tells another soul That s just the way of a woman Well why haven t you ever told me any of this before Did daddy know You mean did he know if I dated other men before he came along Of course he did Celia answered before Nylah could confirm or deny her question Why do you think he was so quick to propose He did so after three weeks of courting me you know Nylah smiled and shook her head She d heard the story many times It was ironic she thought She d dated a man for three almost four years and instead of proposing he d given her her walking papers Her mother on the other hand had gotten a marriage proposal in three weeks Nylah often wondered about women like her mother What did they possess that a man couldn t resist What secret did they have And how did it draw a man into a lifetime commitment so quickly Whatever special power or secret or trait it was she hadn t inherited it In fact it was just the opposite She seemed to be able to repel suitors with very little effort So who was he this other man Why didn t you marry him What happened between you all Nylah asked still flabbergasted that her mother had never even breathed a single word about someone who had obviously meant a great deal to her That s a story for another day and another time But I do know of a couple who had that kind of love you re carrying around in you for Satchel Your grandparents your father s mama and daddy I ve never seen two people more in love I think that s why your father was able to love me so and why I was so devoted to him He had the best example of what love was supposed to look and feel like and I did my best to be the kind of wife his mother was because lord knows my parents were a disaster If there were two people who didn t belong together it was my mother and father Nylah hadn t known her mother s parents But she smiled thinking back on the grandparents she did know her father s parents She d witnessed the love flow between them as effortlessly as waves crashing against an ocean shore It was a rare site to see Even as a child Nylah knew that there was something special about their union They fit like a pair of ultra soft leather gloves molded to your hands that s how closely and beautifully they melded into each other I want that mama I want that so bad Nylah said her throat convulsing as she swallowed the pain threatening to engulf her There s someone out there for you honey You just have to trust that I don t want someone mama I want the one I want what grandma and grandpa had What if I ve found the one What if it was Satchel What if I never feel for another man the way I feel for him It s been over a year and I haven t even mustered up enough interest to go on one date Give it time honey It ll be alright The right man will come along You will love again Celia placed her hand on her daughter s back and rubbed it as they sat on the front porch of the little craftsman style bungalow the Simmons had called home for four decades It was the home Nylah had grown up in Her mother had nursed her through all of her teenaged heartbreaks here They d had many talks right on the same concrete steps they sat on now She wasn t sure if it was fitting or pitiful that some twenty years later her mother was still nursing her through heartbreaks Nylah buried her face in her hands and exhaled heavily But will I love again like that mama she said tears silently coursing down her cheeks Will I love like that she repeated
