Marriage And Mental Handicap:

Marriage and Mental Handicap Janet Mattinson, 1975 Handicapped Married Couples Ann Craft, Michael Craft, 2023-07-05 Despite handicaps of low mental ability deprived backgrounds or psychiatric and physical disability most married couples with disabilities manage to give and receive much personal satisfaction and pleasure in their marriages This is of special interest to professionals and social workers who in the course of their jobs are called upon to give support and service to people with mental disabilities Originally published in 1979 Ann and Michael Craft had spent four years researching a sample of 45 marriages with at least one spouse with a mental disability In three quarters of the partnerships both spouses have a mental disability This was the largest group of married subjects with a mental disability studied in this country at the time and the Crafts conclusions were of considerable importance for with the recent trend towards normalization marriage was becoming a viable possibility for more and more people with mental disabilities The purposes of the study therefore were to give an account of the authors research concerning married couples with mental disabilities to suggest some ways in which service to such couples might be improved and to provide material for teaching purposes This book is a re issue originally published in 1979 The language used is a reflection of its era and no offence is meant by the Publishers to any reader by this re publication Disabled Persons and the Law Bruce D. Sales, D. Matthew Powell, Richard Van Duizend, 2013-06-29 **Mental Handicap and Sexuality** Ann Craft, 1987 **Human Sexuality** Vern L. Bullough, Bonnie Bullough, 2014-01-14 First Published in 1994 The purpose of an encyclopedia is to gather in one place information that otherwise would be difficult to find Bring together a collection of articles that are authoritative and reflect a variety of viewpoints The contributors come from a wide range of disciplines from nursing to medicine from biology to history and include sociologists psychologists anthropologists political scientists literary specialists academics and non academics clinicians and teachers researchers and generalists **Living with Mental Illness** Enid Mills, 2023-05-26 The Mental Health Act of 1959 marked a turning point in national policy on mental illness Originally published in 1962 this book reports a sociological survey of a group of people from an East London borough who entered a large mental hospital in 1956 and 1957 at the very time when a Royal Commission was preparing the report upon which the new legislation was based Living with Mental Illness shows what happened to these mental patients and to their relatives and tells of their reactions and impressions The impact of mental illness on their domestic and social circumstances is described as is the part played in their lives by the social services and the relationship between people s perceptions of mental illness and their attitudes to hospital is discussed Enid Mills considers the prospects for community care of the mentally ill in the borough studied and concludes as Professor Morris Carstairs says in his Foreword with a review of the difficulties which must be overcome if the transition is to be effected from an outmoded remote mental hospital system to a community based service which will be at once efficient and humane **Blessed Union** Sarah Griffith Lund, 2021-02-09 Mental illness impacts at least a quarter of all

blessed unions In this new book by the author of Blessed are the Crazy Sarah Griffith Lund opens up about depression and post traumatic stress disorder in her own marriage and shares stories of other couples who have been impacted by mental illnesses such as addiction anxiety autism spectrum disorder bipolar disorder eating disorders obsessive compulsive disorder postpartum depression schizophrenia suicidality and more Using traditional marriage vows as a framework for the book Blessed Union explores the challenges of loving in the midst of mental health challenges why it happens what we can do about it and how our faith is connected to mental illness This book reminds us that we are not alone and invites us to break the silence around marriage and mental illness Book includes a guided journal section with a dozen blank pages and prompts for deeper reflection
