Stories Franz Kafka, 2018-12-04 A classic collection of twentieth century literature beloved the world over The Metamorphosis revolves around Gregor Samsa a travelling salesman who is suddenly transformed into a large insectile creature while asleep one night He and his family struggle to adapt to this change with Gregor attempting to hide his visage as much as possible and his family struggling to make ends meet without his paycheque The result is a bleak often absurdist take on the banality of everyday living This collection also includes Kafka's The Great Wall of China Investigations of a Dog The Burrow In the Penal Settlement and The Giant Mole Penguin Random House Canada is proud to bring you classic works of literature in e book form with the highest quality production values Find more today and rediscover books you never knew you loved **A Slice of the Dark and Other Stories** Karen Heuler, 2022-11-22 If you got a mysterious box that said Do Not Open would you open it If your fingers revolted and wanted a different job would you agree If you came from a race of giants or thought about becoming Death's lover or couldn't get rid of a lover no matter how hard you tried what would you do These stories contain unusual problems like finding your world growing dark after eating a piece of cake and maybe wanting more cake It's not hard to find yourself one step outside the normal as these characters do The trick is to make it work

consciousness idiosyncratic and vulnerable genuine in their irony wistful in their humor The portraits and landscapes here are observed with tenderness and from a place of great anxiety Some dwell on childish or transient topics carousels the latest hairstyles an ekphrasis of the illustrations in a picture book others on the grand themes of nature art and love But they remain conversational almost lighter than air Every emotion ventured takes on the weight of a sincerity that is imperiled as soon as it comes into contact with the outside world which retains all of the novelty it had in childhood and all of the danger Walser s speakers are attuned to the silent music of being students of the ineffable and neighbors to madness they are now exhilarated now paralyzed by frequencies inaudible to less sensitive ears *The German Lieutenant And Other Stories*
