Sterling, 2004-03-01 Produced in association with the Museum of Broadcast Communications in Chicago the Encyclopedia of Radio includes more than 600 entries covering major countries and regions of the world as well as specific programs and people networks and organizations regulation and policies audience research and radio's technology This encyclopedic work will be the first broadly conceived reference source on a medium that is now nearly eighty years old with essays that provide essential information on the subject as well as comment on the significance of the particular person organization or topic being examined **What Did You Do During the War?** Richard

Griffiths, 2016-10-04 This book is a sequel to Richard Griffiths's two highly successful previous books on the British pro Nazi Right Fellow Travellers of the Right British Enthusiasts for Nazi Germany 1933-39 and Patriotism Perverted Captain Ramsay the Right Club and British Anti-Semitism 1939-1940 It follows the fortunes of his protagonists after the arrests of May/June 1940 and charts their very varied reactions to the failure of their cause while also looking at the possible reasons for the Government's failure to detain prominent pro Nazis from the higher strata of society Some of the pro Nazis continued with their original views and even undertook politically subversive activity here and in Germany Others finding that their pre-war balance between patriotism and pro Nazism had now tipped firmly on the side of patriotism fully supported the war effort

while still maintaining their old views privately Other people found that events had made them change their views sincerely And then there were those who frightened by the prospect of detention or disgrace tried to hide or even to deny their former views by a variety of subterfuges including attacking former colleagues This wide variety of reactions sheds new light on the equally wide range of reasons for their original admiration for Nazism and also gives us some more general insight into what could be termed the psychology of failure Heritage Comics Dallas Signature Auction Catalog #820 Ivy Press,2006-03
