leaders Compromised Faith for Political Agendas** Rhett Vaughn,2025-04-14 Uncover the untold story of how evangelical leaders have strayed from their spiritual mission sacrificing biblical principles for worldly influence In Lost Truths you ll embark on a revealing journey that exposes the insidious ways political agendas have corrupted the fabric of Christianity Delving into the machinations behind closed doors this book uncovers the web of alliances financial incentives and power struggles that have led to a departure from core biblical teachings Evangelical leaders once revered as guardians of faith have become entangled in a pursuit of power amassing wealth and cozying up to politicians to advance their own agendas The consequences of this compromise are far reaching with devastating impacts on the lives of believers The erosion of trust the spread of misinformation and the undermining of moral authority have cast a shadow over the very essence of the Christian faith This book offers a wake up call challenging readers to confront these uncomfortable truths and hold evangelical leaders accountable for their actions **This Is My Story** Paul Beasley-Murray,2018-06-28 This Is My Story is an unusually fascinating account of one man s life It is a story of the making of a man initially written with grandchildren in mind Who was my grandfather What kind of person was he At another level it is a story of a growing faith telling how amidst the ups and down of life he has remained a soft hearted pilgrim At yet another level it is a story of the making of a leader who never stopped learning how to lead care preach and engage in effective mission Perhaps even more significantly it is also a story of a ministry in which the author never lost his sense of delight and privilege in his calling to be a pastor Finally as one who has at time been at the center of controversy it is an opportunity to tell my side of the story This is a book for pastors and for any Christian who wants the inside story of the pains and triumphs of a Christian leader **The Church in the Power of the Spirit** Jürgen Moltmann,1993-09-01 This book which in my opinion is Moltmann s best can be recommended on the basis that it contains challenging and creative insights that can be used by the discriminating reader in the service of church renewal Moltmann represents the theology of liberation at its best and those who wish to know more about this theology would do well to study this creative and searching theologian Donald G Bloesch Christianity Today Moltmann is perhaps unsurpassed among his contemporaries in keenness of insight and rhetorical power Daniel L Migliore Theology Today Moltmann presents a stirring vision which every Christian community could well ponder With a missionary emphasis he

seeks to help the reader face the question of the church's identity in the light of the contemporary political economic and social scene Religious Education

Fact and Faith David L. Bartlett, 2007-08-01 How shall we interpret the stories of miracles particularly the resurrection in this secular age The author calls us to look beyond the fact of a miracle to faith in what the miracle means To do this he tells us we must first of all try to understand what actually happened in history However he warns us that merely knowing what happened will not necessarily lead to vital Christian faith In developing his theme the author discusses the way in which each of the Four Gospels presents miracles the meaning of exorcism in the New Testament and today and the significance of the resurrection accounts Throughout the author suggests significant themes for preaching

No Longer Slaves Brad Ronnell Braxton, 2002 No Longer Slaves brings the ancient New Testament message into conversation with African American culture Twenty centuries after Paul penned Galatians American culture in general and American Christianity in particular continue to struggle with the problem of race relations Our challenges are not identical to those faced by Paul and the

Galatians Yet when one reads Galatians through the lens of African American experience striking similarities emerge In No Longer Slaves Brad Braxton helps us see that race relations is a central issue in Galatians Paul believes that Christ came in order to unite Jews and Gentiles The church was intended to be a multi ethnic community in which persons of different backgrounds co existed harmoniously Any effort to compel Gentiles to live as Jews is an invalidation of the freedom of the Gospel Galatians offers us a portrait of an early Christian leader and community sorting out complex social issues No Longer Slaves explores the concept of liberation in African American experience It entails a discussion of American slavery Rather than depicting African Americans simply as victims of the crimes of slavery and segregation Braxton describes the creative cultural and religious responses of African Americans to their oppression He employs a type of reader response theory that considers the experiences of the reading community as a lens through which texts are read His discussion of methodology exposes the reader to some of the issues in the current debate without becoming burdensome to the non specialist The remainder of the book is an interpretation of Paul s letter to the Galatians Although Braxton takes seriously the original context of Galatians and his exegesis engages the Greek text he offers a contemporary theological reading that privileges the history experiences and concerns of African Americans Those who are concerned about the connection between Christianity and ethnicity will find this interpretation intriguing and challenging Chapters in Liberation and African American Experience are Introduction Liberation Rationales and Definitions Blackness Biology and Ideology and African American Biblical Interpretation Chapters in A Reading Strategy for Liberation are Reader Response Criticism and Black and Womanist Theologies The Bible and Authority in Reader Response Criticism and The African American Christian Interpretive Community Chapters in Galatians and African American Experience are Introduction Historical Overview Interpretations and Conclusion Includes a bibliography Brad Ronnell Braxton PhD is the Jessie Ball DuPont Assistant Professor of Homiletics and Biblical Studies at Wake Forest University Divinity School in Winston Salem North Carolina He is an ordained Baptist minister and for five years served as Senior Pastor of Douglas Memorial Community Church in Baltimore Maryland

Christian Theology for a Secular Society Mark G. McKim, 2008-01-01 It s hard to be the only one That single sentence from a teenage congregant sums up the conviction that motivated Christian Theology for a Secular Society In these dying days of Christendom the reality that most Western Christians face is living out their faith as a minority in the midst of a culture that is at every level personal institutional and societal secular in nature While most living in Western societies still affirm belief in God and often other vaguely recognizable Christian beliefs these affirmations frequently have little to do with how daily life is lived The idea that the God best known to us in Jesus Christ is actually in charge of life is foreign For most Christianity simply does not form an overarching system of meaning that shapes life Instead life is lived largely without reference to God And to live any other way is often hard In this volume Mark McKim sets out to do theology in this context How does one explain the core historic Christian doctrines in a way that makes sense in a secular culture and in a way that will gain a hearing What does it mean to be the church in this new situation Throughout McKim asks the question so what as he relates Christian teachings to a secular society and to what is actually happening in the local church McKim s goal is to enable the singing of the Lord s song in the new and strange land of a secular society *Congressional Record* United States. Congress, 1980 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **The Institutes of Biblical Law** Vol. 2 R. J. Rushdoony, 2009-11-16 The relationship of Biblical Law to communion and community the sociology of the Sabbath the family and inheritance and much more are covered in the second volume The purpose of this second volume is to point men to God and His Word for the government of their lives and our world To serve and magnify God is the greatest of privileges and callings as is the reconstruction of all things in terms of the Word of God This after all is the purpose of life to be conformed to God Contains an appendix by Herbert Titus
