Radical Compassion The Life And Times Of Archbishop Ted Scott By:

Radical Compassion Hugh McCullum, 2004 The story of one good man's struggle to be radical like his prairie heroes and also compassionate in his response to the needs of others Ted Scott fixed his energy on the persons while at the same time working his heart out to raise the systemic issues of the poor and oppressed the marginalized and weak *Radical Compassion* Hugh McCullum, 2004 *The Oxford History of Anglicanism, Volume IV* Jeremy Morris, 2017-02-16 The Oxford History of Anglicanism is a major new and unprecedented international study of the identity and historical influence of one of the world's largest versions of Christianity This global study of Anglicanism from the sixteenth century looks at how was Anglican identity constructed and contested at various periods since the sixteenth century and what was its historical influence during the past six centuries It explores not just the ecclesiastical and theological aspects of global Anglicanism but also the political social economic and cultural influences of this form of Christianity that has been historically significant in western culture and a burgeoning force in non western societies today The chapters are written by international experts in their various historical fields which includes the most recent research in their areas as well as original research The series forms an invaluable reference for both scholars and interested non specialists Volume four of The Oxford History of Anglicanism explores Anglicanism from 1910 to present day *The Oxford History of Anglicanism* Anthony Milton, Jeremy Gregory, Rowan Strong, Jeremy Morris, William L. Sachs, 2017 The Oxford History of Anglicanism is a major new and unprecedented international study of the identity and historical influence of one of the world's largest versions of Christianity This global study of Anglicanism from the sixteenth century looks at how was Anglican identity constructed and contested at various periods since the sixteenth century and what was its historical influence during the past six centuries It explores not just the ecclesiastical and theological aspects of global Anglicanism but also the political social economic and cultural influences of this form of Christianity that has been historically significant in western culture and a burgeoning force in non western societies today The chapters are written by international experts in their various historical fields which includes the most recent research in their areas as well as original research The series forms an invaluable reference for both scholars and interested non specialists Volume four of The Oxford History of Anglicanism explores Anglicanism examines the twentieth century history of Anglicanism in North America Britain and Ireland and Australasia A historiographical introduction provides insight into changing historical interpretation The volume explores perspectives on secularization decolonization mission and the theological identity of Anglicanism It highlights the global communion's movement away from an Anglo centric leadership and a British imperial legacy towards greater diversity and greater influence for the global south Ten themed chapters open up complementary aspects of the history of Western Anglicanism including theological development social justice women human sexuality ecumenical relations mission and decolonization war and peace liturgical revision sociological analysis and the relationship of the church state and nationalism A further section on institutional

development looks at the history of communion wide institutions in the twentieth century and at changing ideas of Anglican identity Later chapters survey the regional history of Western Anglicanism in three substantial chapters examining excessively Australia and New Zealand North America and the British Isles **"I Could Not Speak My Heart"** University of Regina. Canadian Plains Research Center,2004 This anthology of 19 articles documents the pain misunderstanding that lesbian gay bisexual transgendered people have experienced in the very recent past and demonstrates the real progress both in theory in practice that has been made in the struggle for equity social justice The articles include autobiography testament fiction poetry and traditional personal analytic essays from authors with different intellectual perspectives human rights social reform human justice feminist liberationist and queer theory **North American Churches and the Cold War** Paul B. Mojzes,2018-08-23 History textbooks typically list 1945 1990 as the Cold War years but it is clear that tensions from that period are still influencing world politics today While much attention is given to political and social responses to those first nuclear threats none has been given to the reactions of Christian churches North American Churches and the Cold War offers the first systematic reflection on the diverse responses of Canadian and American churches to potential nuclear disaster A mix of scholars and church leaders the contributors analyze the anxieties dilemmas and hopes that Christian churches felt as World War II gave way to the nuclear age As they faced either nuclear annihilation or peaceful reconciliation Christians were forced to take stands on such issues as war communism and their relationship to Christians in Eastern Europe As we continue to navigate the nuclear era this book provides insight into Chris tian responses to future adversities and conflicts CONTRIBUTORS William Alexander Blaikie James Christie Nicholas Denysenko Gary Dorrien Mark Thomas Edwards Peter Eisenstadt Jill K Gill Michael Graziano Barbara Green Raymond Haberski Jr Jeremy Hatfield Gordon L Heath D Oliver Herbel Norman Hjelm Daniel G Hummel Dianne Kirby Leonid Kishkovsky Nadieszda Kizenko John Lindner David Little Joseph Loya Paul Mojzes Andrei V Psarev Bruce Rigdon Walter Sawatsky Axel R Sch fer Todd Scribner Gayle Thrift Steven M Tipton Frederick Trost Lucian Turcescu Charles West James E Will Lois Wilson **Sing a New Song** Julie H. Ferguson,2006-04-01 For the first time Sing a New Song tells the stories of four Canadian bishops who pushed the envelope and changed the world All have faced severe opposition one was involved in the only Anglican schism in Canadian history two jeopardized their careers and one was voted the sixth most important person of the twentieth century whose world view has transformed the wider society Over the last 150 years George Hills David Somerville Douglas Hambidge and Michael Ingham adopted unpopular causes with their eyes wide open They were the men who fought for and won rights for aboriginals women and gays and lesbians In finely drawn and thoroughly researched biographies Julie H Ferguson weaves the bishops impact on society into Canada s history while delivering compelling insights into their personal and spiritual lives Meet this quartet of sharply contrasting and fearless bishops in Sing a New Song Partnership as Mission Kenneth Gray,Maylanne Maybee,2023-11-10 This uniquely Canadian volume tells stories of Ellie Johnson missiologist and director of Partnerships at

the Anglican Church of Canada from 1994 to 2008 More than that this book tells of God's mission and how the Anglican Church of Canada participated in that mission with our ecumenical partners Since the Anglican Congress of 1963 through the years of the ecumenical justice coalitions of the 1970s and 1980s through the drastic organizational restructuring of General Synod in the first decade of the 2000s change in the church has been continuous and relentless Ellie's skill in managing this change remains inspirational today In standing with residential school survivors identifying systemic racism seeking peace and ecojustice and contributing to global conversations about mission priorities and practices Ellie shared her experience and insight widely and effectively Through personal memories and tributes through detailed historical storytelling friends family and colleagues describe their own rich experience working with Ellie Others raise questions about the face and context of mission today recalling Ellie's favorite dictum all mission is local The collection concludes with some of Ellie's own unpublished words There is so much to appreciate about this deeply spiritual person whose legacy lives on as we draw on her legacy to find resilience and strength for today's demanding ecojustice journey Formation for Transformation Bruce Myers,2022-01-13 In the past century the ecumenical movement has made extraordinary efforts in healing the wounds of division in the body of Christ the church However in their formal preparation for ministry many clergy learn little or nothing about the achievements methods or implications of ecumenism This failure to adequately educate and inspire successive generations of Christian leaders about the quest for the church's visible unity risks not only an irretrievable loss of ecumenical memory but also a return to a time in which ignorance fear mistrust suspicion stereotypes caricatures recrimination anathematization even persecution characterized the relations between divided churches Drawing on decades of reflection on ecumenical reception and formation and using the Anglican Church of Canada as a model this book presents an approach to teaching the practical and theological aspects of ecumenism in a way that is both holistic and pragmatic and offers the potential to raise up a new generation of church leaders who are also agents of reconciliation and Christian unity
