Money like sex has been essential to the rise and development of civilization The first known writings were records of simple business transactions and later on money came to be used as a common denominator for all goods Current dealings with money have become infinitely more complicated than at the beginning of recorded history but its basic meaning is the same a medium underlying all goods and services in which comparative values are measured and by which they are acquired Certainly money is a vital and essential part of our everyday life It is hard if not impossible to conceive of any of us going through a single day's series of experiences without using it or one of its symbolic equivalents checks credit cards letters of credit IOU's scrip food stamps or what have you Both of us have had a longstanding interest in money in what it could and could not buy in investing spending and allocating Our personal interest in money antedated our professional training and our career pathways for we were people first before we became people who were therapists Mother Jones Magazine, 1986-04 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues **The 1989 Mediaguide** Jude Wanniski, 1989-03-15

Publishers Weekly, 1986 **Making It!** Steven C. Levi, 1990 **Economic Issues for Consumers** Roger LeRoy Miller, 1987 This text employs an issues approach to consumer economics Each chapter has one or two consumer issues that are highlighted through engaging real world examples These real world examples are highly applied aspects of everyday consumer situations **Professional Builder**, 1986
