The Ottawa International Animation Festival OIAF began in 1976 and stands today as one of the oldest and largest animation events in the world. One of the unique features of the OIAF is the inclusion of commissioned writings that provide attendees with a more in depth background into the festival's special screenings. These writings have not only contextualized the festival presentations but have also contributed significantly to animation education and scholarship. The Corners are Glowing is a selection of the best writings many unseen for decades culled from past OIAF catalogues. These wide ranging texts cover the spectrum of animation from the familiar Daffy Duck, Pee Wee Herman, Bob Clampett, Joanna Quinn, Hayao Miyazaki, Frank Tashlin to the more esoteric Robert Breer, Emily Pelstring, Taku Furukawa, Michael Sporn and even the use of furniture in animation. The Corners are Glowing is a valuable time capsule that celebrates animation's past and present and the styles of writing are as diverse, enlightening and fun as the animation subjects being written about.

Masters of Animation John Grant, 2001. This text looks at the careers and work of some thirty of the greatest masters of the art of animation from Winsor McCay, Disney and the Fleischers through to Svankmajer and Jim Henson.
