Rituals Of Love:

Love and Society Swen Seebach, 2017-04-21 Why does love matter Love and Society discusses the meaning and importance of love for contemporary society Love is not only an emotion that occurs in our intimate relationships it is a special emotion that allows us to relate to each other in a lasting fashion to create out of our individual pasts a shared past which enables us to project a shared future Bringing together the idea of Simmel's second order forms with theories of love this insightful volume shows that the answer to why love is so central to society can be found in the social transformation of the last two centuries It also explains how we can build our strongest social bonds on the fragility of an emotions thanks to the creation of special moments love rituals and intimate stories love myths that are central to the weaving of lasting social bonds Going to the cinema reading a book together or sharing songs are forms of weaving bonds of love and part of the cycle of love But love is not only shared between two people the desire and the search for love is something we share with almost all members of society With rich empirical data an analysis of love's transformation in modernity and a critical engagement with classical and contemporary theorists this book provides a lively discussion on the meaning and importance of love for today's society It will be of interest to undergraduate and postgraduate students and postdoctoral researchers who are interested in fields such as Sociology of Emotions Sociological Theory and Sociology of Morality International Handbook of Love Claude-Hélène Mayer, Elisabeth Vanderheiden, 2021-05-04 This handbook is the winner of the William B Gudykunst Award for Outstanding Book in 2023 given by the International Academy of Intercultural Research This handbook includes state of the art research on love in classical modern and postmodern perspectives It expands on previous literature and explores topics around love from new cultural intercultural and transcultural approaches and across disciplines It provides insights into various love concepts like romantic love agape and eros in their cultural embeddedness and their changes and developments in specific cultural contexts It also includes discussions on postmodern aspects with regard to love and love relationships such as digitalisation globalisation and the fourth industrial revolution The handbook covers a vast range of topics in relation to love aging health special needs sexual preferences spiritual practice subcultures family and other relationships and so on The chapters look at love not only in terms of the universal concept and in private intimate relationships but apply a broad concept of love which can also for example be referred to in postmodern workplaces This volume is of interest to a wide readership including researchers practitioners and students of the social sciences humanities and behavioural sciences In the 1970s through the 90s I was told that globalization was homogenizing cultures into a worldwide monoculture This volume as risky and profound as the many adventures of love across our multiplying cultures proves otherwise The authors revolutionary and courageous work will challenge our sensibilities and expand the boundaries of what we understand what love is But that's what love does It communicates what it offers what can be and pleads for what must be I know you'll enjoy this wonderful book as much as I do Jeffrey Ady Associate Professor retired Public Administration

Program University of Hawaii at Manoa Founding Fellow International Academy for Intercultural Research The International Handbook of Love is far more than a traditional compendium It is a breath taking attempt to synthesize our anthropological and sociological knowledge on love It illuminates topics as diverse as Chinese love one night stands teen romance or love of leaders and many more This is a definitive reference in the field of love studies Eva Illouz author of The End of Love A sociology of Negative relationships Oxford University Press This is not a volume to be read in a single sitting though I almost did due to a protracted hospital stay nor is it romantic or inspirational reading though in some cases I had hoped for more narrative examples and case studies Rather it is a highly diverse scholarly effort a massive resource collection of research papers on love in a variety of contexts personal and professional settings and cultures The work is well referenced providing a large number of resources for deeper exploration We owe our thanks to the authors and editors of this handbook for work well done though that word in the title should not lead readers to suspect that enlightening as it is this book is a vade mecum or practical tour guide that provides ready solutions to the vicissitudes and challenges of our love lives Reviewed by Dr George F Simons on amazon com Please see Claude H l ne Mayer s interview related to the handbook in LeanHealth Talks published by Bernadette Bruckner <https://www.youtube.com/watch?v=yVNXA9sWuWo> Please see Claude H l ne Mayer s interview related to the handbook published In Iran News Daily <https://newspaper.irandaily.ir/nid/6941/pid/6/type/0> The Pocket Guide to Rituals Connor Kerri,2006-03-22 Pagans are familiar with celebrating the eight Sabbats of the Wheel of the Year with rituals but are often at a loss of how to create rituals to celebrate other special occasions in their lives The Pocket Guide to Rituals helps you create these rituals to honor events from birth marriage and death to seasonal miracles such as the first snowfall or the first spring blooms Connor breaks down the process of creating rituals one step at a time to help you create complete cohesive rituals to perform by yourself or in groups She covers dozens of different kinds of rituals eliminating the guesswork while encouraging creativity The entry for each ritual includes details on six elements theme colors crystals and stones incense oils and herbs altar decorations and a sample of a completed ritual **Catholic Love** Mark Stacey Baird,2025-08-28 The word love is probably the most difficult word to describe as it is uniquely different across cultures and relationships Catholic Love How the Trinity Reveals the Meaning of Relationship offers profound insight into how the Holy Trinity Father Son and Holy Spirit manifests perfect love in divine unity **Unspoken Acts of Love** Barrett Williams,ChatGPT,2025-04-27 Discover a world where love transcends words with Unspoken Acts of Love This insightful eBook invites you to explore the rich silent language of love that often goes unnoticed yet profoundly impacts our lives In an era where words dominate this book gently guides you to appreciate the nuances of love expressed through actions gestures and silent moments Begin your journey by understanding the essence of unspoken love what it is how it manifests and why it s vital to our relationships From the subtle dance of body language and the warmth of a caring glance to the proximity that silently says I m here for you learn how love quietly speaks through every interaction Delve into love s language of service

where everyday actions become powerful expressions of devotion Discover the beauty of shared experiences and the magic that happens when we truly listen offering presence that outweighs spoken declarations Explore the symbolism behind meaningful tokens of affection and the heart driven impulses behind thoughtful gifts Through the book s chapters uncover the impact of thoughtfulness anticipating unspoken needs and offering unwavering silent support Celebrate the small everyday rituals that build a love filled routine and understand love s expression in the digital age through non verbal communication online Unspoken Acts of Love also ventures into the silent strength of giving space and the wisdom found in intentional absence Appreciate the balance of relationship give and take and the powerful unseen sacrifices made in the name of love Explore cultural nuances and personality influences that shape how love is silently expressed across the globe Finally recognize and applaud the quiet acts that strengthen our bonds crafting a life enriched by love beyond words Embrace the silent depths of love and foster a heart attuned to the world s quietest yet most profound expressions of affection Unspoken Acts of Love is your guide to understanding and appreciating the tender connections that words alone cannot convey [This is How Love Works](#) Steven Carter,2002-09-04 Perhaps love itself will always be a mystery Why a relationship works or doesn t work however is not a total mystery It is only a challenge that you can easily meet if you have the tools starting with awareness as the key

Ancient Greek Love Magic Christopher A. FARAONE, Christopher A Faraone, 2009-06-30 The ancient Greeks commonly resorted to magic spells to attract and keep lovers as numerous allusions in Greek literature and recently discovered voodoo dolls magical papyri gemstones and curse tablets attest Surveying and analyzing these various texts and artifacts Christopher Faraone reveals that gender is the crucial factor in understanding love spells There are he argues two distinct types of love magic the curselike charms used primarily by men to torture unwilling women with fiery and maddening passion until they surrender sexually and the binding spells and debilitating potions generally used by women to sedate angry or philandering husbands and make them more affectionate Faraone s lucid analysis of these spells also yields a number of insights about the construction of gender in antiquity for example the femininity of socially inferior males and the maleness of autonomous prostitutes Most significantly his findings challenge the widespread modern view that all Greek men considered women to be naturally lascivious Faraone reveals the existence of an alternate male understanding of the female as naturally moderate and chaste who uses love magic to pacify and control the naturally angry and passionate male This fascinating study of magical practices and their implications for perceptions of male and female sexuality offers an unusual look at ancient Greek religion and society
