Profile of a Religious Man Edwin Zackrisson, 2020-11-11 This book is a journey book Sitting down at a computer and producing the story has been a grand trek I have learned that there is a principle in nature that some things need to mellow calm down and soak in The refusal of winemakers to take a wine before its time is a notion I am coming to understand It works with writers as well Like a fetus signaling its mother that it is time to head for the hospital a literary work stays in the mind until its time In my education I have read of the battles of great Church leaders who were eventually thrown out of their churches In my denominational education I was largely led to see them as heretics rebels eccentrics revolutionaries apostates and as generally representing a lower form of spirituality Church education often asked me to surrender my biases in favor of accepting a new set of assumptions my denominational ones We were to be critical of everything except our organization I submit that there is danger in that This book will cover incidents from the first forty years of my life as a religious addict You may find something here that you can identify with Real God, Real Life Jo Saxton, 2011-10-13 As Christians we want our relationship with God to grow to mature We consider things like our devotional life and spiritual formation as fundamental to our Christian faith But then there's the rest of life young kids or long hours at work financial pressures illness in the family high points disappointments faith crises We want a faith that's deep but also a life that works How do we get a life beyond the quiet time In REAL GOD REAL LIFE popular speaker Jo Saxton shows us how we can follow in Paul's footsteps and train ourselves to be godly Full of practical ideas and anecdotes this is spiritual formation for everyone

living the meaningful countercultural lives to which Christ has called us and to give in to a world that encourages us to go with the flow How will we respond In his letter to the Philippians Paul gives advice that is invaluable to the twenty first century church The Philippians were assembled in the middle of a corrupt sensual society fighting against the norms of the world around them They were God s representatives in a secular society and they maintained a singular focus vision and purpose In The Power of Purpose Pastor Michael Catt walks us through this letter to the Philippians exploring how God is still calling His church even in the rapidly changing world of the 21 st century to be his representatives He is calling us to maintain a singular focus and vision He is calling us to the power of purpose
