## **Powerhouse For God Speech Chant And Song In An Appalachian Baptist Church:**

*Powerhouse for God* Jeff Todd Titon, 2020-07-03 The Fellowship Independent Baptist Church near Stanley Virginia was a group of fundamental Christian believers broadly representative of southern Appalachian belief and practice Jeff Todd Titon worked with this Baptist community for more than ten years in his attempt to determine the nature of language in the practice of their religion He traces specialized vocabulary and its applications through the acts of being saved praying preaching teaching and in particular singing Titon argues that religious language is performed and the context of its occurrence is crucial to our understanding and to a holistic view of not only religious practice but of folklife and ethnomusicology Titon's monumental study of The Fellowship Independent Baptist Church produced not only the first edition book but also an album and documentary film In this second edition of *Powerhouse for God* Titon revisits The Fellowship Independent Baptist Church nearly four decades later Brother John Sherfey the charismatic preacher steeped in Appalachian tradition has passed away and left his congregation to his son Donnie to lead While Appalachian Virginia has changed markedly over the decades the town of Stanley and the Fellowship Church have not Titon relates this rarity in his new Afterword a church founded on Biblical literalism and untouched by modern progressivism in an area of Appalachia that has seen an evolution in population industry and immigration Titon's unforgettable study of folklife musicology and Appalachian religion is available for a new generation of scholars to build upon

**Music, Politics, and Violence** Susan Fast, Kip Pegley, 2012-11-16 Music and violence have been linked since antiquity in ritual myth and art Considered together they raise fundamental questions about creativity discourse and music's role in society The essays in this collection investigate a wealth of issues surrounding music and violence issues that cross political boundaries time periods and media and provide cross cultural case studies of musical practices ranging from large scale events to regionally specific histories Following the editors substantive introduction which lays the groundwork for conceptualizing new ways of thinking about music as it relates to violence three broad themes are followed the first set of essays examines how music participates in both overt and covert forms of violence the second section explores violence and reconciliation and the third addresses healing post memorials and memory Music Politics and Violence affords space to look at music as an active agent rather than as a passive art and to explore how music and violence are closely and often uncomfortably entwined CONTRIBUTORS include Nicholas Attfield Catherine Baker Christina Baade J Martin Daughtry James Deaville David A McDonald Kevin C Miller Jonathan Ritter Victor A Vicente and Amy Lynn Wlodarski

**Local Baptists, Local Politics** Clifford Anthony Grammich, 1999 This book explores the political views and actions of religious adherents who claim to base their faith on a literal interpretation of the Bible Focusing on several small Baptist sects scattered throughout the middle and uplands South Clifford Grammich finds that these groups are often highly engaged politically at the local level He thus challenges the traditional view of these Baptists as politically aloof concerned only with matters of faith and personal conduct Grammich shows that the politics

arising from these groups religious beliefs are not those of any consistent pervasive ideology Rather he argues such politics more often reflect a series of adaptations to local circumstances Lovin' on Jesus Lester Ruth, Lim Swee Hong, 2017-04-18 Swee Hong Lim and Lester Ruth have filled an important gap in the study of worship Lovin on Jesus A Concise History of Contemporary Worship is the first scholarly work of its kind on this topic Lim and Ruth trace the origins and development of what we commonly call contemporary Christian worship exploring it thoroughly and methodically Their research includes early recordings and interviews with many who were directly involved in the early stages The authors were students of James White and their book is in a sense a much needed addition to White s classic Introduction to Christian Worship The thematic structure of Lovin on Jesus mirrors that of White s Introduction making this book exceedingly useful for students and practitioners in the study of Christian worship as a whole This is an essential resource for all students scholars worship leaders and pastors who are serious about understanding the worship they lead Meticulously researched accessibly written generous in its praise and balanced in its critiques this is the book for which many of us have long been waiting Melanie C Ross Assistant Professor of Liturgical Studies Yale Divinity School New Haven CT Particularly useful for teaching is the way Lim and Ruth organize their account by practices of time space music prayer technology and scripture This will immediately become a required textbook for the courses I teach on Christian worship Ed Phillips Associate Professor of Worship and Liturgical Theology and Coordinator of the Initiative in Religious Practices and Practical Theology Candler School of Theology Atlanta GA Readers will find Lim and Ruth s one of a kind history convincing and rigorous The authors show how a modern genre of Christian worship claimed its place what it all means and where it is heading Gerald Liu Assistant Professor of Worship and Preaching Princeton Theological Seminary Princeton NJ Lovin on Jesus is an important book for every pastor worship leader and worshipper This wonderfully prepared study will help you keep your worship experience biblically centered dynamic and growing Rick Muchow Founding Worship Pastor Saddleback Church worship leader and coach

**21st Century Sociology: A Reference Handbook** Clifton D. Bryant, Dennis L. Peck, 2007 Publisher Description

Hittin' the Prayer Bones Anderson Blanton, 2015-07-29 In this work Anderson Blanton illuminates how prayer faith and healing are intertwined with technologies of sound reproduction and material culture in the charismatic Christian worship of southern Appalachia From the radios used to broadcast prayer to the curative faith cloths circulated through the postal system material objects known as spirit matter have become essential since the 1940s Blanton argues to the Pentecostal community s understanding and performances of faith Hittin the Prayer Bones draws on Blanton s extensive site visits with church congregations radio preachers and their listeners inside and outside the broadcasting studios and more than thirty years of recorded charismatic worship made available to him by a small Christian radio station In documenting the transformation and consecration of everyday objects through performances of communal worship healing prayer and chanted preaching Blanton frames his ethnographic research in the historiography of faith healing and prayer as well as theoretical

models of materiality and transcendence At the same time his work affectingly conveys the feelings of horror healing and humor that are unleashed in practitioners as they experience in their own words the sacred healing presence of the Holy Ghost

**The Airwaves of Zion** Howard Dorgan,1993 Throughout central Appalachia small AM radio stations send forth a steady flow of country western and gospel music regional farm and industry news local advertising and public service information and a Sunday morning and sometimes afternoon fare of locally produced live religious broadcasts Many of these airwaves of Zion programs have become part of the established cultural base of this region having maintained their audiences for decades Nevertheless this genre is in danger of extinction as various social and economic forces combine with changes in the broadcast industry that threaten to drive these programs off the air For over twenty years Howard Dorgan has been listening to airwaves of Zion programs in the Appalachian regions of Virginia West Virginia Kentucky North Carolina and Tennessee Avoiding editorial judgment and academic theorization *The Airwaves of Zion* is Dorgan's first person report on his own reactions to the people and events he encountered during his years of research This ethnographic study provides an overview of radio evangelism in Appalachia by identifying its characteristics and origins and analyzing its present status Dorgan trains his scholar's eye on four case studies within the genre capturing not only the unique character of each of the respective programs and stations but a sense of the larger religious environments within which each case resides This book preserves an endangered segment of the Appalachian religious experience rich in the cultural values and evangelical traditions that make this region unique

**Encyclopedia of American Folklife** Simon J Bronner,2015-03-04 American folklife is steeped in world cultures or invented as new culture always evolving yet often practiced as it was created many years or even centuries ago This fascinating encyclopedia explores the rich and varied cultural traditions of folklife in America from barn raisings to the Internet tattoos and Zydeco through expressions that include ritual custom crafts architecture food clothing and art Featuring more than 350 A Z entries *Encyclopedia of American Folklife* is wide ranging and inclusive Entries cover major cities and urban centers new and established immigrant groups as well as native Americans American territories such as Guam and Samoa major issues such as education and intellectual property and expressions of material culture such as homes dress food and crafts This encyclopedia covers notable folklife areas as well as general regional categories It addresses religious groups reflecting diversity within groups such as the Amish and the Jews age groups both old age and youth gangs and contemporary folk groups skateboarders and psychobillies placing all of them in the vivid tapestry of folklife in America In addition this resource offers useful insights on folklife concepts through entries such as community and group and tradition and culture The set also features complete indexes in each volume as well as a bibliography for further research

**Songs of Seoul** Nicholas Harkness,2014 Drawing on fieldwork in churches concert halls and schools of music Harkness argues that the European style classical voice has become a specifically Christian emblem of South Korean prosperity

**The Social Life of Scriptures** James Bielo,2009-08-26 What do Christians do with

the Bible How do they individually and collectively interact with the sacred texts Why does this engagement shift so drastically among and between social historical religious and institutional contexts Such questions are addressed in a most enlightening engaging and original way in *The Social Life of Scriptures* Contributors offer a collection of closely analyzed and carefully conducted ethnographic and historical case studies covering a range of geographic theological and cultural territory including American evangelicals and charismatics Jamaican Rastafarians evangelical and Catholic Mayans Northern Irish charismatics Nigerian Anglicans and Chinese evangelicals in the United States *The Social Life of Scriptures* is the first book to present an eclectic cross cultural and comparative investigation of Bible use Moreover it models an important movement to outline a framework for how scriptures are implicated in organizing social structures and meanings with specific foci on gender ethnicity agency and power

**The Lord's Song in a Strange Land** Jeffrey A. Summit, 2003 Across the United States Jews come together every week to sing and pray in a wide variety of worship communities Through this music made by and for ordinary folk these worshippers define and re define their relationship to the continuity of Jewish tradition and the realities of American life Combining oral history with an analysis of recordings *The Lord's Song in a Strange Land* examines this tradition in contemporary Jewish worship and explores the diverse links between the music and both spiritual and cultural identities Alive with detail the book focuses on metropolitan Boston and covers the full range of Jewish communities there from Hasidim to Jewish college students in a transdenominational setting It documents a remarkably fluid musical tradition where melodies are often shared where sources can be as diverse as Sufi chant Christmas carols rock and roll and Israeli popular music and where the meaning of a song can change from one block to the next

*Two Sides to Everything* Shaunna L. Scott, 1995-02-23 This is an oral history and ethnography of miners and their families in Kentucky focusing on political ideology and working class consciousness Harlan County Kentucky emerged in the public eye during the 1930s when poverty unemployment and violent unionization struggles caught the attention of the national news media and the American people It burst on the scene again during the 1972-73 Brookside strike an event chronicled in the Academy Award winning film *Harlan County U S A* In this book the author brings the American reader up to date on this interesting community by documenting the everyday lives of Harlan miners and their families in the mid 1980s Using a neo Marxian perspective *Two Sides to Everything* characterizes the nature limitations and transformative potential of class consciousness among two generations of Harlan miners It also elucidates the apparent contradictions between popular images of central Appalachians as militant labor activists on one hand and passive traditional fatalistic hillbillies on the other The book accomplishes these tasks through a systematic consideration of the relationship between the central experiential bases and sources of identity among Harlan county miners class kinship community religion and gender

*Church and Worship Music* James Michael Floyd, Avery T. Sharp, 2013-10-31 First Published in 2005 Routledge is an imprint of Taylor Francis an informa company

**The Oxford Handbook of American Folklore and Folklife Studies** Simon J. Bronner, 2019-08-06 The Oxford

Handbook of American Folklore and Folklife Studies surveys the materials approaches concepts and applications of the field to provide a sweeping guide to American folklore and folklife culture history and society Forty three comprehensive and diverse chapters delve into significant themes and methods of folklore and folklife study established expressions and activities spheres and locations of folkloric action and shared cultures and common identities Beyond the longstanding arenas of academic focus developed throughout the 350 year legacy of folklore and folklife study contributors at the forefront of the field also explore exciting new areas of attention that have emerged in the twenty first century such as the Internet bodylore folklore of organizations and networks sexual orientation neurodiverse identities and disability groups Encompassing a wide range of cultural traditions in the United States from bits of slang in private conversations to massive public demonstrations ancient beliefs to contemporary viral memes and a simple handshake greeting to group festivals these chapters consider the meanings in oral social and material genres of dance ritual drama play speech song and story while drawing attention to tradition centered communities such as the Amish and Hasidim occupational groups and their workaday worlds and children and other age groups Weaving together such varied and manifest traditions this handbook pays significant attention to the cultural diversity and changing national boundaries that have always been distinctive in the American experience reflecting on the relative youth of the nation global connections of customs brought by immigrants mobility of residents and their relation to an indigenous urbanized and racialized population and a varied landscape and settlement pattern Edited by leading folklore scholar Simon J Bronner this handbook celebrates the extraordinary richness of the American social and cultural fabric offering a valuable resource not only for scholars and students of American studies but also for the global study of tradition folk arts and cultural practice

**Hard, Hard Religion** John Hayes, 2017-09-19 In his captivating study of faith and class John Hayes examines the ways folk religion in the early twentieth century allowed the South's poor both white and black to listen borrow and learn from each other about what it meant to live as Christians in a world of severe struggle Beneath the well documented religious forms of the New South people caught in the region's poverty crafted a distinct folk Christianity that spoke from the margins of capitalist development giving voice to modern phenomena like alienation and disenchantment Through haunting songs of death mystical tales of conversion grassroots sacramental displays and an ethic of neighborliness impoverished folk Christians looked for the sacred in their midst and affirmed the value of this life in this world From Tom Watson and W E B Du Bois over a century ago to political commentators today many have ruminated on how despite material commonalities the poor of the South have been perennially divided by racism Through his excavation of a folk Christianity of the poor which fused strands of African and European tradition into a new synthesis John Hayes recovers a historically contingent moment of interracial exchange generated in hardship

*Performing Religion* Gregory F. Barz, 2016-08-09 *Performing Religion* considers issues related to Tanzanian kwayas KiSwahili choirs musical communities most often affiliated with Christian churches and the music they make known as

nyimbo za kwaya choir songs or muziki wa kwaya choir music The analytical approach adopted in this text focusing on the communities of kwaya is one frequently used in the fields of ethnomusicology religious studies culture studies and philosophy for understanding diversified social processes consciousness By invoking consciousness an attempt is made to represent the ways seemingly disparate traditions coexist thrive and continue within contemporary kwaya performance An East African kwaya is a community that gathers several times each week to define its spirituality musically Members of kwayas come together to sing to pray to support individual members in times of need and to both learn and pass along new and inherited faith traditions Kwayas negotiate between multiple musical traditions or just as often they reject an inherited musical system while others may continue to engage musical repertoires from both Europe and Africa Contemporary kwayas comfortably coexist in the urban musical soundscape of coastal Dar es Salaam along with jazz dance bands taarab ensembles ngoma performance groups Hindi film music rap reggae and the constant influx of recorded American and European popular musics This ethnography calls into question terms frequently used to draw tight boundaries around the study of the arts in African expressive religious cultures Such divisions of the arts present well defended boundaries and borders that are not sufficient for understanding the change adaptation preservation and integration that occur within a Tanzanian kwaya Boundaries break down within the everyday performance of East African kwayas such as Kwaya ya Upendo The Love Choir in Dar es Salaam as repertoires traditions histories and cultures interact within a performance of social identity

### **The Power of Kiowa Song**

Luke E. Lassiter, 1998-09-01 Many Kiowas believe that song is a gift from God Its power argues Luke E Lassiter rests in the many ways that community members hear understand and feel it Song has power As I begin to understand what this means for my mentors I am just beginning to understand what this means in my life They are not just singers They are vehicles for something greater than all of us Indeed I now understand that I am not just a singer But I will sing until I die As a boy Lassiter had an early fascination with pow wows This interest eventually went from a hobby to a passion As Lassiter made Kiowa friends who taught him to sing and traveled the pow wow circuit serving many times as a head singer he began to investigate and write about the pow wow as an experiential encounter with song The Power of Kiowa Song shows how song is interpreted created and used by individuals how it is negotiated through the context of an event and how it emerges as a powerfully unique and specific public expression The Power of Kiowa Song presents a collaborative community wide dialogue about the experience of song Using conversations with Kiowa friends as a frame Lassiter seeks to describe the entire experience of song rather than to analyze it solely from a distance Lassiter s Kiowa consultants were extremely active in the writing of the book re explaining concepts that seemed difficult to grasp and discussing the organization and content of the work In a text that is engaging and easily read Lassiter has combined experiential narrative with ethnological theory to create a new form of collaborative ethnography that makes anthropology accessible to everyone This book is designed for anyone interested in Native American studies or anthropology and it also serves as a resource written by and for the Kiowa

themselves Hear the Power of Kiowa Song      *God's Peculiar People* Elaine J. Lawless, 2021-10-21 Holy Rollers with this epithet most people dismiss members of the Pentecostal sect as wild religious fanatics In this new study folklorist Elaine Lawless draws on fieldwork among Pentecostal congregations in the limestone region of southern Indiana to offer a sympathetic view of the Pentecostals as a special group distinguished by their own folk traditions and religious expression From her findings she describes the members codes of dress and behavior their attitudes toward themselves and others their special use of words and their distinctive religious practices Focusing on the activity of a particular church she then analyzes the structure of the service and shows how its elements singing praying testifying preaching and speaking in tongues exhibit not a formless display of fervor but rather an ordered and traditional sequence that creates a unique religious expression Important to the study is the attention given the role of women Although the Pentecostal interpretation of Biblical teachings accords men dominance women occasionally preach in the church and during the testifying part of the service they are often able to exercise control and religious authority Many of the women have relatives in the dangerous work of the limestone quarries and for these women the personal experience and close relationship fostered by the Pentecostal church Lawless finds offers welcome emotional support This readable study affords a new understanding of one Pentecostal sect and an appreciation of the role of women in fundamentalist religious practices      *Secular Steeples 2nd edition* Conrad Ostwalt, 2012-09-27 An exploration of secularization in America this book provides students with an innovative way of understanding the relationship between religion and secular culture In *Secular Steeples* Conrad Ostwalt challenges long held assumptions about the relationship between religion and culture and about the impact of secularization Moving away from the idea that religion will diminish as secularization continues Ostwalt identifies areas of popular culture where secular and sacred views and objectives interact and enrich each other The book demonstrates how religious institutions use the secular and popular media of television movies and music to make sacred teachings relevant From megachurches to sports arenas the Bible to Harry Potter biker churches to virtual worship communities Ostwalt demonstrates how religion persists across cultural forms secular and sacred with secular culture expressing religious messages and sometimes containing more authentic religious content than official religious teachings An ideal text for anyone studying religion and popular culture each chapter provides questions for discussion a list of important terms and guided readings      **The Worship Mall** Bryan D. Spinks, 2011-02 Religion today is in competition with the leisure and entertainment industries Gen Y the postmodern generation is open to spirituality but most of today's young adults have not been born into faith communities where they feel any lasting allegiance Studies suggest that for the young belief in God is an optional matter a virtual consumer choice As a result different trends in worship and worship styles are offered by different churches to suit lifestyles attitudes and personal taste

## Whispering the Strategies of Language: An Mental Quest through **Powerhouse For God Speech Chant And Song In An Appalachian Baptist Church**

In a digitally-driven earth wherever displays reign great and quick interaction drowns out the subtleties of language, the profound techniques and mental nuances concealed within phrases usually move unheard. Yet, situated within the pages of **Powerhouse For God Speech Chant And Song In An Appalachian Baptist Church** a interesting fictional prize pulsing with raw emotions, lies an extraordinary journey waiting to be undertaken.
