Christ Jesus, the Son of Mary Adil Nizamuddin Imran,2009 **Memories of Jesus** Halvor Moxnes,2021-02-09 This is a different book about Jesus It does not study the Gospels as sources for the historical Jesus but reads them as memories about Jesus each Gospel with its characteristic picture of Jesus The book traces the transmission and growth of memories of Jesus in various contexts and in different historical periods It also introduces readers to the little known counterstories to Christian memories in Jewish sources as well as to the rival stories in the Quran A central perspective in the book is the troubling fact that for centuries the memories of Jesus contributed to hate speech against the Jews in Europe The passion narratives in the Gospels put the blame for the death of Jesus upon Jewish leaders and these stories were transmitted across the centuries as historical truth Memories of Jesus have served as identity markers not only for churches but also for societies and countries The last chapters focus on how the memories of Jesus have played an important role in supporting the identity of oppressed and marginalized groups in particular in the contemporary United States **Mary, The Chosen Woman, the Mother of Jesus in the Quran** Aḥmad Zakī Maṣṣūr Ḥammād,2001-01-01
