Marxist Ideology And Soviet Criminal Law

Janet Campbell

Marxist Ideology And Soviet Criminal Law:

Marxist Ideology and Soviet Criminal Law R.W. Makepeace, 2024-11-26 Marxist Ideology and Soviet Criminal Law 1980 is about differences between theory and practice in the Soviet Union It looks at the ways in which the theory of Marx has changed and been changed through the lens of criminal law the major way in which social controls are exercised by the State

Encyclopedia of Soviet Law Ferdinand J.M. Feldbrugge, 2024-12-02 **Revolution in Law** Piers Beirne, 1990 The essays in this volume reassess pre revolutionary Russian legal culture the debates of the 1920s over the role of law under socialism and the abrupt and bloody termination of the debate which took place in the 1930s Revolution in Law: Contributions to

the Legal Development of Soviet Legal Theory, 1917-38 Piers Beirne, 2017-03-02 The essays in this volume reassess pre revolutionary Russian legal culture the debates of the 1920s over the role of law under socialism and the abrupt and bloody termination of the debate which took place in the 1930s Law and Politics of Religious Fraud Regulation Jianlin

Chen, 2023-12-11 In comparing the ways in which China Taiwan and Hong Kong punish religious claims and practices considered by the state to be false or fraudulent Jianlin Chen presents a seminal contribution to the interdisciplinary study of religious freedom The book not only reveals how these legal tools sustain a hierarchy of religion but also the political dynamic behind the design and utilization of these legal tools

The Soviet Union 1917-1991 Martin McCauley, 2014-02-04 A second edition of this famous survey has been eagerly awaited When the first edition appeared Brezhnev was still in power Gorbachev did not make it to the index and the USSR was a superpower Today the Soviet experiment is over and the USSR no longer exists How Why Martin McCauley has reworked and greatly expanded his book to answer these questions and to provide a complete account of the Soviet years Essential reading to an appreciation of recent history and to a better understanding of whatever happens next *The Blackwell Encyclopedia of the Russian Revolution*

Harold Shukman, 1994-12-05 This single volume is an authoritative and accessible guide to the background and progress of the Revolution written by a team of over forty specialist contributors Beginning with the radical movements of the mid nineteenth century the Encyclopedia covers the development of the revolutionary movement created by the intelligentsia the condition of the peasants that of the working class and of the army the role of the Tsarist secret police the agents provocateurs the revolutionaries own underground A substantial section is devoted to the emergence of liberation

movements among the national minorities of the borderlands The Encyclopedia also considers the formation of Soviet institutions and examines too the emergence of revolutionary culture well before 1917 the avant garde in art and theatre and the relationship to the revolution of three major Russian writers Blok Gorky and Mayakovsky An Analysis of Law in the

Marxist Tradition Janet Campbell, 2003 The purpose of this work is to construct theoretically a regulatory system based on the writings of a selection of Marxist legal theorists Marx Engels Stuchka Reisner and Pashukanis ascertain whether such a system might be considered law and determine whether or not there is a legitimate claim for a socialist jurisprudence Both

theoretical constructs and historical examples are used during the course of discussion The results indicate that there is a viable alternative to law which does not ignore the regulatory needs of society and is compatible with the Marxist critique of the legal order It fills the gap existing in the literature of socialist law and articulates a system of social regulation that can be considered non legal thus making it compatible with Marxist theory To this date such an attempt to define theoretically a regulatory system in communism compatible with the writings of Marx and Engels has not been made

Military Law Review ,1988 *Khrushchev's Cold Summer* Miriam Dobson,2011-10-15 Between Stalin s death in 1953 and 1960 the government of the Soviet Union released hundreds of thousands of prisoners from the Gulag as part of a wide ranging effort to reverse the worst excesses and abuses of the previous two decades and revive the spirit of the revolution This exodus included not only victims of past purges but also those sentenced for criminal offenses In Khrushchev s Cold Summer Miriam Dobson explores the impact of these returnees on communities and more broadly Soviet attempts to come to terms with the traumatic legacies of Stalin s terror Confusion and disorientation undermined the regime s efforts at recovery In the wake of Stalin s death ordinary citizens and political leaders alike struggled to make sense of the country s recent bloody past and to cope with the complex social dynamics caused by attempts to reintegrate the large influx of returning prisoners a number of whom were hardened criminals alienated and embittered by their experiences within the brutal camp system Drawing on private letters as well as official reports on the party and popular mood Dobson probes social attitudes toward the changes occurring in the first post Stalin decade Throughout she features personal stories as articulated in the words of ordinary citizens prisoners and former prisoners At the same time she explores Soviet society s contradictory responses to the returnees and shows that for many the immediate post Stalin years were anything but a breath of spring air after the long Stalinist winter

Getting the books **Marxist Ideology And Soviet Criminal Law** now is not type of challenging means. You could not without help going similar to books growth or library or borrowing from your friends to edit them. This is an no question easy means to specifically acquire guide by on-line.
