A Treatise on Christian Banking Morten Bosterud, 2022-08-01 From a moral perspective all banking practice and theory can be seen as value driven Therefore there will be no such thing as value neutral banking activities and the application of Christian ethical and pastoral principles adds insights to the field of banking for all its involved stakeholders This book contributes to the specific scientific discourse of practical theology as this typically appears within the subfields of ethics and pastoral studies Christian ethics and pastoral principles as applied in banking make up a largely neglected area in the wider academic discourse found within practical theology and the research presented in this book contributes new knowledge to the field with particular emphasis on banking practice It is expected that the theories presented herein will be of interest for other scholars not only within the realm of practical theology but also in a cross domain perspective where scholars in a broad field of disciplines may find the research and academic positions of interest Such academic fields would include economics finance business administration sociology history anthropology and perhaps more This expectation may not least be derived from the increasing focus on Corporate Social Responsibility CSR as this has emerged over the last decades within the wider business realm in general whence the world of banking has followed suit Alongside this development an emergence of Islamic banking has been seen which has showed substantial growth and success

BOOK JACKET *Pride Goes Before Destruction* Matthew A. King, 2023-06-20 The exciting follow up to I Will Abolish the Bow Christianity Personhood and the End of Animal Exploitation *Pride Goes Before Destruction* takes a critical look at factory farming which is driven by humanity's pride towards animals Fitting to the title this relationship with animals has bled into human affairs as factory farming is responsible not only for animal cruelty but also for antibiotic resistance environmental destruction climate change and many other issues Matthew A King criticizes humanity's pride and offers a biblical solution to its consequences The New Covenant in Jesus Christ Bristling with persuasive historical evidence and thoughtful biblical interpretation King makes a compelling case for the inclusion of animals within the sphere of Christian moral consideration which can help heal humanity's fractured relationship with the

planet and even their own health Additionally this book answers many questions and offers supplemental material to build on the arguments established in *I Will Abolish the Bow* A Faith Embracing All Creatures Tripp York, Andy Alexis-Baker, 2012-11-09 What is the purpose of animals Didn't God give humans dominion over other creatures Didn't Jesus eat lamb These are the kinds of questions that Christians who advocate compassion toward other animals regularly face Yet Christians who have a faith based commitment to care for other animals through what they eat what they wear and how they live with other creatures are often unsure how to address these biblically and theologically based challenges In *A Faith Embracing All Creatures* authors from various denominational national ethnic and cultural backgrounds wrestle with the text theology and tradition to explain the roots of their desire to live peaceably with their nonhuman kin Together they show that there are no easy answers on what the Bible says about animals Instead there are nuances and complexities which even those asking these questions may be unaware of Editors Andy Alexis Baker and Tripp York have gathered a collection of essays that wrestle with these nuances and tensions in Scripture around nonhuman animals In so doing they expand the discussion of nonviolence peacemaking and reconciliation to include the oft forgotten other members of God's good creation

Veejack Robert F. Stamps, 2024-08-27 Parents the godless anti Bible Veejack religion is using the public schools and government funding to train our children family and friends to reject our Judeo Christian values and beliefs For the past forty years Judeo Christians have endured relentless assaults by news reporters talk shows politicians academics and educators media influencers and performing artists The assault targets Judeo Christian faiths by focusing on the negative inflammatory and predatory behaviors and activities of a minority of individuals in leadership positions These incidents are widely circulated by the anti Judeo Christian forces in attempts to demean the faiths and influence people to believe the whole Judeo Christian model is corrupt and should be abolished Realization that there is an external force targeting and tarnishing the Judeo Christian faiths fosters a secondary realization The external force attempting to destroy Judeo Christian faiths is actually a nontheistic often hedonistic and self destructive competing religion that dares not publicly announce its existence The media purposely ignores the significantly beneficial Judeo Christian activities that occur every day across the United States Judeo Christian activities such as molding moral behavior in youths educating oppressed and impoverished people providing free food shelter and health care to the indigent providing counseling visiting the sick infirm and elderly and those in hospice care assisting addicts to regain their freedom by helping them to eliminate dependence on addictive substances and calming gang violence These and a host of other unheralded and unreported positive Judeo Christian activities are ignored by the propagandists of the new religion The new religion and its media influencers portray the Judeo Christian faiths in the worst light possible The new religion's politicians legislate its religious beliefs into law The new religion's clerics functioning as journalists or researchers or academics or broadcast personalities paint a slanted negative one sided portrait of Judeo Christian faiths and praise the tenets of the new religion *Sourcebook for Sundays, Seasons, and Weekdays 2024*

Zeolla, 2007-03-01 This book studies different food groups with a chapter devoted to each major classification of foods First the Biblical evidence is considered then modern day scientific research Foods are classified as God given foods and non God given foods A healthy eating plan is composed of a variety of God given foods and avoids non God given foods Unlike other books on this subject this book does not promote a vegetarian diet since God gave us meat for food and meat eating is assumed throughout Scripture with no negative connotations Moreover meat poultry and fish can and should be included in a healthy eating plan The proposed eating plan is also designed to optimize hormones such as testosterone growth hormone and insulin This can produce dramatic differences in a person's health and well being and can lead to a gain in muscle mass and a loss of body fat It can also lead to improved athletic performance This book also looks at other aspects of athletic nutrition **The Animal's Agenda**, 2001 *The Routledge Handbook of Vegan Studies* Laura Wright, 2021-03-31 This wide ranging volume explores the tension between the dietary practice of veganism and the manifestation construction and representation of a vegan identity in today's society Emerging in the early 21st century vegan studies is distinct from more familiar conceptions of animal studies an umbrella term for a three pronged field that gained prominence in the late 1990s and early 2000s consisting of critical animal studies

human animal studies and posthumanism While veganism is a consideration of these modes of inquiry it is a decidedly different entity an ethical delineator that for many scholars marks a complicated boundary between theoretical pursuit and lived experience The Routledge Handbook of Vegan Studies is the must have reference for the important topics problems and key debates in the subject area and is the first of its kind Comprising over 30 chapters by a team of international contributors this handbook is divided into five parts History of vegan studies Vegan studies in the disciplines Theoretical intersections Contemporary media entanglements Veganism around the world These sections contextualize veganism beyond its status as a dietary choice situating veganism within broader social ethical legal theoretical and artistic discourses This book will be essential reading for students and researchers of vegan studies animal studies and environmental ethics *Apples in God's Eye* Orinio G. Opinaldo, 2010-02-25 Orinio Gregorio Opinaldo was born in Los Angeles and attended St Agnes Elementary and High School of which he is still an active member of that community in finances social justice and liturgy He has been a teacher for fortyfour years for LAUSD and has taught all elementary grades and served as resource teacher in art drama math writing and reading He was chosen as outstanding teacher from the Mayors Office when he taught at Fifty Second Street Elementary 1964 1989 nominated for the Disney teacher award when he taught at Forty Ninth Street Elementary 1989 2004 and selected as the 2008 Hero for Harmony Elementary School from LAUSD Board of Education 2005 2008 After twenty years of teaching he went to India to reflect on his first twenty years as a teacher and to plan for his next twenty during all of the 1983 84 school year During the next twenty years he spent six months in Botswana where he traveled to South Africa and Zimbabwe After retiring he set plans on what his next twenty years would be like in service to children and community He is the patriarch of twenty three members of his family of which eleven live with him He has sixteen grandchildren eight girls and eight boys and a long history of wonderful friends scattered throughout the world His greatest asset is his openness as a life learner He embraces new experiences and is always studying reading and listening but mostly observing the nuances of his own mind so that he can grow toward total freedom as a vegan and a humanitarian **A Layman's Ladder To Heaven Volume-I** Dr. Ashwin Drummond, 2022-10-29 The book A layman's ladder to heaven is a fundamental address to the nuances of Christianity It covers the whole gamut of events right from creation fall redemption and finally the end of the world How God created this world and man as mortal how sin emerged what is sin and how mortality turned into immortality The entrance of decay and death its causes and how to overcome it The love of God for the doomed race on account of sin and how to circumvent the impending doom and once again live life as mortals have been examined The book explains the plan of redemption How God has salvaged man from death through the crucifixion of Lord Jesus Christ on the cross of Calvary How through his death the price of sin was paid for the entire humanity What is the first and second death And everlasting life is also explained in a nutshell It is also explained how to tackle the various challenges in life We can overcome our daily problems by merely following the teachings of Jesus highlighted in the book Peace of mind

depression prosperity riches power health etc can be overcome How Lord Jesus can metamorphosize our lives to live a life of contentment and enjoy the blessings of the Lord Sharing and caring for the human race also finds a place in the book The emanating and focal point of all the miseries of life and who is responsible for it is also discussed Who is Satan and how he is trying to destroy our lives by bringing miseries tragedies sickness and suffering and how to overcome it How the Lord Jesus has defeated death and paved the way for man for eternal life Lastly the creation that has been soured by Satan has to come to an end Why how and when have also been explained Who shall enter the new eternal life what are the requirements for it and how we can achieve this distinction has a special place in the book What is the new sin free and eternal life where the obedient go is also covered The book in short is an answer to all our daily problems **Speaking Up for Animals** Lisa Kemmerer, 2015-11-17 Speaking Up for Animals highlights eighteen courageous members of a growing international animal advocacy movement that is overwhelmingly powered by women These remarkable activists take us with them as they lift factory farmed chickens and cows from quagmires of filth free gigantic sea lions caught in fishing gear and secure undercover footage of dogs crying for mercy on stainless steel vivisection tables In the process these dedicated women expose the many ways that most of us are complicit in the suffering and exploitation of animals and creatively suggest a variety of ways in which we might help bring change **Leaves of Healing** , 1902
