Marxism and History S. H. Rigby, 2024-06-04 This critically acclaimed book now in its second edition is firmly established as an essential guide to this recent historiographical debate Adopted as a set book by the Open University An indispensable guide to Marxist historiography for undergraduates

Reflections on the Marxist Theory of History Paul Blackledge, 2006-10-31 This volume offers a defence of the study of history against traditional empiricism and the relativism of postmodern historiography It discusses the relationship between Marx and Engels theory of history their methodology and their politics

Reflections on the Marxist theory of history Paul Blackledge, 2013-07-19 A decade after Francis Fukuyama announced the End of History anti capitalist demonstrators at Seattle and elsewhere have helped reinvigorate the Left with the reply another world is possible More than anyone else it was Marx who showed that slogans such as this were no utopian fantasies and that capitalism was just as much a historical mode of production no more natural and certainly no less contradictory than were the feudal and slave modes which preceded it Paul Blackledge opens this study with a defence of the Marxist approach to the study of history against what he argues as being the naive empiricism of traditional historians and the relativism of the postmodernists He moves on to outline Marx and Engels analyses of concrete historical processes and their critiques of the alternative historiographic methodologies of their contemporaries He then discusses neglected historical works produced by Marxists in the half century or so after Marx and Engels deaths Two central chapters survey recent Marxist debates on first the nature of modes of productions including slave feudal and tributary systems and the revolutionary transitions between them and second the methodological debate over the issue of structure and agency in the movement of history Finally he shows the political relevance of these debates through a concluding survey of competing

Marxist attempts to periodise the present postmodern conjuncture This book should be read by historians students of cultural social and political theory and anti capitalist activists

Marx's Theory of History William H. Shaw, 1978-03

Marxism and History Stephen Henry Rigby, 1987 Marx's theory of history is often regarded as the most enduring and fruitful aspect of his intellectual legacy His historical materialism has been the inspiration for some of the best historical writing in the works of scholars such as Eric Hobsbawm E P Thompson Rodney Hilton and Robert Brenner S H Rigby establishes Marx's claims about social structure and historical change discusses their use in his own and his followers writings and assesses the validity of his theories He argues that Marx's social theories were profoundly contradictory and that Marxism has proved most useful when it is seen as a source of questions concepts and hypotheses rather than as a philosophy of historical development

Marx's Interpretation of History Melvin Miller Rader, 1979 Attempts to find an underlying consistency in Marx's complex vision of history without glossing over apparent contradiction in the writings of Marx and in those of his interpreters

Historical Materialism and the Economics of Karl Marx Benedetto Croce, 1914 It is often said that it is the business of philosophy to examine and criticise the assumptions of the sciences and philosophy claims that in this work it is not an unnecessary meddler stepping in where it is not wanted For time and again for want of philosophical criticism the sciences have overstepped their bounds and produced confusion and contradiction
