Raincoast Chronicles First Five Raincoast Chronicles

Rosella M. Leslie

Raincoast Chronicles First Five Raincoast Chronicles:

Raincoast Chronicles, First Five Howard White, 1976 *Raincoast Chronicles First Five* Howard White, 1998-10 A book that has become a west coast institution articles stories poems drawings covering every imaginable aspect of northwest history and folklore The first five issues of Raincoast Chronicles dating back to 1972 Winner of the first Eaton's British Columbia Book Award this is the innovative institution at the heart of BC regional publishing Northwest history and folklore unromanticized in a unique magazine format blending reminiscences articles drawings photos The best source book available on Canada's west coast Books in Canada Utterly absorbing until Raincoast Chronicles came along the fabulous west coast rum runners and ghost logging camps went unrecalled save in the dimming memories of oldtimers Maclean's The magazine is a thoroughly professional production in terms of design layout and graphics and the quality of the writing is just as impressive Quill and Quire Raincoast Chronicles reveals western identity as dense as the undergrowth in the rainforest and as richly alive CBC Radio Still my favourite magazine Lorne Parton *Raincoast Chronicles Six/ten* Howard White, 1983

Over thirty historical articles along with fiction poetry reviews remarkable photographs and beautiful line drawings Some of the authors represented are Earle Birney M Wylie Blanchet Hubert Evans Jack Hodgins Edith Iglauer W P Kinsella Dorothy Livesay Pat Lowther Susan Musgrave John Skapski Jim Spilsbury Peter Trower Sean Virgo Howard White and George Woodcock Truly a book to cherish and savour for years to come Amazon.ca **The Promise of Paradise** Andrew Scott, 2017-03-25 The West has long attracted visionaries and schemers from around the world And no other region in North America can outstrip British Columbia for the number of utopian or intentional settlement attempts in the past 150 years Andrew Scott delves into the dramatic stories of these fascinating but often doomed communities From Doukhobor farmers to Finnish coal miners Quakers and hippies many groups have struggled to build idealistic colonies in BC's inspiring landscape While most discovered hardship disillusionment and failure new groups sprang up and continue to spring up to take their place Meet the quick tempered slave driving Madame Zee partner of the infamous Brother XII who reportedly beat followers with a riding crop Hear from Richard The Troll Schaller who founded the Legal Front Commune General Store and Funny Food Farm on the Sunshine Coast setting off a storm of hostility from locals Congregate with Jerry LeBourdais and fellow members of the Ochiltree Organic Commune who rebelled from hippie communes by embracing meat eating and coffee drinking With careful research and engaging first person accounts Scott sifts through the wreckage of the utopia seekers dreams and delves into the practices and philosophies of contemporary intentional communities This book is a compendium of astounding misadventures as well as an intriguing analysis of what moves people to search for paradise

The Archaeology of Vernacular Watercraft Amanda M. Evans, 2016-04-19 This volume presents multiple idiographic archaeological studies of vernacular watercraft from North America and the Caribbean Rather than attempt to synthesize all vernacular types this volume focuses on ship construction data recovered through archaeological investigations that has

been used to make inferences about culture This collection of case studies including many examples from cultural resource management and graduate student theses presents a thematic exploration of cultural adaptation as expressed through ship construction

Tales From the West Coast Adrienne Mason,2003 From record breaking tea clippers to rum runners and sea monsters life on the west coast has never been dull Rich in seafaring legend and adventure these stories will take you on a voyage of discovery into the past

Ocean of Destiny Arthur Lower,2011-11-01 The modern history of the North Pacific began five hundred years ago when Europeans sailed into the ocean for the first time This discovery shaped the destinies of seven countries that now rim its Asiatic and North American shores Russia China Japan North Korea South Korea the United States and Canada Their history is an exciting epic of discovery the great expeditions of Marco Polo Drake and Magellan the quest for the spices of Cathay the early days of the fur trade the gold rush and the long treks westward across North America to first establish Canadian and American possessions on the Pacific shore Rivalry and confrontation were part of this epic From the sixteenth to the nineteenth century European powers contested for the riches of the East and the West the wealth of the ocean and territory to sate colonial ambitions Since that time full blooded conflicts developed between Asian states and between Asia and the Western powers As a major trading power in the Pacific with no tradition of territorial expansion and as a respected peacekeeper Canada is in a unique position to view the history of the Pacific impartially This survey is doubly valuable not only as the first history of the North Pacific dealing with the concurrent events in the East and West but also as a history reflecting Canada s international outlook

Upcoast Summers Beth Hill,Francis Barrow,1985 Francis and Amy Barrow spent the summers between 1933 and 1941 exploring the west coast in their little boat searching for and recording First Nations rock art and yarnning with the homesteaders in remote bays and inlets

The Sunshine Coast Rosella M. Leslie,2001 Discover what makes the Sunshine Coast a special place to live holiday fulfill one s dreams or simply put to be This book introduces readers to the resourceful people who settled in the once isolated seaside villages and infused them with community spirit through their dedication to the environment history arts sports and recreation

Hub City Jan Peterson,2003 The Nanaimo Bastion which marked its 150th anniversary in 2003 remains a prominent symbol of Nanaimo s heritage as an HBC fort coal mining centre and transportation hub a vital link between other developing parts of Vancouver Island and the Lower Mainland Hub City the second volume in Jan Peterson s trilogy on Nanaimo s vibrant history tells of the development of this Vancouver Island community from the arrival of the E N Railway in 1886 through to the end of the First World War and the Spanish enfluenza epidemic Included in her story are such pivotal events as the mining disaster of 1887 the Big Strike of 1912 1914 the emergence of the labour movement and the rise and fall of coal baron James Dunsmuir

Raincoast Chronicles, First Five; Stories and History of the B.C. Coast ,1976

Spirits of Our Whaling Ancestors Charlotte Coté,2015-07-21 Following the removal of the gray whale from the Endangered Species list in 1994 the Makah tribe of northwest Washington State announced that they would revive their whale hunts their relatives the Nuuchah Nulth

Nation of British Columbia shortly followed suit Neither tribe had exercised their right to whale in the case of the Makah a right affirmed in their 1855 treaty with the federal government since the gray whale had been hunted nearly to extinction by commercial whalers in the 1920s The Makah whale hunt of 1999 was an event of international significance connected to the worldwide struggle for aboriginal sovereignty and to the broader discourses of environmental sustainability treaty rights human rights and animal rights It was met with enthusiastic support and vehement opposition As a member of the Nuuchahnulth Nation Charlotte Cote offers a valuable perspective on the issues surrounding indigenous whaling past and present Whaling served important social economic and ritual functions that have been at the core of Makah and Nuuchahnulth societies throughout their histories Even as Native societies faced disease epidemics and federal policies that undermined their cultures they remained connected to their traditions The revival of whaling has implications for the physical mental and spiritual health of these Native communities today Cote asserts Whaling she says defines who we are as a people Her analysis includes major Native studies and contemporary Native rights issues and addresses environmentalism animal rights activism anti treaty conservatism and the public's expectations about what it means to be Indian These thoughtful critiques are intertwined with the author's personal reflections family stories and information from indigenous anthropological and historical sources to provide a bridge between cultures A Capell Family Book

Bootleggers and Borders Stephen T. Moore, 2014-11-01 Between 1920 and 1933 the issue of prohibition proved to be the greatest challenge to Canada U S relations When the United States adopted national prohibition in 1920 ironically just as Canada was abandoning its own national and provincial experiments with prohibition U S tourists and dollars promptly headed north and Canadian liquor went south Despite repeated efforts Americans were unable to secure Canadian assistance in enforcing American prohibition laws until 1930 **Bootleggers and Borders** explores the important but surprisingly overlooked Canada U S relationship in the Pacific Northwest during Prohibition Stephen T Moore maintains that the reason Prohibition created such an intractable problem lies not with the relationship between Ottawa and Washington DC but with everyday operations experienced at the border level where foreign relations are conducted according to different methods and rules and are informed by different assumptions identities and cultural values Through an exploration of border relations in the Pacific Northwest **Bootleggers and Borders** offers insight into not only the Canada U S relationship but also the subtle but important differences in the tactics Canadians and Americans employed when confronted with similar problems Ultimately British Columbia's method of addressing temperance provided the United States with a model that would become central to its abandonment and replacement of Prohibition

Carving the Western Path R. G. Harvey, 2011-06-15 A century of dealmaking and government misdeeds forms the backdrop of this entertaining account of sternwheelers iron horses and mountain roads Battling factions of rail builders crossed many a line in the sand as they carved up both the land and the spoils of industry Did both federal and provincial politicians wittingly sabotage road construction programs to the benefit of the rail barons

Were Cornelius Van Horne Major A B Rogers and Andrew McCulloch fully deserving of the accolades bestowed on them Was railway man J J Hill a genius or an opportunist R G Harvey has applied a keen mind and deft pen to uncover skulduggery in politics and critical routing errors by the early surveyors and engineers who carved their western paths In turn he has exposed new scars and wrinkles to add to historic portraits otherwise untainted Writing in the Rain Howard White,1990

Winner of the 1991 Stephen Leacock Award for Humour **Following the Curve of Time** Cathy Converse,2011-02-01

Cathy Converse has given us a welcome commentary on Capi Blanchet and her world one that enriches our understanding of both The Tyee A paperback edition of the BC Book Award nominated biography of Capi Blanchet the author of the BC coastal classic The Curve of Time After her husband died in 1926 from a suspected drowning Capi Blanchet spent every summer cruising BC s west coast with her five children and their dog in the family s 25 foot boat The Curve of Time is the book Capi wrote chronicling these adventures and it remains a bestseller and a classic in the annals of nautical literature But little is known about the rest of her life Cathy Converse found herself asking who was this skipper this mother this writer In this biography Converse offers insiders recollections of this enigmatic woman along with family photos and updated information about the villages inlets and islands described in The Curve of Time Following the Curve of Time is essential reading for anyone who has ever been captivated by the book the West Coast or Capi herself Return of the Wolf Paula

Wild,2018-10-13 Wolves were once common throughout North America and Eurasia But by the early twentieth century bounties and organized hunts had drastically reduced their numbers Today the wolf is returning to its ancestral territories and the coywolf a smaller bolder wolf coyote hybrid is becoming more common In Return of the Wolf author Paula Wild gathers first hand accounts of encounters with wolves and consults with wildlife experts for suggestions on how minimize conflict respond to aggressive wolves and coexist with the apex predator Wild explores the latest theories on how wolves became dogs the evolving strategies to prevent livestock predation and why Eurasian wolves seem more aggressive toward humans than their North American cousins She also addresses the many misconceptions about wolves for example that they howl when hungry kill for pleasure and always live in packs What is true is that a wolf possesses a howl as unique as a human fingerprint and can trot eight kilometres per hour for most of the day or night in search of prey while using earth s magnetic field to find its way Some scientists consider wolves complex social structures and family bonds closer to humans than those of primates In a skillful blend of natural history Indigenous stories and interviews with scientists and conservationists Wild examines our evolving relationship with wolves and how society s attitudes affect the populations behaviour and conservation of wolves today As a highly social intelligent animal the wolf is proving adept at navigating the challenges of an ever changing landscape But their fate remains uncertain Wolves are adapting to humans can humans adapt to wolves

Commander Francis Drake & the West Coast Mysteries Gunnar Thompson,2010-09-01 Discovery of Drake s lost navigational chart finally reveals secrets behind his voyage to America s West Coast in 1579 The secret location of Drake s

colony New Albion is finally identified This was the first British colony in America and it marks the beginning of the British Empire At last we know the reason for an ongoing feud between Queen Elizabeth and Sir Francis He wanted desperately to rescue the shipmates that he left behind in New Albion Drake used a shipboard clock to map the West Coast This is the first map of America that was made using a chronometer thus Drake s map is accurate to within 15 degrees of the true longitude Drake was not just a pirate as most historians assume He was a naturalist ethnographer and geographer Drake s map and his new ship design opened the way for the Dutch East India Company

Canadian Books in Print 2002 Marian Butler,2002-02

The Island in Imagination and Experience Barry Smith,2017-06-15 From Treasure Island to Robben Island from the paradise of Thomas More s Utopia to Napoleon s purgatory on Elba islands have proved irresistible to mankind s imagination since time immemorial Self confessed islomaniac Barry Smith explores how islands bewitch us so and examines the kind of human experiences that islands inspire Journeying all around the globe to take in the most fascinating stories of Earth s half a million islands this book considers the unique geography politics and economics of islands and their cultures It traces their singular place in literature religion and philosophy and disentangles the myths and the facts to reveal just why islands exert such an insistent grip on the human psyche
