Marriage Disputes In Medieval England:

Marriage Disputes in Medieval England Frederik Pedersen, 2000-01-01 Most information about medieval life comes from the records of the church courts of the province of York which date from the 14th century This work investigates cases involving a range of disputes including sex consent and violence *Marriage Disputes in Medieval England* Frederik Pedersen, 2000-11-01 Intimate details about the personal lives of medieval people are frustratingly rare We seldom know what the men and women of the middle ages thought about marriage let alone about sex The records of the church courts of the province of York mainly dating from the fourteenth century provides a welcome light on private family life and on individual reactions to it They include a wide range of fascinating cases involving disputes about the validity of marriage consent sex marital violence impotence and property disputes They also show how widely the laws of marriage were both known and accepted *Marriage Disputes in Medieval England* offers a remarkable insight into personal life in the middle ages

Marriage Litigation in Medieval England Helmholz, R. H. Helmholz, 2007-03-26 This book tells one part of the long history of the institution of marriage Questions concerning the formation and annulment of marriage came under the exclusive jurisdiction of the church courts during the Middle Ages Drawing on unpublished records of these courts Professor Helmholz describes the practical side of matrimonial jurisdiction and relates it to his outline of the formal law of marriage He investigates the nature of the cases heard the procedure used the people involved and changes over the period covered all of which add to what is known about marriage and legal practice in medieval England The concluding assessment of canonical jurisdiction over marriage suggests that the application of the law was more successful than is usually thought

Franciscan Organisation in the Mendicant Context Michael J. P. Robson, Jens Röhrkasten, 2010 Emanating from the tradition of the Italian hermit communities the Franciscans developed organisational structures already early in their history allowing them to offer pastoral care on a wide scale This process of transition led firstly to constitutional structures as defined in the order's early legislation but it also occurred within relationship networks at different levels in the context of Church and papacy within the different European regions and before the background of the emerging Canon Law The term organisation has been given a wide definition in the articles published in this volume They offer a survey of general issues related to the structuring and running of religious orders as well as a number of case studies Comparisons with other mendicant orders offer an analysis of the issues in a wider context
