Sexual Reformation? Manitzta Kotze, Nadia Marais, Nina Muller van Velden, 2022-02-28 Inasmuch as sex and sexuality are not words often spoken from pulpits and in academic theological circles a vast number of utterances have been made in the name of so called Christian values and biblical views on sex and sexuality These are often given from moral ethical perspectives and seemingly very prescriptive who should have sex with whom when sex should take place which purposes sex should serve and especially when sex is wrong Moreover often there is little or no recognition of the complexities surrounding human sexuality resulting in what appears to be a blueprint for sexuality applicable to all persons This volume contains fourteen theological and ethical reflections by South African scholars on human sexuality with the aim of exploring what a sexual reformation within Christian dialogue might entail Presented in three sections namely systematic theological reflections biblical reflections and ethical reflections the essays represent a range of topics from a variety of perspectives Luther and marriage sexual abuse in the Catholic Church body theology and the sexual revolution reproductive technologies sexuality and reproduction reproductive loss hermeneutical choices and gender reformation in South Africa queer engagements with bra Joseph explorations on Paul and sex rape culture and violent deities the church's moral authority and sexual ethics practical theological considerations regarding infertility empirical research on masculinities in Zambia and the lived experience of transgender people in African Independent Churches

God's Amazing Grace: Reconciling Four Centuries of African American Marriages and Families Terry M. Turner, 2017-12-18 God's Amazing Grace Reconciling Four Centuries of African American Marriages and Families is an insightful study that will be welcomed by thoughtful practitioners and all who ponder the African American family's complexity Readers familiar with the deep rich reservoir of African American family literature will recognize many of the black scholars referenced in this work Readers unfamiliar with these sources will be grateful to discover them and the effective use of disparate literature This work will become a different kind of guide for studying American history through the lens of the African American family Underneath all the research is the search for answers to the compelling questions Is there a correlation between slave owners denial to slaves God's design for the family and the familial chaos that has plagued African American families for more than a hundred fifty years And if there is connection what is it The author has brought something new to a familiar topic of discussion the Bible The unique moral compass that steered this study is solidly anchored in the bedrock of holy scripture In this work the history and sociology of African American marriages are examined in light of the questions asked by Holy Scripture In so doing Dr Turner skillfully attempts to help readers make sense of the story of black families in America May this book mark the beginning to a new reality for African American families Dr Willie Peterson senior executive advisor adjunct professor of

Pastoral Ministries Dallas Theological Seminary **Covenant Marriage in Comparative Perspective** John Witte (Jr.), Eliza Ellison, 2005-10-20 Covenant marriages requiring premarital counseling and tighter strictures on divorce have recently emerged in some American states At the same time the doctrine of covenant has reemerged in religious circles as a common way to map the spiritual dimensions of marriage Covenant Marriage in Comparative Perspective brings together eminent scholars from Jewish Orthodox Catholic Protestant and Islamic religious traditions as well as experts on American covenant marriage The introduction carries out an unprecedented comparison of contract and covenant in Jewish Christian and Muslim understandings of marriage The rest of the book elucidates various facets of marriage from the perspectives of both jurisprudence and religion producing an enlightening integrated picture of the legal and spiritual dimensions of marriage

Crouse,2017-09-08 The desire for our children to be free from want and danger and to be able to enjoy their youth in innocence would seem to be universal Conventional wisdom says that parents in every socio economic level of society share the dream of preserving their children s innocence All want to provide a childhood and adolescence that shelters and protects children from the harshness of life and nurtures them until they are able to withstand the onslaught of reality One need only look at troubled areas of the world such as Northern Ireland parts of the Middle East or any number of other points on the globe to see how weak is any communion forged out of these universal desires for the welfare of children Even in the United States the competition of ideas and values about what represents the good society in which to raise our children is fierce as are differing views about the value of innocence and even life itself These differing ideas and values affect people s actions even when they have never reflected on them or have never cared enough to formulate those values into a coherent worldview Crouse contends that without morals children are at risk Moral boundaries not moral relativism provide a safe haven for children by preserving their innocence and protecting them from predators and pedophiles When authentic religious faith has been quashed children are no longer safe When the underlying values are wrong when there are no common values unifying a people even the best programs and most honorable of intentions are doomed to failure Well intentioned programs and policies inevitably fail miserably without an undergirding moral foundation as is documented by an abundance of data and the social trends in America today Equality and the Family Don S. Browning,2007 In Equality and the Family Don Browning pulls together essays he has published in the past in order to shed light on the path we should take in the future He contends that practical theology can be envisioned as a practical research program and he uses the very concrete example of the family to illustrate how this works Though it may sound unlikely that equality in the family can be based on Christian ideas Browning insists that it can and that it should His desire is to be pro family and pro marriage in ways that create justice and equality within the family Based on this goal he argues for the church s ideal model of the mother father partnership to be balanced with an understanding and acceptance of the pluralism of family forms as a part of modern life including church life A brief introduction of each essay is included to help the reader understand the original context of the piece **Engaged Couples Devotional** Tiffany Nicole,2025-06-17 Weekly devotions to help you build a strong marriage in Christ This engaged couple s devotional can help you strengthen your love your faith and your relationship with God and each other through inspiring Scripture and thought provoking questions The 52 brief weekly devotions offer you a chance to connect meaningfully and communicate honestly even when schedules are tight Insightful concise readings reveal the wisdom in each Scripture passage helping you both explore its teachings and apply them to your life Real life topics Examine every aspect of a healthy marriage with a couple s devotional that addresses conflict resolution morals finances intimacy and more Modern Christianity Uncover timeless lessons through a modern lens that provides lasting real world insights for today s Christian couples 52 weeks of bonding Delve into follow up activities after each week s
