My Fathers Geography:

My Father's Geography Afaa Michael Weaver, 1992-06-15 Weaver's life studies and lyrics are imbued with a vivid sense of language a vivid sense of the world a vivid sense of their inseparability And his tonal range from unabashed passion to the subtlest velleity is impressive indeed This is a singular talent Henry Louis Gates Jr In My Father's House Anthony Appiah, 1992 In this vastly important widely acclaimed volume Appiah a Ghanaian philosopher who now teaches at Harvard explores what it means to be an African American on the many preconceptions that have muddled discussions of race Africa and Afrocentrism since the end of the 19th century A New York Times Notable Book of the Year My Father's World John D. Wineland, Mark Ziese, James Riley Estep Jr., 2011-04-11 My Father's World is a memorial volume celebrating the life of Dr Reuben G Bullard and it focuses on the archaeology and history of the Mediterranean world The essays in this volume are all written by former students of Dr Bullard and the diverse range of topics highlights his broad interests in geology archaeology and biblical studies Bullard was a long time Professor of Geology and Archaeology at Cincinnati Christian University He pioneered the field of Archaeological Geology in the 1960s at Tell Gezer *Vow of Darkness* Rodrigo Parra Sandoval, 2014-10-27 Originally published in Spanish as Voto de tinieblas this is a translation by Kieran Tapsell Among the stories and characters of Vow of Darkness it unfolds a reflection around the prohibitions and dangers that a nun living the confused and violent period of independence from Spain must face when she decides to be a writer in a world where writing is an exclusively male activity Alongside these adventures is woven a reflection about personal and collective memory It outlines how the indigenous population extinguishes destroyed by war smallpox and shame And yet there are characters trying to give sense to their own lives through generosity compassion understanding the other identifying with their memory diluting cultural distances changing the roles and transforming the victorious on defeated or trying to solve the antagonisms that the nun draws in the written geographies of her body throughout philanthropy *Multitudes* Afaa Michael Weaver, 2000 A generous retrospective edition of this African American poet **The Christian Reformer, Or, Unitarian Magazine and Review**, 1854 Henry Hocker Seltzer, Pennsylvania Dutch Teacher, Civil Servant, and Physician - Memories of 1856-1915 Henry Hocker Seltzer, 2018-09-13 This is my great grandfather's autobiography He grew up on a farm near Belle Grove Pennsylvania Pennsylvania Dutch was spoken in the home English was his second language putting him at a disadvantage when he went to school but he became very bookish proud of his educational accomplishments For 10 years he taught in one room schoolhouses in Pennsylvanian Dutch farm country At times he handled alone as many as 65 students ranging in age from 5 to 21 and for a wage of 33 month He had to deal with the vagaries of rural schools with behavior problems and parents who had little respect for book learning and arbitrary decisions of county level school administration During corn husking sometimes only 3 5 students would show up He traveled by train to Kansas in 1878 and almost settled there Later he got a civil service bookkeeping job with the US Treasury Dept and wrote a bookkeeping text

book for farmers And at the age of 40 he got an M D degree from what later became George Washington University

Geography Inside Out Richard Symanski,2002-06-01 Taking sharp aim at complacent geography scholars this irreverent book turns the world of academic geography upside down The author a foremost figure in the field joins forces with his alter ego the incorrigible Korski to draw fire from his own personal and professional experience No one knows better than they the stuffy censorship and skewed logic that inform the geography establishment and stifle the valiant geographer and they tell all With an unsparing eye Geography Inside Out exposes a discipline soiled by cerebral litter and shamed by intellectual cowardice Symanski shows no mercy for the pompous the mediocre or the hypocritical And he reveals the devastating truth about a geographer blackballed for life for writing about prostitution and for his intellectual attack of a major figure within the discipline A shrewd look at high profile geographers this book sheds light on how geographers write and think It also helps explain why geography has long been seen as the poor and neglected sister of the social sciences Unprecedented in subject and scope Geography Inside Out is certain to be as controversial as it is edifying **Being and Building up the**

Church in My Father's Home Alozie Oliver Onwubiko,2020-06-03 The rehabilitation by St Pope Paul VI of African traditional religions and cultures has made them more objective for theological and anthropological reflection And the reflecting subject is a native African himself And the repatriation of missiology into ecclesiology in the Catholic Church in the 21st Century is a new development and the result if it is what we have before us in this book Here personal native anthropological and theological experience has combined with in depth reading of the African novelists necessarily biased distillation of African culture has nourished thinking and reflection at a new level in terms of ecclesial implications of living Christianity authentically and being and building the Church in my father s home **Ramza** Out el Kouloub,1994-06-01 Out el Kouloub s Ramza is the story of one woman s rebellion against her life in the harem of a wealthy Egyptian family at the turn of the century Although she flourishes in this world secure in the safety it provides she comes to despise its constraints In describing her growing awareness of the life of women in her elite milieu Ramza paints an intimate portrait of harem life including the methods employed by the wives and concubines to ensure the power they seek for themselves and their children Ramza is drawn to books music and eventually to the men s quarter She dares to express her physical social and sexual repression The novel is a heartfelt dramatization of a piece of Egyptian feminine and feminist history set at a time when Egyptian women were struggling to come forward It was originally published by Gallimard Press in France in 1958

"About my Father's Business." *Work amidst the sick, the sad and the sorrowing* Thomas ARCHER (Author of "Wayfe Summers.".),1876 **Fathers, Monsters and Sons** Paul Hamilton,2017-10-16 Paul Hamilton s narrative on family dysfunction is in the tradition of Jeanette Wall s The Glass Castle Hamilton uncovers secrets about his family s past after he places his father in a dementia care facility Hamilton sorts through his father s belongings and discovers documents revealing his father s immorality FATHERS MONSTERS AND SONS explores the perplexities of the fatherson relationship

Hamilton reviews the relationship by looking at this theme in movies like Star Wars and classic novels such as Frankenstein Hamilton shares his journey towards recovery with straightforward poetry about his father and family Hamilton concludes his narrative by issuing a call to reclaim the power of storytelling **The Space Between Time** Charlie Laidlaw,2019-06-20 Emma Maria Rossini appears to be the luckiest girl in the world She s the daughter of a beautiful and loving mother and her father is one of the most famous film actors of his generation She s also the granddaughter of a rather eccentric and obscure Italian astrophysicist But as her seemingly charmed life begins to unravel and Emma experiences love and tragedy she ultimately finds solace in her once derided grandfather s Theorem on the universe The Space Between Time is humorous and poignant and offers the metaphor that we are all connected even to those we have loved and not quite lost My Own Times John Reynolds,1855 **Was Nyakeera my Father** Elizabeth Kabui,2014-12-29 Eavesdropping on his parents James Kirika a fifteen year old teenager hears a conversation that suggests that he is not the biological son of the man he calls Father This realisation sends him into a tortured search for the man who brought him into this world Things get complicated when the chief source of information his old and hallucinating grandmother gives him a fuzzy lead Does he ever find out the truth Reynolds' History of Illinois John Reynolds,1879 My Father's Letters Memorial,2021-04-03 A profoundly moving and historical record letters sent by sixteen fathers imprisoned in the Gulag camps to their children during the 1930s 1950s They will live as human beings and die as human beings and in this alone lies man s eternal and bitter victory over all the grandiose and inhuman forces that ever have been or will be Vasily Grossman Life and Fate Between the 1930s and 1950s millions of people were sent to the Gulag in the Soviet Union My Father s Letters tells the stories of sixteen men mostly members of the intelligentsia and loyal Soviet subjects who were imprisoned in the Gulag camps through the letters they sent back to their wives and children Here are letters illustrated by fathers keen to educate their children in science and natural history the tragic missives of a former military man convinced that the terrible mistake of his arrest will be rectified the letter stitched on a bedsheet with a fishbone and smuggled out of a maximum security camp My Father s Letters is an immediate source of life in prison during Stalin s Great Terror Almost none of the men writing these letters survived My Father s Letters is well presented and deeply moving The translation is fluent and all the necessary background information is clearly provided Some passages conjure up the life of an individual family and of an entire culture with heart breaking vividness Robert Chandler Astoundingly these stories are not miserable Yes the men mention their inadequate shelter clothing and food but the overwhelming impact is the expression of their love for their families My Father s Letters is beautifully produced Vin Arthey Scotsman **Women of 'ninety-eight** Mrs. Thomas Concannon,1922 *Mary, Mrs. A. Lincoln* Janis Cooke Newman,2012-12-10 A novel about the life of Mary Todd Lincoln narrated by the First Lady herself a USA Today choice for Best Historical Fiction of the Year The wife of Abraham Lincoln is one of history s most misunderstood and enigmatic women She was a political strategist a supporter of emancipation and a mother who survived the loss of three children and the

assassination of her beloved husband She also ran her family into debt held seances in the White House and was committed to an insane asylum which is where Janis Cooke Newman s debut novel begins From her room in Bellevue Place Mary chronicles her tempestuous childhood in a slaveholding Southern family and takes readers through the years after her husband s death revealing the ebbs and flows of her passion and depression her poverty and ridicule and her ultimate redemption in a novel that is both a fascinating look at a nineteenth century woman s experience and an old fashioned pleasure to read The Plain Dealer A Los Angeles Times Book Prize Finalist War Children Michael Tradowsky,2012-12-12 In Berlin in 1939 Michael Tradowsky celebrated his fourth birthday with his parents by helping his father tack up blackout paper over their windows Germany was at war For the next six years the Tradowsky family endured the nightmare of the German home front Intense and powerful War Children shares the incredible saga of an ordinary German family during World War II Looking back from the vantage of seventy years Michaels memoir directly confronts how his childhood experiences despite his parents attempt to give him a normal upbringing were shaped by an epoch of rampant evil under Hitler Michael shares how each member of his family had his or her own way of fighting against the regime His courageous and outspoken aristocratic mother was determined to protect her son from Nazi brainwashing and sacrificed everything but her love and honor to keep her children alive His father a promising theater director rubbed shoulders with the great entertainers of the timeuntil his refusal to join the Nazi Party destroyed his aspirations But perhaps Michaels love for his baby sister exemplifies the tragedy of a childhood spent in war for her very life depended on him carrying her to the bomb shelter From winding roads twisting through the tall pines of the Black Forest to trucks crammed with refugees War Children offers a sobering testimony for children victimized by war past and present
