Marriages Families Making Choices And Facing Change:

Woman, Marriage and Family Man Singh Das, Vijay Kumar Gupta, 1995 The book discusses about various issues related to women's adjustment, role, commitment, satisfaction, decision making etc in marital relations. In general, the book is a good source material for those who are doing research in the related field. *Divorce* Alison Clarke-Stewart, Cornelia

Brentano, 2007-11-02 This comprehensive book provides a balanced overview of the current research on divorce. The authors examine the scientific evidence to uncover what can be said with certainty about divorce and what remains to be learned about this socially and politically charged issue. Accessible to parents and teachers as well as clinicians and researchers, the volume examines the impact of marital breakup on children, adults, and society. Alison Clarke-Stewart and Cornelia Brentano synthesize the most up-to-date information on divorce from a variety of disciplinary perspectives with thoughtful analysis of psychological issues. They convey the real-life consequences of divorce with excerpts from autobiographies by young people and they also include guidelines for social policies that would help to diminish the detrimental effects of divorce.

Marriage, Family, and Intimate Relations Ronald G. Stover, Christine A. Hope, 1993 *21st Century Sociology: A Reference Handbook* Clifton D. Bryant, Dennis L. Peck, 2006-11-17 With this valuable handbook, the editors have successfully synthesized a field that has expanded considerably in recent years. M. L. Stark CHOICE Because the field of sociological inquiry is multifaceted in perspective and does subsume a variety of specialty interests, the literature in this discipline has developed and proliferated in a near exponential fashion. Sociology today has become so specialty-driven in its research and theory agenda that the result is an enormous and complex body of sociological knowledge that is often considered to be unwieldy. *21st Century Sociology: A Reference Handbook* provides a concise forum through which the vast array of knowledge accumulated particularly during the past three decades can be organized into a single definitive resource. The two volumes of this Reference Handbook focus on the corpus of knowledge garnered in traditional areas of sociological inquiry as well as document the general orientation of the newer and currently emerging areas of sociological inquiry. **Key Features:** Provides a timely and comprehensive assessment of the 100 specialty fields of sociology with contributions by leading authorities in their area of expertise from the U.S., Canada, Europe, and Singapore. Examines four distinct phases of development in the history of sociological inquiry: a period of theoretical development, the emphasis on methodological development and refinement, the phase of specialization, and a period that has taken representatives of the discipline into previously unexplored areas. Addresses the various traditional subfields of sociology such as political sociology, educational sociology, rural sociology, criminology, occupational sociology, and minority relations. Explores important new evolving subfields such as environmental sociology, sociology of sports and leisure, military sociology, medical sociology, the sociology of food and eating, and the sociology of emotions. *21st Century Sociology* presents the most comprehensive overview of modern sociology, making it a must-have resource for any academic library. **The Poetics of Intimacy and the Problem of Sexual**

Abstinence Michael J. Hartwig, 2009 This bold work asks whether traditional Christian sexual morality with its emphasis on sexual abstinence outside of heterosexual marriage is harmful Appealing to sociological studies anthropological theories and contemporary theological ethics Hartwig develops a model of sexual virtue around the concept of a poetics of intimacy and applies this model to particular challenges faced by the divorced married couples gay men and lesbians single adults and people with mental and developmental disabilities He concludes that mandated long term and lifelong sexual abstinence for those outside heterosexual marriage is not only harmful but compromises many features of Christian morality

Homosexuality and the Family Frederick. W. Bozett, 2020-12-15 Disproving the notion that homosexuals are antifamily this enlightening book details the variety of family forms in which gays and lesbians live and explores the effects of homosexuality on individuals in families and on the family as a whole Little in the professional literature addresses the combined topics of homosexuality and the family so practitioners academicians researchers and students in various disciplines counseling gay studies sociology human sexuality psychology social work law and medicine will discover a wealth of unique and useful material here Arranged in a life history sequence that moves from adolescence to adulthood this informative volume documents the responses of parents of gay children wives of gay men children of lesbian mothers and gay fathers about their family lives *Treating the Changing Family* Michele Harway, 1996 Receiving special attention are the structure dynamics and unique problems of families that do not fit the traditional mold Experts in these areas share their findings and provide clinical guidelines for treating bi nuclear single parent gay and lesbian and other nontraditional families

The Top Books of the Year Marriages Families Making Choices And Facing Change The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthraling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Marriages Families Making Choices And Facing Change : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
