

First they came for the Socialists,
and I did not speak out— Because
I was not a Socialist.

Then they came for the Trade
Unionists, and I did not speak out—
Because I was not a Trade Unionist.

Then they came for the Jews, and I
did not speak out—
Because I was not a Jew.

Then they came for me—
and there was no one left to speak
for me.

Martin Neimoller:

Pastor Martin Niemöller, Admiral Karl Dönitz, and the German Experience of the 20th Century Lawrence

Sondhaus, 2025-06-02 This book traces the remarkable lifelong friendship of Martin Niemöller the Evangelical minister who defied Hitler and Karl Dönitz the mastermind of Germany's submarine campaigns in World War II who ultimately succeeded Hitler. From their days as cadets at the German naval academy in the years 1910-1913 to their deaths in the early 1980s their story is full of ironies and unexpected twists. After World War I Dönitz served the Weimar Republic and shunned the far right while Niemöller briefly left his seminary studies to command a battalion in the right wing Freikorps. Then after World War II when Niemöller was hailed for his principled Christian resistance to Hitler and Dönitz indicted for war crimes Niemöller volunteered to help with his old friend's defense at the Nuremberg Trials. Finally late in life Dönitz a hero for unrepentant Nazis and Niemöller a world renowned pacifist frequently shared a table at navy class reunions throughout the 1960s and 1970s. In the end they and their friends and classmates learned to love their country in ways that differed from the chauvinistic nationalism of their youth. In this manner their lives were emblematic of the transformation of their generation and of Germany as a whole.

Then They Came for Me Matthew D. Hockenos, 2018-09-18 First they came for the Communists and I did not speak out. Because I was not a Communist. Few today recognize the name Martin Niemöller though many know his famous confession. In Then They Came for Me Matthew Hockenos traces Niemöller's evolution from a Nazi supporter to a determined opponent of Hitler revealing him to be a more complicated figure than previously understood. Born into a traditionalist Prussian family Niemöller welcomed Hitler's rise to power as an opportunity for national rebirth. Yet when the regime attempted to seize control of the Protestant Church he helped lead the opposition and was soon arrested. After spending the war in concentration camps Niemöller emerged a controversial figure to his supporters he was a modern Luther while his critics including President Harry Truman saw him as an unrepentant nationalist. A nuanced portrait of courage in the face of evil. Then They Came for Me puts the question to us today: What would I have done?

The Company of the Preachers, **A Church Divided** Matthew D. Hockenos, 2004-10-20 This book closely examines the turmoil in the German Protestant churches in the immediate postwar years as they attempted to come to terms with the recent past. Reeling from the impact of war the churches addressed the consequences of cooperation with the regime and the treatment of Jews. In Germany the Protestant Church consisted of 28 autonomous regional churches. During the Nazi years these churches formed into various alliances. One group the German Christian Church openly aligned itself with the Nazis. The rest were cautiously opposed to the regime or tried to remain noncommittal. The internal debates however involved every group and centered on issues of belief that were important to all. Important theologians such as Karl Barth were instrumental in pressing these issues forward. While not an exhaustive study of Protestantism during the Nazi years A Church Divided breaks new ground in the discussion of responsibility, guilt and the Nazi past.

Confronting the Nazi War on Christianity Richard Bonney, 2009 Contemporaries and historians have found it difficult to interpret the ambiguous relationship between National Socialism and Christianity Both the Catholic and Protestant Churches tended to agree with National Socialists in their authoritarianism their attacks on socialism and

communism and their campaign against the Versailles Treaty but the doctrinal position of the Churches could not be reconciled with the principle of racism a foreign policy of unlimited aggressive warfare or a domestic agenda involving the complete subservience of Church to State Important sections of the Nazi Party sought the complete extirpation of Christianity and its substitution by a purely racial religion but considerations of expediency made it impossible for the National Socialist leadership to adopt this radical anti Christian stance as official policy The Kulturkampf Newsletters which have not appeared in English since the 1930s were produced by German Catholic exiles in France They scrupulously document the tensions between various strands of Nazi policy and the nature of the policy eventually adopted this was to reduce the Churches influence in all areas of public life through the use of every available means yet without provoking the difficulties diplomatic as well as domestic which an openly declared war of extermination might have caused
