Oscar Wilde

Lord Darlington's Darling:

Lord Darlington's Darling Gayle Buck, 2002 Lord Darlington has been so busy with his family's dwindling estate he's had no time for society. When he absolutely must wed, he assumes it won't be too hard to find a suitable young woman but raising his younger orphaned siblings must come first. Abby Fairchild couldn't care less about finding a husband. But all of that is about to change. *Lord Darlington's Darling* Gayle Buck, 2015-01-11 Abby Fairchild is painfully shy. She can't bear the thought of enduring another London Season. Dutifully, she agrees with her stronger-willed sister that she should wed the worthy Lord Fielding. But then everything changes. Lord Darlington says he remembers her from last Season. His impulsive beautiful sister Lady Bethany wants to be her best friend. Abby's placid life is completely turned around, not the least by the promptings of her heart. She isn't used to asserting herself or making decisions. An unwise choice puts her at the mercy of an unscrupulous fortunehunter. But Lord Darlington isn't about to lose the lovely young woman he loves and intends to make his own. A Sleeping Beauty fairytale Regency Romance **Moral Complexities in Turn of the Millennium British**

Literature Mara E. Reisman, 2022-11-08 *Moral Complexities in Turn of the Millennium British Literature* offers a critical analysis of moral complexity and social responsibility in works by Kazuo Ishiguro, Patrick McGrath, Graham Swift, Andrea Levy, and Jeanette Winterson. Mara Reisman argues that through their writing, these authors reveal and upset literary, cultural, and political fictions and encourage readers to think carefully about language, power, community, and social justice. The book examines moral issues in two different ways: how books by these authors address morally complex social, political, and cultural issues, and how their books serve a moral function by challenging readers to be socially engaged. Reisman provides an in-depth analysis of *The Remains of the Day*, *Asylum*, *The Light of Day*, *Small Island*, and *The Daylight Gate* and uses these books to discuss twentieth and twenty-first century British politics and culture. These books address a wide variety of issues often associated with moral judgments: war, racism, adultery, maternal neglect, murder, professional misconduct, witchcraft, and religion. Despite this diversity and settings that range from the seventeenth century to the late twentieth century, these books include similar arguments about how empathy, personal responsibility, and civic engagement can create more productive social relations and a less divided world.

Windermere's Fan A Play About a Good Woman is a four act comedy by Oscar Wilde first produced 22 February 1892 at the St James's Theatre in London The play was first published in 1893 Like many of Wilde's comedies it bitingly satirizes the morals of society The story concerns Lady Windermere who suspects that her husband is having an affair with another woman She confronts him with it but although he denies it he invites the other woman Mrs Erlynne to his wife's birthday ball Angered by her husband's supposed unfaithfulness Lady Windermere decides to leave her husband for another lover After discovering what has transpired Mrs Erlynne follows Lady Windermere and attempts to persuade her to return to her husband and in the course of this Mrs Erlynne is discovered in a compromising position It is then revealed Mrs Erlynne is Lady Windermere's mother who abandoned her family twenty years before the time the play is set Mrs Erlynne sacrifices herself and her reputation to save her daughter's marriage The best known line of the play sums up the central theme
