Merle M. Ohlsen

Marriage Counseling In Groups:

Marriage Counseling in Groups Merle M. Ohlsen, 1979 *The SAGE Encyclopedia of Marriage, Family, and Couples Counseling* Jon Carlson, Shannon B. Dermer, 2016-10-11

The SAGE Encyclopedia of Marriage Family and Couples Counseling is a new all encompassing landmark work for researchers seeking to broaden their knowledge of this vast and diffuse field. Marriage and family counseling programs are established at institutions worldwide yet there is no current work focused specifically on family therapy. While other works have discussed various methodologies, cases, niche aspects of the field and some broader views of counseling in general, this authoritative Encyclopedia provides readers with a fully comprehensive and accessible reference to aid in understanding the full scope and diversity of theories, approaches and techniques and how they address various life events within the unique dynamics of families, couples and related interpersonal relationships. Key topics include Assessment, Communication, Coping, Diversity, Interventions and Techniques, Life Events, Transitions, Sexuality, Work, Life Issues and more. Key features include: More than 500 signed articles written by key figures in the field; span four comprehensive volumes; Front matter includes a Reader's Guide that groups related entries thematically; Back matter includes a history of the development of the field, a Resource Guide to key associations, websites and journals, a selected Bibliography of classic publications and a detailed Index. All entries conclude with Further Readings and Cross References to related entries to aid the reader in their research journey.

The Wiley-Blackwell Handbook of Group Psychotherapy Jeffrey L. Kleinberg, 2015-06-22

Group Psychotherapy. Finally we have a book about group therapy that answers the question: Is there one book that covers the waterfront but is deep enough to provide more than just an overview of models and can actually help me become a better group therapist? This is such a book. International Journal of Group Psychotherapy. This volume reflects the expansion in the field of psychodynamic group psychotherapy that today incorporates a variety of theoretical perspectives. Leading experts from various countries provide the reader with a clear overview of the different approaches. In addition, there are chapters in this volume that deal with special populations and conditions of treatment. While providing a straightforward introduction to the plethora of material in the field, the volume will also serve as a comprehensive resource for any seasoned group psychotherapist. Howard D. Kibel, Professor of Psychiatry, New York Medical College and past President of the American Group Psychotherapy Association, USA. The Handbook of Group Psychotherapy is a user-friendly guide to conducting group psychotherapy in various settings and with different populations. It has been designed as a resource for new professionals, including graduate students in mental health, as well as more seasoned clinicians planning to integrate group psychotherapy into their work. Bringing together pre-eminent group psychotherapists from different theoretical perspectives and countries, the articles in this volume present their approaches to conducting groups with diverse populations in different settings. Written in straight-forward, jargon-free language, the articles directly speak to the needs of the mental health professional planning to begin a group or to strengthen an existing group. Whether combined with a formal

class in group techniques human relations or group dynamics or in an institute training group practitioners or read as part of one's own professional development this work is likely to advance the reader's clinical competency and strengthen their self confidence as a leader Using a personal style and speaking from years of experience the contributors provide hands on suggestions as to how a group leader really works From determining patient or client needs developing treatment goals and constructing a group to handling emergencies the contributors address the needs of the new group leader The articles also address issues of diversity and globalism as well as trauma and resiliency making this a truly post 9 11 contribution

Group Counseling Robert C. Berg, Garry L. Landreth, Kevin A. Fall, 1998 The fourth edition of this well respected text first published in 1979 is a timely and thorough revision of the existing material Group Counseling has done well over the years due in large part to its comprehensive history of group work as a counseling specialty the practical nature of the authors explanations the diversity of sources the authors draw upon and the international acclaim of Dr Landreth's work on play and filial therapy This text will provide both novice and experienced counselors with a framework from which to expand their group counseling skills and knowledge

Couples Group Psychotherapy Judith Coché, Erich Coché, 1990 The Coches teaching and professional therapists present a model of couples group psychotherapy conceptualizing treatment conducting group meetings incorporating this form of treatment into clinical practice and evaluating the success of the group and couples involved Annotation copyright Book

The Encyclopædia of Sexual Behaviour Albert Ellis, Albert Abarbanel, 2013-10-22 The Encyclopædia of Sexual Behaviour Volume Two is an encyclopedia of sexual behavior and covers topics ranging from the linguistic aspects of sex to sex life in Latin America sex in the literature and sexual love Laws on marriage and family and on sex crimes are also discussed along with sexual perversions and the art of loving Comprised of 52 chapters this volume first deals with Judaism's attitudes and teachings on sex particularly with regard to the sexuality of women nudity and prostitution The reader is then introduced to the connection between language and sex sex life in regions such as Latin American the Orient and the Soviet Union and the portrayal of sex in literature Subsequent chapters explore sexual love as opposed to altruistic love marriage and family living menopause and the menstrual cycle movement and feeling in sex the interrelationship of music and sex and the effects of nutrition and health on sexuality Other chapters focus on phallicism and sexual symbolism planned parenthood around the world the psychology of pornography human reproduction and sex in relation to race and Protestantism This book will be of interest to psychologists and psychiatrists

Six Group Therapies S. Long, 2013-06-29

The Counselor and the Group, Fourth Edition James P. Trotzer, 2013-08-21 This new more streamlined version of the 1999 third edition brings the existing materials and references up to date and omits information now readily available online and elsewhere The book is aimed at training group workers at the Masters level and may be used as a hands on text for group practitioners who are in the early stages of their group practice and or who want a resource that provides a structured problem solving approach to group work The book also features a specialty section on the

topic of organizing and conducting crisis intervention groups using the model developed by Trotze Handbook of Marital Therapy: A Positive Approach to Helping Troubled Relationships Robert P. Liberman, Eugene G. Wheeler, Louis A.J.M. de Visser, Julie Kuehnelt, Timothy Kuehnelt, 2013-11-21 In the treatment of marital problems behaviorally oriented and communication oriented approaches have been in conflict and seen as contrasting and unlikely bed partners Many therapists focusing on communication skills have felt that behaviorists were too structured and uncaring on the other hand behaviorists have considered humanistic therapists as being touchy feely vague and unfocused However in the Handbook of Marital Therapy Liberman Wheeler de Visser and the Kuehnelts have wedded these two potent approaches into an integrated framework that makes them loving bed partners With over a decade of experience in applying behaviorally oriented treatment to couples Liberman and his co authors have developed an educational model that focuses on teaching specific communication skills to couples The communication skills they describe have been used extensively in all types of marital therapy regardless of the therapist's theoretical orientation The unique contribution of this book is that the authors provide a step by step approach to teaching these communication skills within a behavioral framework Each chapter guides the therapist through the many issues and problems confronting him or her as a change agent This highly readable book is enhanced by a liberal use of case examples Emphasis is given to homework and structured sessions that focus on increasing specific communication skills in a sequential manner The advantages of working with couples in a group setting are discussed and concrete suggestions on how to manage these groups are clearly presented Handbook of Group Counseling and Psychotherapy Janice L. DeLucia-Waack, Cynthia R. Kalodner, Maria Riva, 2013-12-02 The most comprehensive and thoroughly researched text available on this topic Handbook of Group Counseling and Psychotherapy Second Edition underscores the notion that group work is improved through increased collaboration between researchers and practitioners Edited by renowned leaders in the field this thoroughly updated and revised Second Edition explores current literature and research and offers suggestions for practice in psycho educational counseling and therapy groups The Handbook is divided into five main sections current and historical perspectives best practices multicultural and diverse groups groups in special settings and an introduction to special topics

Marriage Counseling In Groups Introduction

In today's digital age, the availability of Marriage Counseling In Groups books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Marriage Counseling In Groups books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Marriage Counseling In Groups books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Marriage Counseling In Groups versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Marriage Counseling In Groups books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Marriage Counseling In Groups books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Marriage Counseling In Groups books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities

and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Marriage Counseling In Groups books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Marriage Counseling In Groups books and manuals for download and embark on your journey of knowledge?
