Marquis De Sade Reader The Passionate Philosopher:

The Passionate Philosopher marquis de Sade, Margaret Crosland, 1993-01 **The Marquis de Sade Reader** marquis de Sade, 2000 The Marquis de Sade spent more than half his life in prison which gave him the excuse to take his revenge on society through evocations of sexual cruelty Excluded from normal life he developed an extremist vision of the world through stories dialogues and historical novels Included here are extracts from his major fiction including *Les Cents Vingt Journees de Sodome* *Justine* and the compulsively vicious *Juliette* Other titles by Margaret Crosland available from Dufour include *Sade's Wife* and *de Sade's Crimes of Love* **The Marquis de Sade and the Avant-Garde** Alyce Mahon, 2020-05-26 This is the first book to examine the cultural history of Marquis de Sade's 1740-1814 philosophical ideas and their lasting influence on political and artistic debates An icon of free expression Sade lived through France's Reign of Terror and his writings offer both a pitiless mirror on humanity and a series of subversive metaphors that allow for the exploration of political sexual and psychological terror Generations of avant garde writers and artists have responded to Sade's philosophy as a means of liberation and as a radical engagement with social politics and sexual desire writing fiction modelled on Sade's novels illustrating luxury editions of his works and translating his ideas into film photography and painting In *The Sadean Imagination* Alyce Mahon examines how Sade used images and texts as forms that could explore and dramatize the concept of terror on political physical and psychic levels and how avant garde artists have continued to engage in a complex dialogue with his works Studying Sade's influence on art from the French Revolution through the twentieth century Mahon examines works ranging from Anne Desclos's *The Story of O* to images texts and films by Man Ray Pier Paolo Pasolini Guillaume Apollinaire Jean Jacques Lebel and Peter Brook She also discusses writings and responses to Sade by feminist theorists including Angela Carter and Judith Butler Throughout she shows how Sade's work challenged traditional artistic expectations and pushed the boundaries of the body and the body politic inspiring future artists writers and filmmakers to imagine and portray the unthinkable *The Passionate Philosopher* marquis de Sade, 1991 For all his notoriety the Marquis de Sade must head the list of writers who are more talked about than read In this new representative selection Margaret Crosland encourages us to take a fresh look at his work Sade spent more than half his life in prison but for which he would have had scant cause to take his revenge on society through evocations of sexual cruelty Excluded from normal life he developed an extremist vision of the world through stories dialogues and historical novels Included here are extracts from his major fiction some of the devastating fantasies in *Les Cent Vingt Journees de Sodome* as well as episodes from *Justine* and from the compulsively vicious *Juliette* Yet in addition to his so called obscene writing Sade wrote with equal fervour about idealized people and democratic societies He was indeed a passionate philosopher a man typical in his own way of his times but eager to pass on to later centuries his incandescent ideas about human behaviour Following her Introduction Margaret Crosland provides astute commentaries on her selections and finally a Chronology and Bibliography BOOK JACKET Title Summary
