Deities and The Temples in Southern Indian Peninsula Trilochan Dash, **Theorizing a Colonial Caribbean-Atlantic Imaginary** Keith Sandiford, 2010-11-23 This book develops a theory of a Caribbean Atlantic imaginary by exploring the ways two colonial texts represent the consciousnesses of Amerindians Africans and Europeans at two crucial points marking respectively the origins and demise of slavocratic systems in the West Indies Focusing on Richard Ligon s *History of Barbados* 1657 and Matthew Monk Lewis *Journal of a West India Proprietor* 1834 the study identifies specific myths and belief systems surrounding sugar and obeah as each of these came to stand for concepts of order and counterorder and to figure the material and symbolic power of masters and slaves respectively Rooting the imaginary in indigenous Caribbean myths the study adopts the pre Columbian origins of the imaginary ascribed by Wilson Harris to a cross cultural bridge or arc and derives the mythic origins for the centrality of sugar in the imaginary s constitution from Kamau Brathwaite The book s central organizing principle is an oppositional one grounded on the order counterorder binary model of the imaginary

formulated by the philosopher social theorist Cornelius Castoriadis The study breaks new ground by reading Ligon s History and Lewis Journal through the lens of the slaves imaginaries of hidden knowledge By redefining Lewis subjectivity through his poem s most potent counterordering symbol the demon king this book advances recent scholarly interest in Jamaica s legendary Three Fingered Jack What Do I Read Next? 2002 Neil Barron,Gale Group,2002-10-22 By identifying similarities in various books this annual selection guide helps readers to independently choose titles of interest published in the last year Each entry describes a separate book listing everything readers need to know to make selections Arranged by author within six genre sections detailed entries provide Title Publisher and publication dateSeriesNames and descriptions of charactersTime period and geographical settingReview citationsStory typesBrief plot summarySelected other books by the authorSimilar books by different authorsAuthor title series character name character description time period geographic setting and genre sub genre indexes are included to facilitate research *Zilbagias the Demon Prince: How the Seventh Prince Brought Down the Kingdom Volume 1* Tomoaki Amagi,2024-04-26 The hero Alexander and his comrades unleash a daring raid on the Demon King s castle intent on assassinating him and bringing an end to the war against the darkness in one fell swoop However the raid goes awry when his party is effortlessly decimated by the Demon King s overwhelming power But death is not the end of the road for Alexander as he is reincarnated two years later as that very same Demon King s son With the memories of his past life still intact he vows to use his miraculous second chance to continue fighting this time destroying the demonic kingdom from within as the Demon Prince Zilbagias It doesn t take long for his mettle to be tested either as passing as a young demon prince without blowing his cover proves to be quite a bit more challenging than he initially anticipated *Abducted Princess Running Rampant: Wielding Forbidden Magic in the Demon King's Castle Volume 1* Hiroshi Nagamatsu,2025-05-07 As a holy princess born with divine powers Mil spends her days blessing adventurers from all across the kingdom Inspired by their tales of dragons demons and treasure filled dungeons she has long dreamed of someday setting out on an adventure of her own But she s destined for an uneventful life confined to her father s castle That is until she s kidnapped by the Demon King and forced to use her powers to aid his forces instead Unfortunately the novelty soon wears off and life imprisoned in the Demon King s Castle turns into another dull routine It seems Mil s only hope to escape the monotony is to somehow grow strong enough to break free and evade her captor In a castle filled with demonic combat instructors cursed weapons and tomes of evil spells Mil s development is going to be far from holy but that s not about to stop her She s determined to have the adventure she has always longed for even if it means mastering forbidden magic What Do I Read Next?
