A Social Theory

Obligation A Social Theory

Adam Lloyd Johnson

Obligation A Social Theory:

Obligation Ralph Ross,1970 **Sociological Theory in Transition (RLE Social Theory)** Mark Wardell,Stephen Turner,2014-08-07 Current sociological theories appear to have lost their general persuasiveness in part because unlike the theories of the classical era they fail to maintain an integrated stance toward society and the practical role that sociology plays in society The authors explore various facets of this failure and possibilities for reconstructing sociological theories as integrated wholes capable of conveying a moral and political immediacy They discuss the evolution of several concepts for example the social structure and self and address the significant disputes for example structuralism versus humanism and individual versus society that have dominated twentieth century sociological thought Their ideas and analyses are directed towards an audience of students and theorists who are coming to terms with the project of sociological theory and its relationship with moral discourses and political practice The authors of these essays are sociological theorists from the United States the United Kingdom and Canada They are all established but not establishment authors The book contains no orthodoxies and no answers However the essays do contribute to identifying the range of issues that will constitute the agenda for the next generation of sociological theorists Divine Love Theory Adam Lloyd Johnson,2023-03-14 What if the loving relationships of the Trinity are the ultimate objective source for living morally Adam Lloyd Johnson injects a fresh yet eternal reality into the thriving debate over the basis of moral absolutes While postmodernism s moral relativism once temporarily disrupted the footing of classic moral theories like natural law and divine command many nontheistic philosophers assert that morality must rest on something real and objective Divine Love Theory proposes a grounding for morality not only in the creator God but as revealed in the Christian Scriptures Father Son and Spirit eternally loving one another Johnson contends that the Trinity provides a remarkably convincing foundation for making moral judgments One leading atheistic proposal godless normative realism finds many deficiencies in theistic and Christian theories yet Johnson shows how godless normative realism is susceptible to similar errors He then demonstrates how the loving relationships of the Trinity as outlined in historic Christian theology resolve many of the weakest points in both theistic and atheistic moral theories Johnson leaves no stone unturned his research is exceptional and his topic and treatment of it are first rate I very strongly recommend this book J P Moreland distinguished professor of philosophy Talbot School of Theology Biola University Divine Love Theory is an important and original contribution to the on going contemporary debate between theists and non theists over the foundations of morality It is a work that will be of interest to theologians and philosophers alike Erik Wielenberg professor of philosophy DePauw University Johnson s own proposal is a refreshing and insightful address that is often missed in the moral debate of mere theism Trinitarianism Divine Love Theory is at once more consistent with the largest theistic population Christians but also provides greater explanatory power over competitors theistic and atheistic alike Corey Miller President of Ratio Christi *Early Modern Social Theory* Murray E. G. Smith,1998 Early Modern Social

Theory Selected Interpretive Readings is a collection of essays that illuminates the course of development of modern social thought from the Enlightenment to the 1920s The essays focus on the most prominent social theorists including Smith Durkheim Marx and Engels and Weber Each essay has been chosen to provide the main contributions of the theorist and the political and economic context in which he worked The editor a noted scholar in the field has written clear concise introductions to each section and provided a glossary of frequently used philosophical terms The collection includes two famous feminist critiques of the literature by Rosalind Sydnie and Lise Vogel as well as papers by Tom Bottomorw on Max Weber Anthony Giddens on the division of labour and essays by Mandel and Trotsky on Marx

A Theory of Political Obligation Margaret Gilbert, 2006-05-11 Margaret Gilbert offers an incisive new approach to a classic problem of political philosophy when and why should I do what the laws of my country tell me to do Beginning with carefully argued accounts of social groups in general and political societies in particular the author argues that in central standard senses of the relevant terms membership in a political society in and of itself obligates one to support that society's political institutions The obligations in question are not moral requirements derived from general moral principles as is often supposed but a matter of one's participation in a special kind of commitment joint commitment An agreement is sufficient but not necessary to generate such a commitment Gilbert uses the phrase plural subject to refer to all of those who are jointly committed in some way She therefore labels the theory offered in this book the plural subject theory of political obligation The author concentrates on the exposition of this theory carefully explaining how and in what sense joint commitments obligate She also explores a classic theory of political obligation actual contract theory according to which one is obligated to conform to the laws of one's country because one agreed to do so She offers a new interpretation of this theory in light of a theory of plural subject theory of agreements She argues that actual contract theory has more merit than has been thought though the more general plural subject theory is to be preferred She compares and contrasts plural subject theory with identification theory relationship theory and the theory of fair play She brings it to bear on some classic situations of crisis and in the concluding chapter suggests a number of avenues for related empirical and moral inquiry Clearly and compellingly written A Theory of Political Obligation will be essential reading for political philosophers and theorists

Religion, Realism and Social Theory Philip A Mellor, 2004-10-18 This book challenges those contemporary sociologists who argue that the notion of society is an outmoded basis for sociological analysis and instead revitalizes the idea that sociology is truly the study of society Mellor returns the human and religious aspects of social life to the centre of social theory

The Structure of Social Theory Anthony King, 2012 Over the last three decades social theory has become an increasingly important subdiscipline within sociology Social theory has attempted to elucidate the philosophical basis of sociology by defining the nature of social reality According to social theory society consists of objective institutions structure on the one hand and individuals agency on the other it promotes human social relations insisting that in every instance social reality consists of these relations

God and

Moral Obligation C. Stephen Evans, 2013-02-28 C Stephen Evans defends the claim that moral obligations are best understood as divine commands or requirements hence an important part of morality depends on God God's requirements are communicated in a variety of ways including conscience and that natural law ethics and virtue ethics provide complementary perspectives to this view

Sociological Theory John Scott, 2023-01-13 This thoroughly revised and updated third edition provides an expanded analysis of the nature and future of sociological theory It offers new sections on feminist post colonial and critical race theories as well as a discussion of theories of system structure and complexity

Sociological Theory in the Contemporary Era Scott Appelrouth, Laura Desfor Edles, 2010-11-29 Uses a proven text reader hybrid format to introduce contemporary theorists their original works and a theoretical framework for understanding them Praise for *Sociological Theory in the Contemporary Era* Current users of most other theory texts should take notice of *Sociological Theory in the Contemporary Era* as it rivals existing volumes with its accessibility and its selections Dustin Kidd Temple University TEACHING SOCIOLOGY Vol 36 2008 April 161 184 *Sociological Theory in the Contemporary Era* Second Edition combines well edited important original writings from sociology's core contemporary theorists with introductory text that provides a historical and theoretical framework for understanding them Authors Scott Appelrouth and Laura Desfor Edles use this unique text reader approach to introduce students to contemporary sociological theory in a lively and engaging fashion The text reader provides not only a biographical and theoretical summary of each theorist's works but also an overarching scaffolding that students can use to examine compare and contrast each theorist's major themes and concepts The book also offers discussions of past social and intellectual milieus to provide a holistic picture of the development of the theories discussed Contributor to the SAGE Teaching Innovations and Professional Development Award

Essays in Sociological Theory Talcott Parsons, 2010-05-11 Talcott Parsons needs little introduction to anyone acquainted with the literature of sociology Few men have dominated their fields so much as Dr Parsons does his In this collection of nineteen essays Dr Parsons focuses his attention on subjects ranging from the social structure of Japan to propaganda and social control from sociological aspects of Fascist movements to the place of psychoanalysis in society Also dealt with are such topics as The role of ideas in social action the motivation of economic activities American social structure social classes and class conflict and the prospects for contemporary sociological theory The whole body of essays presented here belongs in the broad field of application of sociological theory It stands in the line of scientific development of the most advanced techniques for sociological investigation and evaluation of data

Political Obligation John Horton, 2017-08-24 How should we understand the relationship between citizens and governments and what are the obligations of citizens In this substantially revised new edition of an influential text John Horton challenges dominant theories by offering an associative account focusing particularly on what it is to be a member of a political community

Rethinking Political Obligation D. Mokrosinska, Dorota Mokrosinska, 2012-07-31 What are the grounds for and limits to obedience to the state This book offers a

fresh analysis of the debate concerning the moral obligation to obey the state develops a novel account of political obligation and provides the first detailed argument of how a theory of political obligation can apply to subjects of an unjust state **A Social Theory of International Law** Kazuko Hirose Kawaguchi,2021-12-28 There has long been an advocacy for the sociology of international law and yet it has never been constructed so systematically and axiomatically as in this book Based on vital terms such as action and system this book has conducted an investigation into the auspices or the fundamental international sociological conditions over which international law is built and accordingly into how international law can control global relations The significance of this work lies in its aim of showing by the application of a consistent logic how complex observed phenomena can be explained and understood on the basis of certain shared fundamental perceptions drawn from common experience By asking how a state acts in a complex system that consists of at least two subsystems having different goals and different logics two specific issues are discussed 1 The relationship between domestic and international law namely that between Article 9 of the Constitution of Japan and the UN Charter especially the provisions for a collective security system as mentioned in chapter VII 2 The relationship between international law and international politics namely the relationship between the prohibition of the use of nuclear weapons and the logic of nuclear deterrence

A Social Theory of International Law Kazuko Hirose,2003-01-01 There has long been an advocacy for the sociology of international law and yet it has never been constructed so systematically and axiomatically as in this book Based on vital terms such as action and system this book has conducted an investigation into the auspices or the fundamental international sociological conditions over which international law is built and accordingly into how international law can control global relations The significance of this work lies in its aim of showing by the application of a consistent logic how complex observed phenomena can be explained and understood on the basis of certain shared fundamental perceptions drawn from common experience By asking how a state acts in a complex system that consists of at least two subsystems having different goals and different logics two specific issues are discussed 1 The relationship between domestic and international law namely that between Article 9 of the Constitution of Japan and the UN Charter especially the provisions for a collective security system as mentioned in chapter VII 2 The relationship between international law and international politics namely the relationship between the prohibition of the use of nuclear weapons and the logic of nuclear deterrence **Social Theory** Berch

Berberoglu,2017-01-06 Social Theory provides a sophisticated yet highly accessible introduction to classical and contemporary social theories The author s concise presentation allows students and instructors to focus on central themes The text lets theorists speak for themselves presenting key passages from each theorist s corpus bringing theory to life The approach allows instructors the opportunity to help students learn to unpack sometimes complex prose just as it offers inroads to class discussion Chapters on Addams and early feminism on Habermas and the Frankfurt School on Foucault and on globalization and social movements round out contemporary coverage The book presents and explains key theories just as

it provides an introduction to central debates about them **The Oxford Handbook of Political Obligation** ,2025-09-28

The Oxford Handbook of Political Obligation offers an authoritative up to date overview of research in this field In recent decades scholars have developed strong criticisms of the traditional reasons given to explain political obligations At present skepticism about the possibility of a convincing account may well be the dominant position in the literature These philosophical developments run alongside changed political and social circumstances In recent years Western political systems have come under suspicion with citizens led to question traditional reasons why they should obey them Additional factors renewing interest in political obligation include the emergence of new democracies in Eastern Europe occasioned by the fall of the Soviet Union and unrest in many American cities especially over issues of racial justice This Handbook has two main foci contemporary philosophical debates about political obligation and responses to political social circumstances that raise questions about requirements to obey the law Traditional theories of obligation are addressed in a series of essays by well known authorities while additional essays canvass new approaches including the possibility of legitimate states without moral requirements to obey them and skeptical conclusions from important theorists Responses to political and social circumstances include civil disobedience and more radical approaches In addition political obligations are addressed as they bear on emerging democracies and unjust and authoritarian regimes **A Sociological Theory of Law** Niklas

Luhmann,2013-10-30 Niklas Luhmann is recognised as a major social theorist and his treatise on the sociology of law is a classic text For Luhmann law provides the framework of the state lawyers are the main human resource for the state and legal theory provides the most suitable base from which to theorize on the nature of society He explores the concept of law in the light of a general theory of social systems showing the important part law plays in resolving fundamental problems a society may face He then goes on to discuss in detail how modern positive as opposed to natural law comes to fulfil this function The work as a whole is not only a contribution to legal sociology but a major work in social theory With a revised translation and a new introduction by Martin Albrow The Principle of Fairness and Political Obligation George Klosko,2004-01-26 In The Principle of Fairness and Political Obligation George Klosko presents the first book length treatment of political obligation grounded in the premises of liberal political theory In this now classic work he clearly and systematically formulates what others thought impossible a principle of fairness that specifies a set of conditions which grounds existing political obligations and bridges the gap between the abstract accounts of political principles and the actual beliefs of political actors Brought up to date with a new introduction this new edition will be of great interest to all interested in political thought New Directions in Contemporary Sociological Theory Joseph Berger,Morris Zelditch (Jr.),2002 This book introduces some of the most influential recent sociological theories each covered in an essay written by the theory s founder or by a leading exponent Presented in nontechnical language each essay reviews the key positions and supporting research many incorporate discussion of critical or opposing positions This unique book serves as an invaluable advanced

introduction or review for graduate or upper level students who want to gain an understanding of important theoretical advances Visit our website for sample chapters

Obligation A Social Theory Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the ability of words has are more evident than ever. They have the capacity to inspire, provoke, and ignite change. Obligation A Social Theory Introduction

In today's digital age, the availability of Obligation A Social Theory books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Obligation A Social Theory books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Obligation A Social Theory books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Obligation A Social Theory versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Obligation A Social Theory books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Obligation A Social Theory books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Obligation A Social Theory books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions

have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Obligation A Social Theory books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Obligation A Social Theory books and manuals for download and embark on your journey of knowledge?

FAQs About Obligation A Social Theory Books

What is a Obligation A Social Theory PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Obligation A Social Theory PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Obligation A Social Theory PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Obligation A Social Theory PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Obligation A Social Theory PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and

editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
