**The Rivers of Joy and Sorrow** Justin Roberts, 2022-10-10 It is the height of apartheid in South Africa as Justin Roberts enters university with dreams of becoming a lawyer While attending a meeting in Soweto he encounters African students who reveal some of their shocking experiences After Justin and the others decide to publicize details of the torture they have their first brush with the Special Branch These initial actions draw Justin deeper in political activism Justin meets Colleen by way of a blind date but this unlikely beginning eventually blooms into a fully fledged love affair Despite the misgivings of her parents Colleen too becomes involved in some of Justin s activities As events unfold Justin and his colleagues are gradually radicalised and drawn closer to those involved in the armed resistance Finally matters come to a head and Justin like others before him is forced to flee the country Now living in exile in the United Kingdom he returns to South Africa with a false name and passport to undertake an undercover mission to warn his friend Sipho of the danger he is unknowingly facing Will his mission be successful and will he find personal redemption In this poignant story South African students who decide to oppose apartheid are propelled on a journey entailing love abandonment yearning betrayal and redemption
