Married To The Game Married To The Game:

The Marrying Game Kate Saunders, 2007-04-01 The Marrying Game opens on Christmas Eve with four sisters at home worrying about money The setting is present day England and the girls father an eccentric aristocrat has just died leaving the Hasty family so impoverished that they are about to lose their splendid but crumbling house So the two oldest sisters Rufa tall elegant and too serious for her own good and Nancy a gorgeous irreverent redhead who relishes her work as a part time barmaid in the local pub decide that the way to redeem the family fortunes is to marry money Surely it can't be that hard to find two very rich men and make the men fall in love with them Thus begins a gloriously modern story that makes us genuinely care about the whole Hasty family As Rufa and Nancy set out to blaze a trail through London society they find that nothing in The Marrying Game turns out quite the way they've planned Married Games J.F.
