American and popular morning tabloid Daily Mirror For this honest work Hollenbeck was attacked by conservative anti
Communists especially Hearst columnist Jack O Brian and in 1954 plagued by depression alcoholism three failed marriages

and two network firings and worried about a third Hollenbeck took his own life In his investigation of this amazing American character Ghiglione reveals the workings of an industry that continues to fall victim to censorship and political manipulation Separating myth from fact CBS's Don Hollenbeck is the definitive portrait of a polarizing figure who became a symbol of America's tortured conscience

The Origins of the Dual City Joel Rast, 2019-12-05 Chicago is celebrated for its rich diversity but even more than most US cities it is also plagued by segregation and extreme inequality More than ever Chicago is a dual city a condition taken for granted by many residents In this book Joel Rast reveals that today's tacit acceptance of rising urban inequality is a marked departure from the past For much of the twentieth century a key goal for civic leaders was the total elimination of slums and blight Yet over time as anti slum efforts faltered leaders shifted the focus of their initiatives away from low income areas and toward the upgrading of neighborhoods with greater economic promise As misguided as postwar public housing and urban renewal programs were they were born of a long standing reformist impulse aimed at improving living conditions for people of all classes and colors across the city something that can't be said to be a true priority for many policymakers today The Origins of the Dual City illuminates how we normalized and became resigned to living amid stark racial and economic divides
