Radio Mystery:

Radio Mystery and Adventure and Its Appearances in Film, Television and Other Media Jim Harmon, 2011-01-14
From the 1920s to the 1950s radio was the entertainment source for millions. Two of the primary themes of radio serials were mysteries and adventure. This is a detailed analysis of the important programs in these genres: Jack Armstrong, The Green Hornet, Sergeant Preston, Tom Mix, and more. Each entry includes type of series, broadcast days, air dates, sponsors, network, cast, and production credits, and a comprehensive essay. When, as often happened, the series landed in other media, that is examined as well. *The Radio Mystery* Gertrude Chandler Warner, 2003-11-01. Boxcar Children 97. **The CBS Radio Mystery Theater** Gordon Payton, Martin Grams, Jr., 2004-02-09. Almost every evening for nine years during the late 1970s and early 1980s, the CBS Radio Mystery Theatre brought monsters, murderers, and mayhem together for an hour. Created, produced, and directed by Himan Brown, the series remains a landmark in radio drama. This book is a detailed history and episode guide to the show. Descriptive information includes exact titles, airdates, and rebroadcast dates; episode numbers; cast lists; writer and adapter credits; and a storyline synopsis. This material comes directly from CBS press releases in order to insure complete accuracy. Also included, wherever possible, are information about the actors and actresses, quotes from performers and writers, many from personal interviews, anecdotes about various scripts, and sound effects, and other notes of interest. Slip Cue Joyce Krieg, 2025-08-22. Caller One: She was just the sweetest thing there. There's no way she could have done all those horrible things you media people keep saying she did. Just no way. Caller Two: Who's to say someone else didn't kill that Johnny Venture? Jasmine could have just been in the wrong place at the wrong time. How do we know for sure? Caller Three: If she really didn't do it, why break out of jail? Why not wait for the verdict and walk away a free woman? These are some of the comments. Not really unexpected that Shauna J. Bogart is getting on her talk radio show after the news that a television and radio star known as Jasmine has escaped from custody. After a long career as an entertainer, Jasmine has been making an amazing comeback, but now she's just been jailed. Well, someone who wakes up and finds a dead body beside her in her hotel bed can't really complain about that. The news now is that as Jasmine and four other women prisoners are being transferred to a different jail, the police van is intercepted on the road and the women freed. Since the nationally famous Jasmine was a local girl, Shauna J.'s callers, all of whom claim to have known her, are quick and thrilled to comment. Shauna J. is thrilled too. Anyone who works in the news business, she tells us, will admit to the same if they're honest. Add to that the notice she's just received that tells her she's been voted into the Broadcast Legends Hall of Fame. With her lover Peter off on some annoyingly mysterious mission, Shauna decides to follow her dream: she will find Jasmine herself and get a firsthand interview. Shauna's convinced she can get it; she's got something other news people don't have. The song "Meet Me at the Casbah" is what has sparked Jasmine's second round of fame, and Shauna's own mother had coached Jasmine in that song many years ago. That the identity of the dead man and a scam connected with the song itself all begins to come obligingly together. But the tighter

the strands are tied the more Shauna herself is in real jeopardy As in her first award winning book Joyce Krieg has the delightful Shauna take you behind the scenes of the broadcast world and beyond spiced by the call ins of Shauna J s listeners and decorated with bona fide pictures of what goes on backstage in local radio in Slip Cue **Riding Gain** Joyce Krieg,2005-11 Talk show host Shuana J finds herself in the middle of a murder investigation in this Agatha nominated series When a former intern at her station is found murdered in what police call a drug deal gone bad Shauna J plunges into an investigation of her own Reel Murder Mary Kennedy,2010 Determined to get a much needed ratings boost for her failing radio talk show psychologist Maggie Walsh who considers herself the female Dr Phil cons her way onto a big movie set only to be faced with murder which could bring about the end of her career permanently Original The Radio Mystery Gertrude Chandler Warner,2003-10-01 As Henry Jessie Violet and Benny perform in a live mystery show being broadcast on an old fashioned AM radio station they begin to wonder if the station is haunted and set out to solve the mystery *Live, Local, and Dead* Nikki Knight,2022-10 In a fit of anger radio DJ Jaye Jordan blows a snowman s head off with a Revolutionary War style musket But the corpse that tumbles out is all too human Jaye thought life would be quieter when she left New York City and bought a tiny Vermont radio station But now Edwin Anger the ranting and raving radio talk show host who Jaye recently fired lies dead in the snow And the Edwin Anger fans who protested his dismissal are sure she killed him *Radio Programs, 1924-1984* Vincent Terrace,2015-09-02 This is an encyclopedic reference work to 1 802 radio programs broadcast from the years 1924 through 1984 Entries include casts character relationships plots and storylines announcers musicians producers hosts starting and ending dates of the programs networks running times production information and when appropriate information on the radio show s adaptation to television Many hundreds of program openings and closings are included

Radio Rides the Range Jack French, David S. Siegel, 2013-11-05 This is a comprehensive encyclopedia to the more than 100 radio programs portraying the American West in fact and fiction heard by generations of listeners from the Great Depression through the Cold War era. The book includes both the popular and lesser known series as well as would-be offerings that never made it past the audition stage. Each entry describes the series, the extent to which it was based on actual facts, the audience it was written for, and its broadcast history. The descriptions also examine how the programs reflected society's changing social and cultural attitudes towards racial and ethnic minorities and the role of women. The availability of surviving audio copies and original scripts is noted. An extensive bibliography and several appendices provide additional sources of information about Western programming during the Golden Age of Radio.

Radio in the Movies Laurence Etling, 2014-01-10 This richly detailed examination of two branches of American entertainment focuses on the various ways that radio stations and air personalities have been depicted in motion pictures from 1926's *The Radio Detective* to more recent films like 2006's *A Prairie Home Companion*. Cinematic portrayals of various aspects of radio are covered, including disc jockeys, sports broadcasts, religious programs, and the talk radio format. Such films as *The Big Broadcast* (1932), *Reveille with Beverly* (1943), *Mister Rock and Roll* (1957), *WUSA* (1970), *Radio Days* (1987), and *Private Parts* (1997) provide fascinating insights not only into their own times but also into the historical eras that some of these films have endeavored to recreate. A chronological filmography of more than 600 titles is included.

Radio Speakers Jim Cox, 2024-10-17 In the days before television, radio was the constant voice in American life. When radio spoke, America listened, especially to the men and women who spoke directly to their unseen audience. Sometimes formal, sometimes as familiar as the friend next door, their presence filled the airwaves: announcers, newscasters, sportscasters, showbiz reporters, advice consultants, emcees, and breakfast chatterboxes. These radio personalities became as popular and familiar as the most public faces of the time. Here, among profiles of more than 1,100 radio speakers, are famous names like George Ansbro, Red Barber, H. V. Kaltenborn, Dorothy Kilgallen, Edward R. Murrow, Louella Parsons, Walter Winchell, and more. Also amply represented are hundreds of lesser-known individuals who left indelible auditory impressions. Whether their fame was forever or fleeting, all were a part of the American voice during the grand epoch of network radio.

Radio Crime Fighters Jim Cox, 2015-06-14 In the early days of radio, producers, directors, and scriptwriters were well aware of the listening public's fascination with subject matter tinged with wrongdoing. Stories of right and wrong, crime and punishment, and law and order kept audiences of every age hooked for more than thirty years. This work covers 300 syndicated radio mystery and adventure serials that aired in the early or middle twentieth century. To be included, a series must have had one or more regularly appearing characters who fought against espionage, theft, murder, and other crimes. Each entry includes series name, air dates, sponsor, extant episodes, cast information, and synopsis.
