Radical Islamic Fundamentalism The Ideological And Political Discourse Of Sayyid Qutb:

Radical Islamic Fundamentalism, 1992 **Radical islamic fundamentalism** Ahmad S. MOUSSALLI, 1992

Radical Islamic Fundamentalism Ahmad Mawṣilī, 1992 Qutb is often called a martyr of the Islamic revival He was twice imprisoned by Nasser and executed in 1966 for plotting against the Egyptian Government This work discusses Qutb's life and writings and focuses upon the political and intellectual foundations of fundamentalism **Islamism: Religion and Ideology** Wilyam Sharʿf, 2009 The book is a critique of Islamic fundamentalism modernist rationalism and imperialism It argues that there is a firm relationship between Islamism and the religion of Islam and that Muslims today need a new Islamic discourse Islamic Democratic Discourse M. A. Muqtedar Khan, 2006-01-01 There is a growing consensus among experts and the educated public alike that democratization will reduce the many problems of the Muslim world The question that remains is how Islam should be incorporated into the public sphere Islamic Democratic Discourse is in itself a dialogue that explores the multi faceted relationship between Islam and democracy Each chapter by a preeminent scholar of the Muslim tradition and its contemporary challenges provides insight into Islamic political thought and its connection to Western democracy Tamara Sonn and Tarek Ramdan consider the elements of government in classical Islam Osman Bakar and Ali Paya provide regional studies of the search for compatibility between Islam and democracy And finally editor Muqtedar Khan and Marc Lynch are among those who offer a global perspective on the discourse on Islam and democracy Unlike many recent efforts which seek to either underscore or dispute the compatibility of Islam and democracy this eclectic collection begins a comprehensive conversation on Islam's role in the public sphere and charts a course toward an authentic Islamic theory of democracy Islamic Democratic Discourse is a crucial addition to the libraries of scholars interested in the future of Islam in the modern world Mawdudi and the Making of Islamic Revivalism Seyyed Vali Reza Nasr, 1996-01-04 Nasr examines the life and thought of Mawlana Mawdudi one of the first and most important Islamic ideological thinkers Mawdudi was the first to develop a modern political Islamic ideology and a plan for social action to realize his vision The prolific writings and indefatigable efforts of Mawdudi's party the Jamaat i Islami first in India and later in Pakistan have disseminated his ideas far and wide His views have informed revivalism from Morocco to Malaysia Nasr discerns the events that led Mawdudi to a revivalist perspective and probes the structure of his thought in order to gain fresh insights into the origins of Islamic revivalism He argues that Islamic revivalism did not simply develop as a cultural rejection of the West rather it was closely tied to questions of communal politics and its impact on identity formation discourse of power in plural societies and nationalism Mawdudi's discourse though aimed at the West was motivated by Muslim Hindu competition for power in British India His aim according to Nasr was to put forth a view of Islam whose invigorated pristine and uncompromising outlook would galvanize Muslims into an ideologically uniform and hence politically indivisible community In time this view developed a life of its own and evolved into an all encompassing perspective on society and politics and has

been a notable force in South Asia and Muslim life and thought across the Muslim world *Islamic Jihadism and the Laws of War* Omar Mekky, 2023-07-21 The rapid rise of global Islamic Jihadism in the past few decades and the limited success of the anti terror campaign in halting its expansion have raised hard hitting questions about how different political actors might preserve and restore the world s peace and security Since the end of the Second World War international law has often been the chief instrument employed to address global conundrums of this kind Nevertheless international law alone cannot solve this problem Jihadist groups often cite Islamic law argumentations to justify their combat related actions against states while rejecting traditional international law rules On the other hand some states themselves ignore traditional international law rules to apply their so called counterterrorism measures The internationally recognized laws of war created to protect those who do not participate in hostilities are constantly challenged by jihadist groups and responding states in justification of their combat actions In *Islamic Jihadism and the Laws of War* Dr Omar Mekky explores both sides legal frameworks synthesising findings from both English and Arabic sources Drawing from the author s field expertise as a legal advisor in the Middle East and North Africa the book narrates how Islamic Jihadism began and evolved outlines the laws jihadists apply during combat addresses how states often react in their fights against jihadist groups and aims for a pragmatic humanitarian legal formula An essential resource for legal professionals policymakers academics and students Mekky s book initiates a constructive dialogue between international law and Islamic law *Key Islamic Political Thinkers* John L. Esposito, Emad El-Din Shahin, 2018-08-08 Islam has become a potent political force around the world since it reemerged in the late 1960 s and 1970 s as a religio political alternative to failed nationalist ideologies In countries throughout the world individuals and movements have attempted to reconstruct the political economic and social dimensions of their societies along Islamic lines taking different approaches to the shari a and to the questions of whether and how to establish an Islamic state *Key Islamic Political Thinkers* offers an examination of some of the leading intellectuals behind the resurgence of political Islam The essays in this volume cover a selection of thinkers that is representative of the main strands of contemporary Muslim political thought It starts with the forefathers of contemporary political Islam Hasan al Banna and Abu al A la al Mawdudi analyzes the revolutionary ideas of Sayyid Qutb Ali Shari ati and Ayatollah Khomeini and ends with the intellectuals of political Islam Hassan al Turabi Rashid al Ghannoushi Yusuf al Qaradawi Muhammad Khatami and Abdolkarim Soroush who exemplify the diversity and complexity of contemporary Muslim political discourse This volume provides a valuable guide to the most important intellectual architects of the Islamic revival **The Oxford Handbook of Islam and Politics** John L. Esposito, Emad El-Din Shahin, 2016 The *Oxford Handbook of Islam and Politics* with contributions from prominent scholars and specialists provides a comprehensive analysis of what we know and where we are in the study of political Islam *Theology and Creed in Sunni Islam* J. Halverson, 2010-04-26 This book explores the correlation between anti theological thought and the rise of Islamism in the twentieth century by examining Egypt s Muslim Brotherhood and the leadership of

Umar al Tilmisani d 1986 **Islam and the Baha'i Faith** Oliver Scharbrodt,2008-04-25 Muhammad Abduh 1849 1905 was one of the key thinkers and reformers of modern Islam who has influenced both liberal and fundamentalist Muslims today Abdul Baha 1844 1921 was the son of Baha ullah 1817 1892 the founder of the Baha i Faith a new religion which began as a messianic movement in Shii Islam before it departed from Islam Oliver Scharbrodt offers an innovative and radically new perspective on the lives of these two major religious reformers in 19th century Middle East by placing both figures into unfamiliar terrain While one would classify Abdul Baha leader of a messianic movement which claims to depart from Islam as an exponent of heresy in Islam Abduh is perceived as an orthodox Sunni reformer This book however argues against the assumption that both represent two extremely opposite expressions of Islamic religiosity It shows that both were influenced by similar intellectual and religious traditions of Islam and that both participated in the same discussions on the reform of Islam in the 19th century Islam and the Baha i Faith provides new insights into the Islamic background of the Baha i Faith and into Abduh s own association with so called heretical movements in Islam **The Muslim Brotherhood** Barbara Zollner,2009-01-13 The Muslim Brotherhood is one of the most influential Islamist organisations today Based in Egypt its network includes branches in many countries of the Near and Middle East Although the organisation has been linked to political violence in the past it now proposes a politically moderate ideology The book provides an in depth analysis of the Muslim Brotherhood during the years of al Hudaybi s leadership and how he sought to steer the organization away from the radical wing inspired by Sayyid Qutb into the more moderate Islamist organization it is today It is his legacy which eventually fostered the development of non violent political ideas During the years of persecution 1954 to 1971 radical and moderate Islamist ideas emerged within the Brotherhood s midst Inspired by Sayyid Qutb s ideas a radical wing evolved which subsequently fed into radical Islamist networks as we know them today Yet it was during the same period that al Hudaybi and his followers proposed a moderate political interpretation which was adopted by the Brotherhood and which forms its ideological basis today **Prophets and Princes** Mark Weston,2011-04-20 Saudi Arabia oil rich devoutly Muslim and a vital ally To many in the West Saudi Arabia is easy to criticize It is the birthplace of Osama bin Laden and fifteen of the nineteen 9 11 hijackers Saudi women are not permitted to drive work with men or travel without a man s permission Prior to 9 11 the Saudis sent millions of dollars abroad to schools that taught Muslim extremism and to charities that turned out to be fronts for al Qaeda In Prophets and Princes a highly respected scholar who has lived in Saudi Arabia contends that despite these serious shortcomings the kingdom is still America s most important ally in the Middle East a voice for moderation toward Israel and a nation with a surprising ability to make many of the economic and cultural changes necessary to adjust to modern realities Author Mark Weston offers an objective and balanced history of the only nation on earth named after its ruling family Drawing on interviews with many Saudi men and women Weston portrays a complex society in which sixty percent of Saudi Arabia s university students are women and citizens who seek a constitutional monarchy can petition the

king without fear of reprisal Filled with new and underreported information about the most controversial aspects of life in Saudi Arabia Prophets and Princes is a must read for anyone interested in the Middle East oil Islam or the war on terror

The Qur'an Massimo Campanini,2010-10-04 The Qur'an Modern Muslim Interpretations offers a lucid guide to how Muslims have read the Qur'an in the twentieth and twenty first centuries Massimo Campanini explores early approaches to the understanding of the Qur'an including that of the Salafis and the construction of the Islamic Renaissance Movement contrasting the development of traditionalist and scientific interpretations and examining the work of the phenomenologists who followed This lively book explores the radical ideas of Sayyid Qutb and his followers a significant part of what is known as political Islamism and investigates the idea of exegesis as a liberation theology through the work of Esack and Wadud Students taking courses on the interpretation of the Qur'an will find this an invaluable aid to their study and it is essential reading for all those interested in how Muslims have understood the Qur'an in the contemporary period **Islam** Roberto Tottoli,2020-10-27 Exploring complex relations between Muslim visions and critical stances this textbook is a compact introduction to Islam dealing with the origins of its forms from early developments to contemporary issues including religious principles beliefs and practices The author's innovative method considers the various opposing theories and approaches between the Islamic tradition and scholars of Islam Each topic is accompanied by up to date bibliographical references and a list of titles for further study while an exhaustive glossary includes the elementary notions to allow in depth study Part I outlines the two founding aspects the Qur'an and Prophet Muhammad highlighting essential concepts according to Islamic religious discourse and related critical issues In Part II the emergence of the religious themes that have characterised the formation of Islam are explored in terms of historical developments Part III on contemporary Islam examines the growth of Islam between the end of the Middle Ages and the beginning of the modern age Advanced readers already familiar with the elementary notions of Islam and religious studies will benefit from Islam that explores the development of religious discourse in a historical perspective This unique textbook is a key resource for post graduate researchers and academics interested in Islam religion and the Middle East **Inside the Brotherhood** Hazem Kandil,2014-11-12 This is the first in depth study of the relationship between the Egyptian Muslim Brotherhood and its own members Drawing on years of participant observation extensive interviews previously inaccessible organizational documents and dozens of memoirs and writings the book provides an intimate portrayal of the recruitment and socialization of Brothers the evolution of their intricate social networks and the construction of the peculiar ideology that shapes their everyday practices Drawing on his original research Kandil reinterprets the Brotherhood's slow rise and rapid downfall from power in Egypt and compares it to the Islamist subsidiaries it created and the varieties it inspired around the world This timely book will be of great interest to students and scholars of the politics of the Middle East and to anyone who wants to understand the dramatic events unfolding in Egypt and elsewhere in the wake of the Arab uprisings *The Muslim Brotherhood in Jordan* Joas Wagemakers,2020-09-17 A wide

ranging account of the Muslim Brotherhood in Jordan and its ideological and behavioural development since its founding in 1945 **New Society Models for a New Millennium** Michael Kuhn, 2007 Textbook **The Oxford Handbook of Millennialism** Catherine Wessinger, 2016-07 Seventh Day Adventists Melanesian cargo cults David Koresh's Branch Davidians and the Raelian UFO religion would seem to have little in common What these groups share however is a millennial orientation the audacious human hope for a collective salvation which may be either heavenly or earthly The Oxford Handbook of Millennialism offers readers an in depth look at both the theoretical underpinnings of the study of millennialism and its many manifestations across history and cultures World Philosophies Ninian Smart, 1999 World Philosophies is a comprehensive survey of the world's philosophical and religious traditions by one of our foremost religious thinkers Ninian Smart discusses notable figures such as Plato and Kierkegaard in the West the Buddha and Mao Zedong in Asia Tempels and Knibanga in Africa and Rodo and Royce in America Covering a wide range of topics including Indian ideas of testimony and evidence Chinese notions of moral development Buddhist concepts of cosmology and Latin American critiques of materialism Smart sheds new light on the astonishing diversity of philosophies that have developed throughout history
