biblical marriage nor address every verse of Scripture or nuance in the union of two unique individuals it will present practical revelation that we pray you find useful in building your marriage and thereby empowering your family Beginning with the biblical foundation of marriage a foundation unaltered since God ordained it this book will take you on a journey that will reveal the genius of God s blueprint for marriage and ultimately His manifestation of the gospel in the institution itself As with all great institutions marriage and family are God s idea not mankind s He is the Creator and Sustainer and the purposes for which He creates and sustains a marriage are not mysterious He desires godly offspring In perpetuating the gospel of Jesus Christ through all generations and around the world God reveals time and again in His Word that the primary vehicle for the perpetuation of that Gospel good news is family Just as no person is perfect no family is perfect Here too in the ashes of divorce abuse and failed families God wishes to show Himself not only capable but eager to restore and heal We pray you will enjoy and profit greatly from the revelation God has given us on this important subject **Family & Faith** Dr. Pamela R. Samms, Dr. Robert O. A. Samms, 2011-04-18 Contemporary marriages are facing relationship challenges caused by the shift in recent decades from the traditional pattern of marriages and family relationships to the current form of companionship or partnership relationships This new system requires special strategies for families to survive Most people are unaware of the need for education in order to enjoy marital success Consequently about fifty percent of marriages in North America fail This book addresses this need and offers a few bold solutions by using lessons from Biblical families blended with current ideas from marriage professionals
