

A romantic scene of a couple embracing on a mountain peak. The man is wearing a dark t-shirt and the woman is wearing a dark tank top. They are both looking out over a vast valley with rolling hills and mountains in the distance. The sky is a soft, hazy blue. The entire image has a warm, reddish-pink tint. In the top left and right corners, there are decorative, swirling golden lines.

to Bear it (Esprios Classics) Maud Churton Braby, 2019-11-19 Mrs Maud Churton Braby has achieved a remarkable success She has written an original book upon the most threadbare of all subjects in which she has been as witty as she is wise packed full of good sense sound morality and admirable advice It is a book naked and unashamed written by a woman of the world with the naive simplicity of an innocent child and arriving on the whole at conclusions worthy of any mother in Israel a book full of profound wisdom irradiated by a pleasant wit and suffused with the glow of a genuine human sympathy

Essays in Classical and Modern Hindu Law: Current problems and the legacy of the past John Duncan Martin Derrett, 1978 **Brides of the Buddha** Karen Muldoon-Hules, 2017-06-05 For young women in early South Asia marriage was probably the most important event in their lives as it largely determined their socioeconomic and religious future Yet there has been little in the way of systematic examinations of the evidence on marriage customs among Buddhists of this time and our understanding of the lives of early Buddhist women is still quite limited This study uses ten stories from the Avadanasataka the collection of Buddhist narratives compiled from the second to fifth centuries CE to examine the social landscape of early India The author analyzes marital customs and the development of nuns hagiographies while revealing regional variations of Buddhism in South Asia during this period *Marriage and Land Law in Shakespeare and Middleton* Nancy Mohrlock Bunker, 2014-07-30 Marriage and Land Law in Shakespeare and Middleton examines the dynamics of early modern marriage making a time honored practice that was evolving often surreptitiously from patriarchal control based on money and inheritance to a companionate union in which love and the couple's own agency played a role Among early modern playwrights the marriage plays of Shakespeare and Middleton are particularly though not uniquely concerned with this evolution observing the movement towards spousal choice determined by the couple themselves Through the late Elizabethan and early Jacobean period the role of the patriarch though often compromised remained intact the father or guardian negotiated the financial terms And in a culture that was still tied to feudal practices land law held a primary place

in the bargain This book while following the arc of changing marriage practices focuses on the ways in which the oldest determination of status land affects marital decisions Land is not a constant topic of conversation in the twenty one theatrical marriages scrutinized here but it is a persistent and omnipresent truth of family and economic life In paired discussions of marriage plays by Shakespeare and Middleton *The Taming of the Shrew A Chaste Maid in Cheapside All s Well That Ends Well A Trick To Catch the Old One Measure for Measure A Mad World My Masters The Merchant of Venice The Roaring Girl and Much Ado About Nothing No Wit No Help Like A Woman s* this book explores the attempts maneuvers intrigues ruses and schemes that marriageable characters deploy in order to control spousal choice and secure land Special attention is given to patriarchal figures whose poor judgment exploits inheritance law weaknesses and to the lack of legal protection and hence the vulnerability of women and men who engage the system in unconventional ways Investigation into the milieu of early modern patriarchal influence in marriage making and the laws governing inheritance practices enables a fresh reading of Shakespeare s and Middleton s marriage comedies *Quotation Location* Patricia McColl Bee, Walter Schneider, Canadian Library Association, 1990

Marriage Disputes in Medieval England Frederik Pedersen, 2000-01-01 Most information about medieval life comes from the records of the church courts of the province of York which date from the 14th century This work investigates cases involving a range of disputes including sex consent and violence

The Divinity of Sex Charles Pickstone, 2025-09-23 Overview In this fascinating new inquiry into contemporary culture Charles Pickstone a priest argues that the pervasiveness of sex in our society mirrors religion s former glory Indeed according to Pickstone sex has usurped religion s position on the spiritual pedestal In this time of increasing secularization our traditional views of sex have fallen by the wayside The religious right bemoans our so called hedonism as a retreat from religion and values Yet Pickstone challenges the belief that we have lost our spirituality and have become a world of lost souls damned for eternity His book provides a sober and lucid response to our concerns about where our society is headed Pickstone clearly demonstrates how we often describe sex in metaphors of natural and even supernatural phenomena The earth moves oceans swell and storms rage Moreover Pickstone argues we find in both sexual and religious passion the same transcendence of self that constitutes a spiritual experience Barriers break down as we are transported to another reality of ecstasy and heightened experience
