Fassbinder's Germany Thomas Elsaesser, 1996 Rainer Werner Fassbinder is one of the most prominent and important authors of post war European cinema Thomas Elsaesser is the first to write a thoroughly analytical study of his work He stresses the importance of a closer understanding of Fassbinder's career through a re-reading of his films as textual entities Approaching the work from different thematic and analytical perspectives Elsaesser offers both an overview and a number of detailed readings of crucial films while also providing a European context for Fassbinder's own coming to terms with fascism

Rainer Werner Fassbinder and the German Theatre David Barnett, 2005-11-24 Publisher description

Television, Tabloids, and Tears Jane Shattuc, 1995 I am Biberkopf Rainer Werner Fassbinder declared aligning himself with the protagonist of his widely seen television adaptation of Berlin Alexanderplatz The statement provoked an unprecedented national debate about what constituted an acceptable German artist and who has the power to determine art More than any recent German director Fassbinder embodied this debate and Jane Shattuc shows us how much this can tell us not just about the man and his work but also about the state of culture in Germany It is fascinating in itself that

Fassbinder a highly controversial public figure **On Rainer Werner Fassbinder** David Bathrick, 1994 The Anarchy of the Imagination Rainer Werner Fassbinder, 1992 This book collects the most important interviews essays and working notes of Rainer Werner Fassbinder one of the most influential cultural figures to emerge from postwar Germany The writings in this volume nearly all presented here for the first time in English are an essential part of Fassbinder's legacy the remarkable

body of work in which present day German reality finds brilliant expression **Rainer Werner Fassbinder** Laurence Kardish,Juliane Lorenz,1997 Of all the filmmakers who created a new international cinema in the 1960s and 1970s the young German writer director Rainer Werner Fassbinder 1945 1982 was unquestionably the most prolific and the most gifted This bold book of writings by and about Fassbinder includes contributions by film historians and critics plus an illustrated filmography and recollections by Fassbinder s colleagues and friends 67 photos **Plays** Rainer Werner Fassbinder,1985 Fassbinder s version of modern post civilized terror was like much else about his work ahead of its time San Francisco Chronicle The Anarchy of the Imagination Rainier Werner Fassbinder,1992-11-30 In Rainer Werner Fassbinder s A Year of Thirteen Moons the camera watches the prostitute Red Zora as she watches Fassbinder in a television interview The actress is Ingrid Caven the director s former wife and the woman with whom he claims to have his most important elective affinity At once provocative and revealing the scene illustrates Fassbinder s interest in blurring the boundaries between art and life between fiction and autobiography His public comments like his films and plays were occasions for aesthetic experimentation rich in irony and drama **Rainer Werner Fassbinder - Theater als Provokation** David Barnett,2012

Understanding Rainer Werner Fassbinder Wallace Steadman Watson,1996 Watson s draws on a wide assortment of Fassbinder interviews many of which are not available in English and on theoretical and critical approaches employed in the Frankfurt School performance and reception theories gay and lesbian film theory and studies of melodrama and camp Watson also incorporates his own interviews with Fassbinder s mother and with the woman who served as Fassbinder s film editor and companion during the final four years of his life A comprehensive balanced study Understanding Rainer Werner Fassbinder also features an annotated bibliography extensive notes a filmography of Fassbinder s works and a listing of films and television programs that examine Fassbinder and his achievements Back cover Fassbinder Christian Braad Thomsen,2004 Rainer Werner Fassbinder was the most innovative practitioner of New German Cinema He worked at breakneck speed and in fourteen years made forty four films including Ali Fear Eats the Soul 1973 and The Marriage of Maria Braun 1978 Fassbinder ruthlessly attacked both German bourgeois society and the larger limitations of humanity and his films detail the desperate yearning for love and freedom and the many ways in which society defeats that desire In Fassbinder Christian Thomsen a close friend of the director illuminates Fassbinder s body of work while revealing his insider views of a man who despite a furious temper manic working habits and rampant drug addiction supported an extended family including his mother a string of male lovers lovelorn women and even a pair of frustrated wives with his intoxicating and prolific imagination This book like Fassbinder s often used image of the mirror brilliantly reflects the sexual political and overwhelmingly human contradictions inherent in the life of this intensely creative man and the remarkable films he directed Christian Braad Thomsen is a Danish filmmaker and scholar Personal Experience and the Media Klaus Ulrich Miltz,2006 The work of the West German artist Rainer Werner Fassbinder is as versatile as it is extensive During the 16 years of his

artistic career Fassbinder produced more than 40 films and staged 29 plays half of which he had written himself In doing so he not only drew on aesthetic traditions as diverse as the German folk play the American gangster film Hollywood melodrama the Theatre of Cruelty and the French Nouvelle Vague but also worked in three media simultaneously theatre cinema and television It has often been pointed out that this versatility appears to forestall any conceptualisation of Fassbinder s work from the vantage point of its production The present work aims at exactly such a conceptualisation by exploring the interplay between his work for the different media **FASSBINDER ED TONY RAYNS.** Tony Rayns,1980 **Fassbinder**
