Carroll,2015-03-08 This book contends that in Love s Labour s Lost Shakespeare sought to discover the ways in which the imagination uses and abuses language The author s critical reading shows that the characters are endowed with a wide variety of rhetorical disguises Each assumes that his verbal and social point of view is correct and the limitations and virtues of each viewpoint are explored as the drama unfolds In an elegant examination of theme and style Professor Carroll heightens the reader s awareness of Shakespeare s marvellously inventive use of language The author analyzes the different kinds of style the characters attitudes toward language the play s theatrical modes the frequent metamorphoses and the debates The term debate justified by Shakespeare s use of the medieval conflictus relates to both theme and structure The author finds that the conflicting theories about the proper relation of language and imagination are resolved stylistically and thematically only in the final Debate between Spring and Winter where the playwright reasserts the nature and value of good art Originally published in 1976 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published

by Princeton University Press since its founding in 1905 Love's Labour's Lost William Shakespeare, 1998 *Love's Labour's Lost* now recognized as one of the most delightful and stageworthy of Shakespeare's comedies came into its own both on the stage and in critical esteem only during the 1930s and 1940s after three hundred years of neglect by the theatre and undervaluation and misuse by critics The Introduction to this new edition pays particular attention to this process of rehabilitation The text based on the quarto of 1598 and taking full account of the extensive scholarly study that text has received over recent years rests on the hypothesis that the quarto goes back probably by way of lost quarto to an authorial manuscript representing the play in a state prior to fair copy If this is so the quarto takes on a special significance because through it we can watch Shakespeare in the act of composition improvising changing his mind and revising as his play develops under his hand The editor offers a number of new readings of difficult and disputed passages together with some suggestions about the way in which the play's notorious tangles may have come about A detailed commentary offers full and helpful guidance to the play's scintillating language *Roof over Love & Lust* Robert Leahy, 2009-03-25 Danny Roarke's thirty six year adventure through love and lust is reminiscent of Homer's *Odyssey* and Joyce's *Ulysses* The novel begins when Danny is a college senior during the final year of the radical 1960s He goes from college student to professional soccer player haunted by the Vietnam War to Cornell doctoral candidate enduring several turbulent relationships Eventually as a professor he develops a theory of genuine teaching at a small private university in Florida He defends his most inspired graduate student's career when she is denied tenure then both of their careers are sabotaged by two malcontent faculty members From rebellion in the free love Sixties to reconciliation as his parents age and die Danny's journey winds through his friends and extended family of brothers their wives and children Named for the Irish song *Danny Boy* and Daniel in the biblical lions den astrological implications develop as he encounters women from every zodiac sign Danny Roarke travels America Spain Mexico and Ireland in search of authenticity and one great love **Conjugal Love in India** Kenneth Zysk, 2021-11-01 The purpose of *Rati-stra* was to provide instruction and advice to young Hindu couples before and after they cohabit as a couple The desired outcome of lovemaking has always been according to Hindu law and custom the production of male issues *Conjugal love* or *Rati-stra* is the means to assure that auspicious result Kenneth Zysk's *Conjugal Love in India* is a study of traditional Hindu ideas about love in the domestic abode and deals with the two principal Sanskrit treatises on the subject *Rati-stra* and *Ratirama* These two works leaving no stone unturned cover every aspect of conjugal life from the finding and selection of a suitable pair to procreation With an introduction that situates the doctrine of conjugal love *rati-stra* and the texts that explain it in the history of brahminic scholasticism This work will help to elucidate aspects of Indian history and culture in the medieval and modern periods and will provide a good basis for comparative studies with similar themes in other cultures **Love and the Turning Seasons** Andrew Schelling, 2017-04-11 For thousands of years India has excelled at erotic love poetry and the genius of its devotional poetry often harnesses great energy and mystical insight It is in fact

often hard to tell whether the poets are offering poems of spiritual longing using the garment of love poetry or writing erotic poems in the guise of devotion Perhaps in a country where erotic sculpture routinely ornaments its many temples and the gods are known for their explosive sexuality this question has little meaning to these remarkable writers In their devotional traditions eroticism and mysticism seem inseparable This wonderful selection spans 2 500 years and includes work originally sung or recited by their well known bards Kabir Mirabai Lal Ded Vidyapati and Tagore There are also poems from the Upanishad from ancient Sanskrit poetry and Punjab folk lyrics The poets have largely emerged from the ranks of the dispossessed leather workers refuse collectors maidservants women orphans Their vision is of a democratic society in which all voices count much like American gospel and blues Shaker songs or the grand vision of Walt Whitman Often they faced persecution for speaking candidly or daring to speak of spiritual matters at all The notes include profiles of these legendary lives Several of these poets simply vanished absorbed into a deity or disappeared in a flash of purple lightening A few produced miracles most of them have clouds of mystery around them Andrew Schelling has drawn on the work of 24 other translators including Ezra Pound Robert Bly W S Merwin Jane Hirschfield and Denise Levertov to build what will be the finest anthology of India's erotic and spiritual poetry for the general reader ever assembled *Love's labours lost. Taming of the shrew* William Shakespeare,1881 *The Complete Concordance to Shakspeare* Mary Cowden Clarke,1845 Hermead: Philosophers Surazeus Astarius,2019-07-16 Hermead of Surazeus is an epic poem about the development of philosophy over 600 years in the lives and ideas of 26 of the greatest philosophers who contributed to the growth of civilization This single volume edition presents in 126 680 lines of pentameter blank verse the tales of Hermes Prometheus Kadmos Asklepios Zethos Hesiodos Thales Anaximandros Pythagoras Herakleitos Parmenides Anaxagoras Empedokles Leukippos Philolaos Demokritos Aristokles Platon Aristoteles Demetrios Phalereus Epikouros Arkhimedes Ktesibios Eratosthenes Krates Hipparkhos Philodemos and Lucretius **The Complete Concordance to Shakespere: Being a Verbal Index to All the Passages in the Dramatic Works of the Poet** Mary Victoria Cowden CLARKE,1845 **The Complete Concordance to Shakespeare** Mary Cowden Clarke,1878 **Of Love and Loss** Tom McAlindon,2022-02-24 A study of the poetry of Hardy Yeats and Larkin in relation to their shared preoccupation with time change and loss the most ancient and fertile theme in lyric and reflective verse known to earlier English poets as mutability Though the importance of the socio political and ideological context is in every case acknowledged the literary history context is viewed as primary hence the introductory survey of foundational Renaissance and Romantic poets with whose work Hardy Yeats and Larkin were thoroughly familiar Although a preoccupation with the subject of time and change in the work of these three poets is a critical commonplace no one has ever isolated it for special attention or used it to link them either together or with their historical predecessors This is an entirely new approach to their work The critical methodology employed is evidential and analytical rather than theoretical focussed throughout on the meaning and the mood of each poem and the distinctive individuality of each poet

Flickers of Light, Love, and Air Twila Jessop, 2017-07-28 All of us have heard that God hears the smallest whispers of the heart This author has always believed that we need to listen to those whispers We may see or hear them in our dreams at night or we may be nudged by a sudden inspirational moment in our waking hours We need to listen to these messages nourish them and welcome them with gratitude Whatever our background whatever our educational level whatever our work is about we are one with each other on many levels Hard times are good exercises that help us stretch and grow Like most this author has had her share of suffering and disappointment which only serves to make one thirsty for the truth When you read between the lines you may find a bit of truth or at least see a sign that says you are getting closer And then the dazzling light becomes a joy and a candle to help light the way **Glass! Love!! Perpetual Motion!!!** Paul Scheerbart, 2014-10-19 German writer critic and theorist Paul Scheerbart 1863 1915 died nearly a century ago but his influence is still being felt today Considered by some a mad eccentric and by others a visionary political thinker in his own time he is now experiencing a revival thanks to a new generation of scholars who are rightfully situating him in the modernist pantheon Glass Love Perpetual Motion is the first collection of Scheerbart's multifarious writings to be published in English In addition to a selection of his fantastical short stories it includes the influential architectural manifesto Glass Architecture and his literary tour de force Perpetual Motion The Story of an Invention The latter written in the guise of a scientific work complete with technical diagrams was taken as such when first published but in reality is a fiction albeit one with an important message Glass Love Perpetual Motion is richly illustrated with period material much of it never before reproduced including a selection of artwork by Paul Scheerbart himself Accompanying this original material is a selection of essays by scholars novelists and filmmakers commissioned for this publication to illuminate Scheerbart's importance then and now in the worlds of art architecture and culture Coedited by artist Josiah McElheny and Christine Burgin with new artwork created for this publication by McElheny Glass Love Perpetual Motion is a long overdue monument to a modern master Love's Labour's Lost William Shakespeare, 1906 *The English Change Network* Cristiano Broccias, 2013-07-05 This book introduces the notion of change construction and systematically studies within a Cognitive Grammar framework the rich inventory of its instantiations in English from well known structures such as the so called resultative construction to a variety of largely ignored types such as asymmetric resultatives sublexical change constructions and mildly causal constructions *Recreational Manual* Minnesota Emergency Relief Administration.
