Gospel Love, Marriage and Divorce Randall Lamb,2020-03-05 The centrality of God in all things is not a novel concept to Christianity at least not in theory For centuries it would appear that the Church has somehow allowed herself to remove the God centered gospel definition from marriage and has subsequently fashioned a culturally subjective definition of love marriage and divorce that has left God in many respects far from the center This book however will pay less attention to our own domestic legacies of love marriage and divorce It is more so about the church covenants conditions true fidelity perseverance God centered joy authenticity fraud legalism and apostasy It is a journey into the kingdom of God wherein the visible and invisible church along with love marriage and divorce all seem to collide with the gospel of glory and grace
