after a battle between titans eliminates the principal contestants He at first meant well and had the intention of helping to reform society Post election litigation and his lack of the economic leverage almost cost him his mandate But again fate plays a hard one on him and because of his lack of cash he gets tied up to the economic vampires of his society He is bailed out by a coalition of these vampires and narrowly reclaims his mandate only after colossal bribing of umpires who were least expected to soil their hands He decides never to go begging ever again and hence he delves headlong into the rot and decay not by his will but by the circumstances prevailing around him
