Marvel Comics The Easter Story:

Marvel Comics Nelson/Word Canada, Thomas Nelson Incorporated, Thomas Nelson Publishers, 1994-03-01 The Easter Story Louise Simonson, 1993 **The Life of Christ** Louise Simonson, Mary Wilshire, Bill Anderson, 1993

Christianity and Comics Blair Davis, 2024 This book presents an 80 year history of how the comics industry has drawn inspiration from biblical imagery stories and themes Charting how comics have both reflected and influenced Americans changing attitudes towards religion it includes underground comix books from Christian publishers and a vast array of DC Marvel and Dark Horse titles from Hellboy to Preacher The Marvel Studios Story Charlie Wetzel, Stephanie Wetzel, 2020-05-26 What can you learn from the world's most successful companies Marvel characters have been shaping pop culture for decades and when comic books were no longer keeping the company afloat Marvel Studios was born Marvel Studios is the multibillion dollar home to iconic franchises They are known for creating brilliant multilayered worlds and storylines that allow their audiences to escape into a fantasy and inspire the creative side of every viewer But behind those visionaries is a well oiled storytelling machine dedicated to getting the Hulk's smash fists in the hands of every child and a sea of Spiderman costumes deployed every Halloween The Marvel Studios Story educates you on how one of the largest creative companies in the planetary universe runs their business and keeps their fans and their parent company Disney counting the profits Through the story of Marvel Studios you'll learn How to recognize and pursue additional revenue streams How a company can successfully balance the creative with business to appease investors and fans alike And how to keep a decades old superhero franchise new and exciting without losing sight of its roots The Marvel Studios Story will help you understand and adopt the competitive strategies workplace culture and daily business practices that enabled a struggling comic book publisher to parlay the power of myth and storytelling to become one of history's most successful movie studios *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient

access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
