## **Rival To My Heart:**

Rival to My Heart Ann Pinchot, 2013-09-10 The most exacting yet the most rewarding job in the world that was how Gail thought of her job as the only woman physician at Thayer Hospital and indeed the only woman doctor in Beauchamp where for three generations the Thayers had been the leading family It was old Marcus Thayer who had seen the industrial possibilities of the rich riverwashed valley and began its transition from a farming village to one of the most important manufacturing centers in Wisconsin Now Howard Marcus grandson and Gail's cousin presided over the destinies of the sprawling Thayer Judson plant and its encroaching tenements Thayer Hospital a formidable red brick monument to old Marcus was a landmark on Beauchamp Heights And the man who ran Thayer Hospital was stern competent Cassius McCormick Everybody bowed before Dr McCormick catered to him feared him Everybody except Gail Benton When Gail openly defied Dr McCormick in his diagnosis of Mr Zayle's baffling illness and still later of Reyna Thayer's the war was on To make matters worse Burke Gentry the man Gail intended someday to marry had been retained as Cassius' lawyer in the lawsuit that threatened Deserted by the town the young doctor who unlike Dr McCormick cured with her heart as well as her hands and mind was to find help from an unexpected source In a dramatic climax Miss Pinchot brings her challenging story to a close and peace again returns to Beauchamp

**Tamil Love Poetry**

Martha Ann Selby, 2011-06-07 Dating from the early decades of the third century C E the Ainkurunuru is believed to be the world's earliest anthology of classical Tamil love poetry Commissioned by a Cera dynasty king and composed by five masterful poets the anthology illustrates the five landscapes of reciprocal love jealous quarreling anxious waiting and lamentation clandestine love before marriage elopement and love in separation and patient waiting after marriage Despite its centrality to literary and intellectual traditions the Ainkurunuru remains relatively unknown beyond specialists Martha Ann Selby well known translator of classical Indian poetry and literature takes the bold step of opening this anthology to all

readers presenting crystalline translations of 500 poems dense with natural imagery and early examples of South Indian culture Because of their form s short length the anthology s five authors rely on double entendre and sophisticated techniques of suggestion giving their poems an almost haikulike feel Groups of verse center on one unique figure in some cases an object or an animal in others a line of direct address or a specific conversation or situation Selby introduces each section with a biographical sketch of the poet and the conventions at work within the landscape She then incorporates notes explaining shifting contexts Excerpt He has gone off all by himself beyond the wastes where tigers used to prowl and the toothbrush trees grow tall their trunks parched on the flinty mountains while the lovely folds of your loins wide as a chariot s seat vanish as your circlet worked from gold grows far too large for you     The Chief Rivals of Corneille and Racine Lacy Lockert, 1956 Here are blank verse translations of ten of the best tragedies by French dramatists contemporary with Corneille and Racine and two by the most noted successors No great dramatist can be properly understood and appreciated without some knowledge of the lesser playwrights surrounding him The fact has long been realized as regards to Shakespeare but the lesser figures of the great age of French drama men comparable to such Elizabethans as Middleton and Fletcher and Massinger have been generally neglected This book makes a selection of their best works available to English readers French students who do not have access to the frequently rare French texts of these plays will find it valuable No play by any of these dramatists except Voltaire has ever before been translated into English The faithfulness and literary qualities of Dr Lockert s translations are avouched by his two previous volumes in this field The Chief Plays of Corneille and The Best Plays of Racine     **The Dramatic Works of Roger Boyle, Earl of Orrery** Roger Boyle (Earl of Orrery), 1739
