River Angel:

River Angel A. Manette Ansay,2009-03-17 In April 1991 in a little Wisconsin town about a hundred miles southwest of the town where I grew up a misfit boy was kidnapped by a group of high school kids who later would testify they d merely meant to frighten him to drive him around for a while Somehow they ended up at the river whooping and hollering on a two lane bridge Somehow the boy was shoved he jumped he slipped accounts vary into the icy water The kids told police they never heard a splash one reported seeing a brilliant flash of light Several people in the area witnessed a similar light while others recalled hearing something kind of like thunder All night volunteers walked the river s edge but it was dawn before the body was found in a barn a good mile from the bridge The owner of the barn had been the one to discover the body and she said the boy s cheeks were rosy his skin warm to the touch A sweet smell hung in the air It was she said as if he were just sleeping And then she told police she believed an angel had carried him there For years it had been said that an angel lived in the river Residents flipped coins into the water for luck and a few claimed they had seen the angel or known someone who d seen it The historical society downtown had a farmwife s journal dated 1898 in which a woman described how an angel had rescued her family from a flood Now as the story of the boy s death spread more people came forward with accounts of strange things that had happened on that night Dogs had barked without ceasing till dawn livestock broke free of padlocked barns Someone s child crayoned a bridge and above it a wide winged tapioca angel A miracle A hoax Or something in between With acute insight and great compassion A Manette Ansay captures the inner life of a town and its residents struggling to forge a new identity in the face of a rapidly changing world River Angel A. Manette Ansay,1999 The kids told the police they never heard a splash one reported seeing a brilliant flash of light All night volunteers walked the river s edge but it was dawn before the body was found in a barn a good mile from the bridge *Angel's Paradise* Janice Angelique,2008-07-01 A vacation to Jamaica changes a woman s life forever when she is reunited with her long ago love Now she must decide if she will trust him again with her heart Original Atlas of South America Karen Foster,2008-07 Features maps and information about the countries geography ecology population customs transportation and ecology of South Africa *Venezuela in Pictures* Wendy Aalgaard,2004-10-01 Discusses the land history government people and economy of Venezuela **The Search for Sooner Silver** Paul Martin,2007 **Hiking Alaska** Mollie Foster,2017-05-15 Fully updated and revised this guide is the perfect introduction to hiking the great state of Alaska with millions of acres of wilderness waiting to be explored It features one hundred hikes in Alaska s national parks wildlife refuges national forests wilderness areas and state parks Also included are hikes for all ages and abilities as well as maps for each hike and full color color photos *An Archaeology of the Cosmos* Timothy R. Pauketat,2012-12-07 An Archaeology of the Cosmos seeks answers to two fundamental questions of humanity and human history The first question concerns that which some use as a defining element of humanity religious beliefs Why do so many people believe in supreme beings and holy spirits The second question

concerns changes in those beliefs What causes beliefs to change Using archaeological evidence gathered from ancient America especially case material from the Great Plains and the pre Columbian American Indian city of Cahokia Timothy Pauketat explores the logical consequences of these two fundamental questions Religious beliefs are not more resilient than other aspects of culture and society and people are not the only causes of historical change An Archaeology of the Cosmos examines the intimate association of agency and religion by studying how relationships between people places and things were bundled together and positioned in ways that constituted the fields of human experience This rethinking theories of agency and religion provides readers with challenging and thought provoking conclusions that will lead them to reassess the way they approach the past *Historical Dictionary of Fantasy Literature* Allen Stroud,2023-06-12 Fantasy is both old and new In the ancient past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more Historical Dictionary of Fantasy Literature Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum More than 200 other entries describe the fantasy sub genres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature [Merrily to Swakeleys](#) Robert Pearson,2008-04-02 Having lived in Ickenham for for more than 30 years I felt that it was necessary just to say something about this interesting place But what We don t go back as far as the beginnings of the Tower of London but we don t do so badly either for a small village We have a twelfth century church and a manor house started around the same time But what about the interest Not perhaps as nation shattering or momentous as the things going on in the Tower of London but curiosity yes Plenty of excitement Swakeleys House St Giles church and Gospel Oak Indeed plenty of interest and mysteries too the tea caddy to be found in the church the disappearance of the plaster cast of the Earl of Essex from Swakeleys House and why wasn t the black boy talked about by diarist Samuel Pepys when he visited the House in 1665 in the cupboard under the stairs when they opened it in 1923 *The Great Charade* Gerri Hill,2021-12-01 Abby Carpenter is in a tailspin knowing she is about to spend ten days in the company of her ex girlfriend who is now engaged to her brother for a family holiday gathering in Red River New Mexico The same ex girlfriend who last year at Christmas had lured her into bed Abby s solution A pretend girlfriend for the holidays would surely keep her ex away and in her own room at night right Nic Bennett s life has been far from ideal and Christmas is her most dreaded holiday of all as she relives horrors from the past When an attractive stranger approaches her with the offer of a chance to get away for ten days she agrees But with a counteroffer that brings both anxiety and excitement to the desperate
