Marketing To Consumers With Disabilities:

Marketing to Consumers with Disabilities Joel Reedy, 1993 **Extend Their Reach**, 1999 **Disability and Digital Marketing** Jonatan Södergren, Niklas Vallström, 2025-06-13 This book explores how digital marketing can drive disability inclusion in consumer culture by addressing accessibility representation and research methodologies It offers practical and theoretical insights for academics practitioners and policymakers interested in marketing communication sociology and public policy The first part Digital Marketplace Accessibility examines strategies for reducing the digital divide including inclusive hiring practices and accessible platform development The second part Digital Representation focuses on how people with disabilities are portrayed in digital media It analyses topics such as aesthetics influencer marketing mental health advocacy and neurodiversity The third part Digital Methodologies highlights research approaches like netnography and offers reflections on methodological challenges when researching consumers with disabilities Contributors discuss practices for conducting ethical and inclusive research involving people with disabilities providing a roadmap for scholars The final part Poetic Epilogue takes a poetic turn offering an ecopoetic reflection on lived experiences of Alzheimer's disease This book encourages readers to reconsider disability as a complex and intersectional category It inspires marketers researchers and advocates to adopt more inclusive and socially conscious marketing practices ultimately contributing to a more equitable digital consumer culture **Critical Perspectives on Diversity, Equity, and Inclusion in Marketing** Ghadamosi, Ayantunji, 2022-05-20 Marketers have attracted criticism from advocates of marketing ethics for not giving equal attention to all consumers In other contexts other nomenclatures such as less privileged or low income consumers are being used to describe consumers However a critical view of the scope of the disadvantaged consumers shows that it is beyond having limited income and encapsulates all forms of limitations that prevent full inclusion in marketplace opportunities Critical Perspectives on Diversity Equity and inclusion in Marketing focuses on exploring diversity equity and inclusion in marketing as related to individuals groups organizations and societies It provides insight into consumption practices diversity inclusion limitations and their theoretical and practical implications Covering topics such as ethnic identity negotiation marketing implications and consumer vulnerability this premier reference source is an eclectic resource for business leaders and managers marketers sociologists DEI professionals libraries students and educators of higher education researchers and academicians **Essentials of Consumer Behavior** Debra L. Stephens, 2016-10-26 Essentials of Consumer Behavior offers an alternative to traditional textbooks for graduate students Shorter than competing books but no less rigorous it includes unique material on vulnerable consumers and ethics Balancing a strong academic foundation with a practical approach Stephens emphasizes that consumer behavior does not simply equate to buyer behavior She examines the thoughts feelings and behaviors that shape consumers attitudes and motivations in relation to brands products and marketing messages Providing a concise guide to the discipline the author covers key themes such as vulnerable consumers new technologies and

collaborative consumption The book is supported by a rich companion website offering links to videos and podcasts surveys quizzes further readings and more It will be a valuable text for any graduate student of consumer behavior or marketing as well as any interested consumers *Principles of Marketing* Dr. Maria Gomez Albrecht, Dr. Mark Green, Linda Hoffman, 2023-01-23 *Principles of Marketing* is designed to meet the scope and sequence for a one semester marketing course for undergraduate business majors and minors *Principles of Marketing* provides a solid grounding in the core concepts and frameworks of marketing theory and analysis so that business students interested in a major or minor in marketing will also be prepared for more rigorous upper level elective courses Concepts are further reinforced through detailed diverse and realistic company and organization scenarios and examples from various industries and geographical locations To illuminate the meaningful applications and implications of marketing ideas the book incorporates a modern approach providing connections between topics solutions and real world problems *Principles of Marketing* is modular allowing flexibility for courses with varied learning outcomes and coverage This is an adaptation of *Principles of Marketing* by OpenStax You can access the textbook as pdf for free at openstax.org Minor editorial changes were made to ensure a better ebook reading experience This is an open educational resources OER textbook for university and college students Textbook content produced by OpenStax is licensed under a Creative Commons Attribution 4.0 International License

Decolonizing Marketing Theory and Practice Hasan Gilani, 2024-11-22 In academic institutions worldwide the call to decolonize the syllabus curriculum and the entire university experience is growing louder and more urgent Yet the conversation must extend beyond blogs hashtags and social media trends This book dives deep into the critical need to challenge and transform the foundations of marketing education Addressing the urgent need for deeper conversations this book delves into the multifaceted process of decolonizing marketing theory and practice to foster a more inclusive field Through an insightful collection of contributions this book critically examines the entrenched roots of colonization capitalism and inequality urging us to move beyond simply adding non white authors and non Western case studies to the curriculum Decolonization should begin with a focus on inclusivity and equality progressing towards the recognition and exploration of diverse contexts and paradigms Through rigorous analysis and innovative perspectives this book identifies key areas in marketing pedagogy that require decolonization urging a move away from exclusionary practices and Western centric ideologies It identifies crucial areas where texts knowledge and contexts need to be decolonized advocating for a paradigm shift from a culture of exclusion and Western centric ideologies to one that embraces inclusivity and a broad range of philosophical perspectives from the non Western world Aimed at researchers and academics in the field of marketing this book offers a profound exploration of teaching and learning dynamics from a more inclusive and diverse perspective By fostering engagement with a wider audience it seeks to enrich the discourse around marketing education with a more nuanced and enriched perspective *Decolonizing Marketing Theory and Practice* is an essential resource for those committed

to creating a more equitable and comprehensive understanding of marketing in a global context Disability, Avoidance and the Academy David Bolt, Claire Penketh, 2017-07-14 Disability is a widespread phenomenon indeed a potentially universal one as life expectancies rise Within the academic world it has relevance for all disciplines yet is often dismissed as a niche market or someone else's domain This collection explores how academic avoidance of disability studies and disability theory is indicative of social prejudice and highlights conversely how the academy can and does engage with disability studies This innovative book brings together work in the humanities and the social sciences and draws on the riches of cultural diversity to challenge institutional and disciplinary avoidance Divided into three parts the first looks at how educational institutions and systems implicitly uphold double standards which can result in negative experiences for staff and students who are disabled The second part explores how disability studies informs and improves a number of academic disciplines from social work to performance arts The final part shows how more diverse cultural engagement offers a way forward for the academy demonstrating ways in which we can make more explicit the interdisciplinary significance of disability studies and by extension disability theory activism experience and culture Disability Avoidance and the Academy Challenging Resistance will interest students and scholars of disability studies education studies and cultural studies *Enlightened Marketing in Challenging Times* Felipe Pantoja, Shuang Wu, Nina Krey, 2020-09-17 This volume explores the interconnection of social political technological and economic challenges that impact consumer relationships new product launches and consumer interests Featuring contributions presented at the 2019 Academy of Marketing Science AMS World Marketing Congress WMC held in Edinburgh Scotland the theme of this proceedings draws from the Scottish Enlightenment movement of the mid Eighteenth Century which centered on ideas of liberty progress and the scientific method The core values of this movement are being challenged by the rapidly changing globally shifting and digitally connected world The contributions presented in this volume reflect and reframe the roles of marketers and marketing in incorporating and advancing the ideas of the Scottish Enlightenment within contemporary marketing theory and practice Founded in 1971 the Academy of Marketing Science is an international organization dedicated to promoting timely explorations of phenomena related to the science of marketing in theory research and practice Among its services to members and the community at large the Academy offers conferences congresses and symposia that attract delegates from around the world Presentations from these events are published in this Proceedings series which offers a comprehensive archive of volumes reflecting the evolution of the field The series deliver cutting edge research and insights complementing the Academy's flagship journals the Journal of the Academy of Marketing Science JAMS and AMS Review AMSR Volumes are edited by leading scholars and practitioners across a wide range of subject areas in marketing science **Marketing Ethics and Consumer Society** Athanasia Daskalopoulou, Natalia Yannopoulou, 2025-04-03 This unique new text explores marketing ethics the impact of marketing on consumers' lives and the wider social cultural and political context of marketing activities Taking a critical approach to

marketing practice the book discusses the growing sense of responsibility within the marketing discipline and addresses issues at the interface between marketing and society. Importantly for Marketing students it works to develop an understanding of the impacts that marketing can have on consumers' lives and the potential that future marketers have to shape contemporary society. Chapters cover marketing and advertising ethics, critical consumption, gender and race, brand activism, sustainability and corporate social responsibility and understanding and protecting the consumer. Case studies drawn from international contexts featuring real life and recognisable organisations are included in every chapter to bring the theory to life, enabling students to explore the ethical dilemmas and criticisms faced by organisations and consumers in contemporary society. Chapter outlines, learning outcomes, summaries and self-assessment questions cement learning whilst discussion questions aim to provoke interesting conversation. A much needed and relevant textbook that brings together all the key contemporary topics in marketing ethics, this should be core reading for advanced undergraduate and postgraduate students studying modules on marketing ethics, ethical marketing and sustainability and marketing and society. Online support materials include lecture slides and a test bank.
