Marriage As A Search For Healing:

Marriage A Search For Healing Jerry M. Lewis, 2013-06-17 This work reveals those key elements that make for greater bonding with couples in therapy The author believes that improvement in the couples he treats almost always involves greater closeness and the development of greater capacity for intimacy Change can come about in different ways for different couples For some insight appears to play to play an important role Learning about one s central problematic relationship of childhood and its re enactment with one s partner in adult life frequently involves also learning about the ways one subtly recreates this dysfunctional relationship structure For others improvement appears to be closely related to experiencing new ways of dealing with conflict This avenue of improvement relies in part on the understanding but even more on learning the approaches to conflict resolution It is as if these couples need to hear over and over again the recordings that document their insensitivities and consequent failure They must offer Each Other The Experiences That Are Emotionally Supportive And Crucial for emotional and physical health and also give life its meaning Finally the treatment approach outline also has significant effects on the therapists Indeed it may be difficult to know who learns most Involvement as a couples therapist may have all sorts of impact on the therapists and it will come as surprise that it is in the area of the therapist s capacity for intimacy that the greatest effect can be experienced *Marriage A Search For Healing* Jerry Lewis, 2013 First published in 1997 Routledge is an imprint of Taylor Francis an informa company

Emotional Safety Don R. Catherall, 2006-11-06 Emotional Safety is designed to help couple therapists identify and conceptualize the problems of their clients and to provide solutions focusing on the two central elements of emotion and attachment Problems occur in relationships when the partners no longer feel safe being open and vulnerable with each other Emotional Safety Viewing Couples Through the Lens of Affect enables couple therapists to recognize and articulate the emotional subtext of their clients interactions The emotional safety model is based on modern affect theory and focuses on the affective tone of messages in the areas of attachment and esteem The model allows therapists to address the subtle interplay of perceived threat and emotional reaction which underlies their clients difficulties and disrupts emotional safety
